

The family of the late **Betty M. Porter** wish to express their thanks for your sympathies and acts of kindness during the recent loss of our Mother, Grandmother and Great Grandmother. She would have been pleased at the outpouring of support that you have given us in the last few days. Thank you to Pastor Bob Muir and his wife Ellie for their guidance in preparing for the service. To Bob-the tribute that you paid to our Mother and also the words that you spoke during the service uplifted all of us. To Pastor Paul Hansen, for the prayer and your stories of my Mom that got a few laughs and also nods from those who knew her well. To Mary Hansen who assisted us in choosing the right hymns for Mom's service and playing them beautifully.

To Sandy Hill-Bomberry for getting the blue grass gang (Elizabeth, Gail, Rose, Jim, Pete, Terry and Wally) together and playing and singing one last time for Mom. I know she was smiling down on us all clapping, toe tapping or maybe dancing. She loved her music. To the pall bearers: Aaron Porter, Pierce Abrams, Matthew Jamieson, Peter Parker, Harold Jamieson & Jim Lennips thank you for carrying Mom to her final ride and for the honor guard as she was taken away. Thank you to Bill Lofthouse and the staff with R.H.B. Anderson for your services and kind and caring ways. To Phil Sault thank you for the use of your church for the gathering of family and friends after the service. To Toni Anthony-thank you for catering the lunch after the service. The food was delicious.

Thank you to all of our friends and family for floral arrangements, cards, monetary donations, food and most of all the "HUGS". We appreciated all of it. With sincerity and love,

***Wanda & Harold Jamieson, Pamela & Jim Lennips, Brian Porter & Denise Porter and their families.***
