Timmins News in Brief

Did you lose your vote?

Mr. S. R. Buntin, of Belleville, was a visitor to the Camp this week.

BORN—In Timmins on Friday, Dec. 30th, 1920, to Mr. and Mrs. M. Greer,—a daughter.

Mr. C. G. Pirie returned last week after spending the holidays at his home near Haileybury.

Mr. J. F. Henderson, town engineer, is spending the New Year's holidays in Nova Scotia and other places east.

Mr. and Mrs. A. R. Bateman and family were guests of friends in Shillington during the holidays.

Mr. N. J. McAuley was re-elected Mayor of Haileybury for 1921 by acclamation. The Councillors were also elected by acclamation, no elections being necessary for either the Council or the School Boards.

It pays to advertise. Mr. W. Field lost his handsome collie dog a couple of weeks ago. He advertised for the strayed or stolen animal and the day after the paper came out with the advt. the dog came home wagging his tail in answer to the advt.

Mr. C. P. Charlebois, of the St. Anthony Gold Mine, on the Transcontinental west of Cochrane, was a visitor to the Camp over the holiday. Mr. Charlebois believes that the gold industry is just entering its most promising and prosperous days and that all the gold camps of the North Land will have a decided boom in the spring. "Everything points that way, so far as I can read the signs of the times," says Mr. Charlebois.

In two hours on Thursday afternoon Mr. J. Perrault sold about 200 tickets for the hockey game last week. The easy way in which he was able to thus dispose of the tickets just about as fast as he could hand them out and take the money is proof enough that the Town of Timmins is right behind the Hockey Team. Mr. Perrault suggests. Sure, the Town is right behind the Hockey boys and will continue so.

New Liskeard this year has elected two lady members to the School Board. Mrs. E. M. Gold and Mrs. Mc Knight being elected by acclamation.

Mr. F. Francis spent the holidays at his home in New Liskeard.

Don't forget to write it "1921" now.

Mr. E. Anthony spent the holidays at his home in Shillington.

Mayor John Ferguson of North Bay was re-elected Mayor for 1921 for the Town.

Mr. A. H. Reed, of the North American Incinerator Co., Toronto, spent the week-end in town.

Mr. and Mrs. W. R. Lowery, of Cobalt, were visitors to town last week, Mrs. Lowery remaining over this week as the guest of friends in Timmins.

The fine new school at Moneta is fast nearing completion. It is one of the finest buildings of its kind in the North Land and is a credit to Moneta and to the people of the Township of Tisdale.

It is possible to tell whom a man voted for in the mayoralty contest this year by judging whether the man is good-natured or otherwise since Monday. The good-natured, cheerful man apparently voted for the happy, cheerful Mayor.

A reward of \$1000 is offered for information that will lead to the finding of Mr. McCool, the well-known lumber man, who disappeared recently. A young man living near Haileybury has been very active in searching for traces of the missing man. "I hope you find him," says the young man's father, "but if they offer you the reward you must refuse it, but if they press you to take it, why you must take it then."

Mr. Earl Acton, one of the popular old-timers of the Porcupine, is visiting in the Camp this week and is being very heartily welcomed here by many old friends. Mrs. Acton and daughters are at present visiting in Cobalt, but may later visit the Porcupine. Mr. Acton was well-known and popular here in the earlier days as a member of the Bank of Toronto staff and was also with the Dome for a time. He went south in 1916 and was manager of one of the Sterling Bank branches.
