whereas the character of business  
has so changed that the bulk  
of the property is often personal  
and whereas, a woman is only  
protected under the Dowry Act  
when the property is real estate,  
a man being able to will away  
from his wife and children  
all personal property

Therefore, he'd resolved, that  
to this convention <sup>use the Provincial Government</sup>  
~~legislation be introduced which~~  
will insure the wife and  
children an inheritance in the  
personal property of the husband  
and father,

~~to now have struck~~

~~but I am not sure~~
