

IN APPRECIATION

The Stirling 150th Anniversary Book Committee and the New Horizons Committee wish to express their sincere appreciation to all the volunteers who have given freely of their time and abilities in the production of this book about the history of Stirling and area. Thanks also to the families who have entrusted us with priceless original photos, shared their families' legacies, and written stories about their ancestors and the history of the area. Without all of you this project would not have been possible.
