## Timmins News in Brief

Miss Mary King has been visiting in Lathford and other points south.

Mr. Stephen Valentine of Cincinnati, was a visitor to town last week.

Grank Bazaar and Tombola in aid of the R. C. church from May 31st. to June 4th. Big prizes.

Don't forget to vote on the Public Library by-law on Saturday of this week. Voting at the public school.

Dr. W. L. Goodwin, who conducted the classes for prospectors here recently, is now at North Bay where similar classes in mineralogy and geology are being conducted.

A group of London, England, investors were visitors last week to the Kirkland Lake Proprietary properties at Kirkland Lake Camp.

Mr. G. W. Springham, who has been employed in Timmins for the past six months, returned on Sunday to The Pas, Manitoba.

Mr. Hugh Boyle is back in the Camp from the West, this well-liked old-timer being heartily welcomed back by his many friends and acquaintances.

Mr. B. V. Harrison, superintendent of the Northern Ontario Light & Power Co., with his present headquarters at Cobalt, was a visitor to the Camp last week on business.

Voting on the Public Library By-law in the public school building on Saturday.

Mr. H. C. Anchor, formerly superintendent of the Dome Extension, and one of the popular pioneer mining men of the Porcupine Camp, returned here last week and was warmly welcomed by his hosts of friends in the Porcupine.

Mr. Jack Riley, recently on the Express Company staff at Iroquois Falls, left the Falls last week on account of the reductions necessary in staffs there due to the drop in business from the closing of the paper mill. He is visiting in the south at present, but is expected in Timmins at an early date where there are many friends indeed to give a welcome back to "Rusty."

There was a lacrosse practice at the week-end, about eleven players turning out and a pleasant practice ensuing. The fact that the town has a number of classy lacrosse players was made evident and it is likely that after another try-out or so, lacrosse will be regularly organized in town.

A Tea and Sale of Home-made Cooking, under the auspices of the Women's Auxiliary of St. Matthew's church, will be held at the home of Mrs. Dr. Moore on Saturday of this week, May 28th from 3 to 6 p.m.

Rev. Mr. W. M. Fee, pastor of the New Liskeard Presbyterian church, has been granted a leave of absence by his congregation on account of his health. Rev. Mr. Fee recently collapsed in his pulpit while at the Sunday service.

A gang of men were set to work at Iroquois Falls last week to further beautify the station grounds of the T. & N. O. The grounds are to be planted with trees for one thing. Good idea! Timmins is just as anxious as Iroquois Falls to be beautiful. What more need be said?

Baseball is starting out one-sidedly in the South Temiskaming League. In a friendly game last week at Englehart, Haileybury won with 12 runs against Englehart's goose-egg. Both sides tried out a pair of pitchers each. Haileybury thought it an auspicious opening for the season, but Englehart says 'tis a suspicious start.

Timmins Board of Trade has been busy lately trying to get speedy action from the Government in the matter of the roads of the district. A number of letters have been written urging the Departments to act.

Several changes and improvements have been made at King's Amusement Parlors. The baths have been discontinued, the partitions taken down and the space added to the fine billiard parlors. A new window arrangement has also been made, the new window being used this week for the first time for the display of the medals, cups, trophies and other prizes in connection with the Football Club's big day all day on the 24th.

Chief of Police Chas. Walters of New Liskeard has resigned and his position has been filled by the appointment of Mr. Lambie.

The citizens Liberty League of Ontario has been duly incorporated under the laws of the Province. The charter gives the directors wide powers. Mr. A. A. Amos is named in the Order-in-Council as one of the directors of the Citizens Liberty League Incorporated. A meeting of the organization is called for tomorrow (Thursday) in Toronto for the purpose of passing by-laws and constitution, etc.

### Power

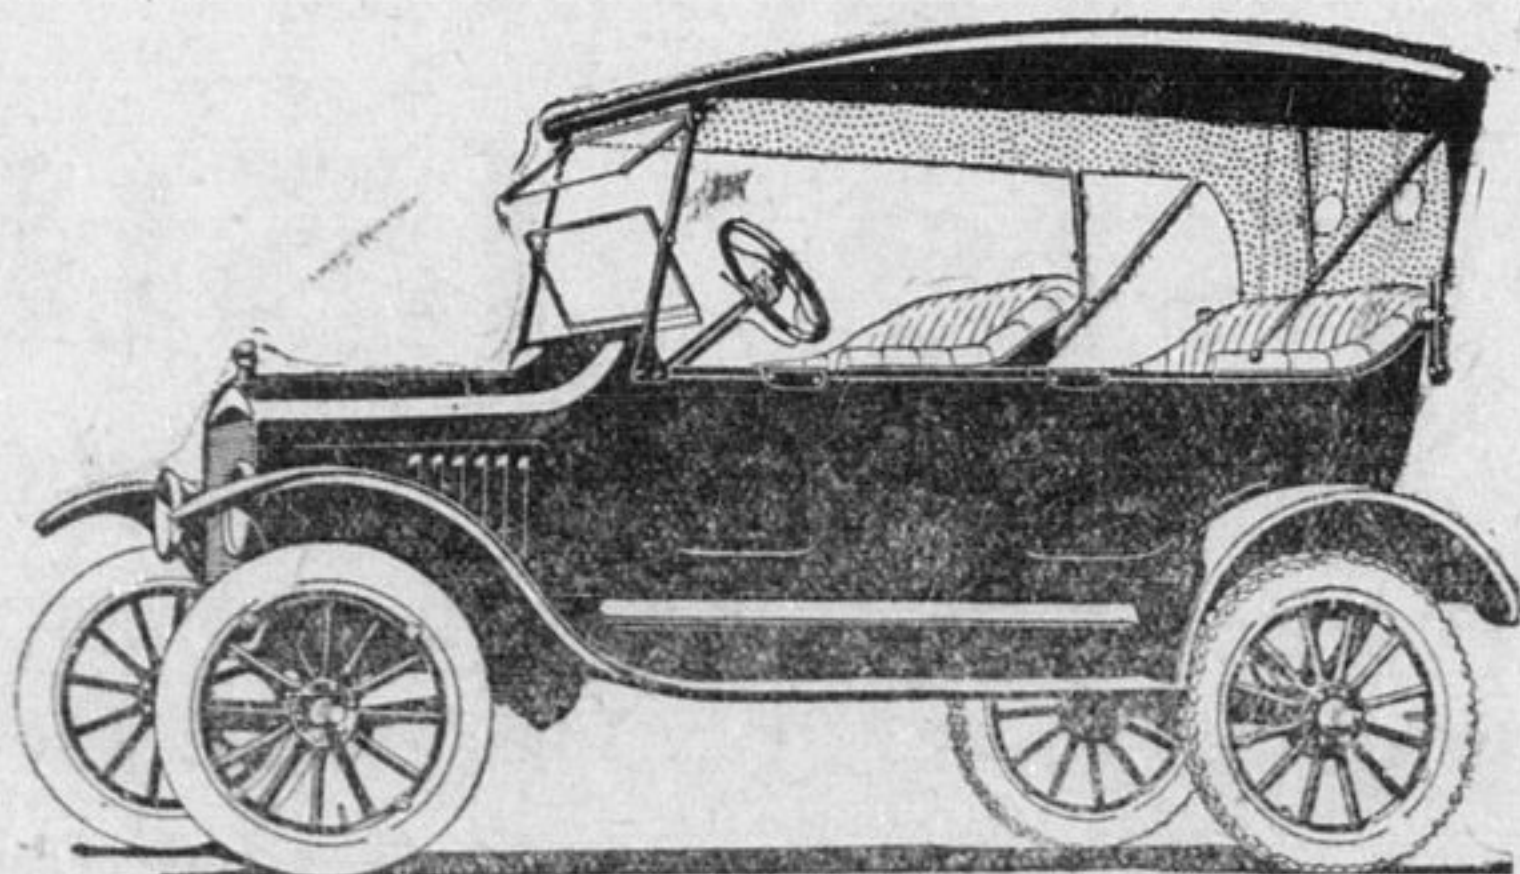

THE Ford car is the best hill-climbing car built at any price. In a country like this it is the hill-climbing car that you have to depend upon to get you through.

Rough roads, deep ruts or boulders do not stop a Ford car. Its ample clearance carries it over rocky and rough places that a car with low clearance could not get by without trouble.

The Ford is the ideal car for rough country. It will go further, last longer and stand up under rough usage better than any other car in the world.

The war proved the efficiency of Ford cars. Five million Ford car owners throughout the world are proving it every day.

When your car needs service we can supply it. No waits for repairs or genuine Ford parts. And no matter where you go you will find other Ford Service Stations ready to give you the same co-operation we give you here. Buy a Ford and be sure of service.
