## Timmins News in Brief

Mr. Cumming, of the New Ontario Colonization Co., was a visitor to town last Thursday on business.

The G.W.V.A. Rooms in the Goldfields Annex upstairs have been reopened this week for the use of the returned men.

Cobalt stores are also observing the Wednesday half-holiday during the months of May, June, July, August and September.

Last week's issue of The Broke Hustler, Iroquois Falls' own newspaper, says: "Mrs. Alf. Luxton came from Timmins Monday morning to spend the day here. They are hoping to move here shortly."

The annual meeting of what is termed the Temiskaming Baseball League will likely be held next week at Cobalt or Haileybury. Last year the "Temiskaming League" included Cobalt, Haileybury and Liskeard. This year a move is under way to have Kirkland Lake and Englehart included in "Temiskaming."

Mr. and Mrs. Geo. Laporte last week sold their property in town and have gone to North Bay to take up residence. They have many friends in the North Land who will regret their removal while following them to the Bay with best wishes. Mr. Laporte was formerly on the Timmins police force after his return from overseas service.

Mr. Percy Dean of the Porcupine Pulp & Lumber Co., Hoyle, recently returned from a two months' visit to England. He found labour and general conditions there not very promising, with business unsettled and the country generally in a somewhat disturbed state, but personally he had a very pleasant holiday among old friends and old places.

The most popular settlement in the North Country, Verner, in the Nipissing district, where there were 254 votes cast in the recent Referendum and every single one of them (without a wicked exception of any kind) for the continued importation of good booze to this good Province. There will be found engraved on the heart of many a man in Ontario who dies from thirst in the days to come the glorious name of "Verner."

Mr. A. McLean, of Haileybury, is in town on business.

Meeting to organize for baseball in the Town Council Chamber to-morrow (Thursday) evening, April 28th.

Mr. Harry Stuckey, of the T. & N. O. freight department, spent the week-end in Cobalt.

The Ladies Aid of the Presbyterian Church are holding a Tea and Sale of Home-made Cooking in the basement of the church on Saturday afternoon of this week from 3 to 7. Everybody welcome, all come, a good time assured to everyone.

The McIntyre Entertaining Committee announce a novelty in the way of a "Confetti Dance" to be given in the McIntyre Recreation Hall, Schumacher, on Friday evening of this week, April 29th. Refreshments served. Al. Wilson's Orchestra will furnish the good music for the pleasant night.

A meeting of the Timmins Amateur Athletic Association will be held in the Council Chamber at 7.30 p.m. sharp on Friday evening of this week, April 29th. The voting committees of all affiliated clubs are requested to be present to take up the matter of the affiliation of the Tennis Club and Girls' Baseball Club.

Miss Mary Wingrove, of Cochrane, had the noteworthy honour of winning the silver medal given by the Ontario Fire Prevention League for the best essay on "Fire Prevention in Home and Factory." The competition was open to all high school students in the Province so the Cochrane young lady assuredly won a distinct honour for herself and her town. The medal was presented to her publicly at the recent firemen's concert in Cochrane.

Sunday, May 8th will be Mothers' Day in the Presbyterian Church, and there will be special music, special decorations and a special service suitable to the occasion. The Timmins Presbyterian church observes Mothers' Day each year as a token of respect and affection to the good mothers who have been responsible for the most of the little good there may be in this funny world and its queer people.

WANTED—A thoroughly competent Bookkeeper. Apply to The Geo. Taylor Hardware Limited, Timmins. —17—

## The Ford Engine Has the Power

FORD Car performances under every test of road and usage daily prove that the engine of the Ford Car will drive it over seemingly impossible roads because it has the power and durability.

The engine of the Ford Car, driving half the motor cars of the world every day, in every quarter of the globe, under every kind of road and usage condition, proves its endurance, its simplicity of operation, its economy and its power.

—Proves too that it is the engine you want in the car you drive.

Over three thousand Ford Dealers and Service Stations in Canada keep Ford Cars at peak efficiency. Costs of parts are fixed and published to Ford owners by the Ford Motor Company of Canada, Limited.

FORD PRICES	
Touring Car - \$ 675	Sedan - - - \$1,200
Runabout - - \$ 610	Chassis - - - \$ 550
Coupe - - - \$1,100	Truck Chassis - \$ 750
