GENERAL REGULATIONS.

1. The Students are continually under the supervision of the Faculty, and are subject to mild, but firm and parental discipline.
2. All correspondence with the pupils is subject to inspection by the College Authorities.
3. Particular attention is paid to the moral and physical welfare of every Student.
4. In case of sickness Students receive the best possible treatment in the College Infirmary.
5. No immoral or habitually intractable youth will be retained in the College.
6. The Scholastic year begins in September and closes in the latter part of the following June with a public Distribution of Medals and Premiums.

8. Pupils furnish their own towels, napkins, combs, brushes, soap &c.
9. At Christmas there is a short Recess; but Students will not be allowed to go home except at the special request of their parents, and under condition that they return promptly on the day appointed for the resumption of Classes.
