

HILL: Allan Archie

In loving memory of Allan
Archie Hill 1930-1999.

*Already it's been one long
year,*

*How we wish your voice we
could hear.*

*Hollering out your "Scano's"
to us down the hall,*

*You were such a wonderful
man, we had such a ball.*

*But now the time has come
and you must go your own
way,*

*And all of us you left behind,
well, we'll have to stay.*

*We have to stay and carry on
the very best we can.*

*But we'll be ok, for we
learned great things from a
great man.*

*All we can do is promise to be
good to our Ma,*

*And say "Nya weh" for being
the best Husband, Dad &
Papa!*

All our love, your wife
