CHILDREN'S AID SOCIETY AGAIN DOING GOOD WORK

Annual Report Suggest That Government Aid in Helping Society
To Firm Basis.

The annual meeting of the Temiskaming Children's Aid Society, held recently at Haileybury, indicates that the Government aid recently extended is assisting the Society to a firm basis. At the annual meeting of the following officers were duly elected:—

Honorary Presidents—Angus McDonald, M. P., Tom Magladery, M. P. P., Mac Lang, M. P. P., D. McEachren, Cobalt; W. A. Taylor, New Liskeard; N. J. McAuley, Haileybury; Dr. J. A. Melnis, Timmins; D. McLeod, Coleman; A. Montgomery, New Liskeard.

President—Ralph S. Taylor, Cobalt. 1st vice-Pres.—F. K. Ebbitt, Iron-quois Falls.

2nd vice-Pres.—Mrs. D. H. Jacobi, New Liskeard.

3rd vice-Pres.—Mrs. D. H. Jacobi, Haileybury.

Secretary and Agent—Robt. Le Henp, Haileybury.

Assistant Secretary—Miss Martha Owens, Haileybury.

Early in the new year it is expected that arrangements will be made for the re-opening of the Shelter at Haileybury and the Society will again be in a position to take up the care of deserving children as before. On account of lack of finances the Shelter had to be closed for a time this year, but the Government has assisted with a grant of \$3000.

The Secretary's report reviewed the work for the year and contained this paragraph of particular interest locally:—"I am pleased to announce that a number of gentlemen in Timmins are taking steps towards the formation of a branch of the Society in the Northern part of the district. This is a most important move and has become necessary as growth in population in that section makes it imperative that closer supervision of children be supplied." There is also a special note of thanks to the Masonic and Oddfellows Lodges of the district, to Magistrate Atkinson and to the Red Cross Society of Schumacher and others for kindnesses shown the Society. Forty-one children were cared for in the Shelter during the year the average per month being 12. Two of the 41 children came from Timmins, three from Tisdale, 5 from Cochrane and the rest from the southern part of the district.

URGING REORGANIZATION OF T. & N. O. COMMISSION.

The Sudbury Star last week says:—"The Towns along the T. & N. O. are still calling for the appointment of a chairman of the T. & N. O. commission and are urging Premier Drury to act at once.

"There seems to be a general feeling along the T. & N. O. that George Lee, the acting chairman should get the post. Practically all the papers of the north are supporting him for the post."

The Star then quotes an article from The Porcupine Advance of the previous week to further emphasize The Star's suggestions, introducing the quotation with the remark that "The Porcupine Advance is usually decidedly critical of the T. & N. O. Railway and its service."

ACCUSED OF WALKING OFF WITH A PAIR OF MOCCASINS.

Officers Greer and Grenier on Saturday night arrested Gordon Folker, and he is being held in the police station here on a charge of theft. Saturday evening, according to the evidence of the case as given to the police, Folker stopped to admire a pair of mooccasins hanging in front of Shaheen's store. He formed a great attachment for the mooccasins, with the result that they walked away with him. Mr. Shaheen noticed the mooccasins going, or gone, and took after them. The police officers were at the Imperial Bank corner and they joined in the chase. Folker had gone down the lane at the side of the building, but just got as far as the rear of the building when he was overtaken and stopped. The mooccasins were found in a barrel or box in the lane where they had been thrown or dropped. "How did you know the mooccasins would fit you?" Chief Greer asked Folker. "Oh, I know they were my size all right; I had looked at them long enough," was the reply.

The Workmen's Central Council at Cobalt has reported the result of the vote of the men in regard to having Sick Benefit Fund established for employees of the various mines. Two mines did not report a vote, these being the O'Brien and the Beaver. The other mine employees voted 737 for adopting a Sick Benefit Scheme and 134 against, nearly 85 per cent. of the 871 votes cast thus being in favour of the plan.

The Spirit of Christmas

CHRISTMAS Time celebrates the advent of the great Teacher who brought with Him the promise of "Peace on Earth to men of goodwill." He inaugurated a new era of mutual regard, mutual forgiveness and mutual aid.

In no other institution is the principle of mutual helpfulness so clearly exhibited as in life insurance and especially mutual life insurance, where each member contributes for the benefit of all, and all members contribute for the benefit of each.

A policy issued by The Mutual Life of Canada actually carries the Christmas Spirit with it into every day of the year, the policy being the expression of thoughtfulness for others. Membership in a mutual company is not only a blessing to one's own family but also to the families of all the other members of the organization. The motive of the Mutual is the motive of "mutual service."
