

FOUR DAYS OF WONDERFUL ENTERTAINMENTS HERE

Timmins Chautauqua Offers Orators, Lectures, Musicians, Singers, Players, Humorists, and Magicians.

The Timmins Chautauqua, under the auspices of the Timmins Chapter of the Daughters of the Empire, opens here to-morrow (Thursday), August 18th, and for four days there will be an unequalled feast of entertainment, education inspiration and music available each afternoon and evening to all. The various artists and artists on the programme are world leaders in their lines and the series of entertainments would be difficult indeed to excel for the high standard of talent, the variety of the numbers and the general attraction of each programme.

Some one once defined "Chautauqua" as the "travelling university of the common people." This title fits, but the Chautauqua is more than that. It is a superb entertainment organization. Among the special numbers to be here during the four-day Chautauqua may be mentioned:—The Chester Scott Company, furnishing the most delightful vocal and instrumental music; Prince, the King of Concert Accordionists; Davis, the Master of Magic and Mystery; the John Qualen Trio, the wonderful vocal and instrumental musicians; Harry Ferguson, the talented baritone soloists; Mr. Harry Reed, the gifted tenor; Ferguson's Light Opera Quintette, never failing to delight; and the famous comedy success, "Contentment," a very attractive feature ably given by the Elias Day Play Company.

The numbers above, while all of the most entertaining character, have al-

so their special features of instruction, inspiration and education. The music is especially good, according to all reports.

Among the more strictly instructional features are:—Popular lecture by Dr. J. Franklin Babb, of Boston, on "The Hundred Per Cent. Man"; "Red Russia with the Lid Off," a thrilling lecture by a Lieut. W. J. Osborne-Dempster, M.C., M.S.M., who has returned from among the Bolsheviks in Russia; "Community Nuts to Crack," a popular community talk by D. Lee Fitzpatrick; "The Outlook in Europe," an address by Hon. Percy Alden, member of the British Parliament from London.

The programme for each afternoon and evening will be found in the display advt. elsewhere in this issue.

The Chautauqua is an event this no lover of music, vocal or instrumental, of oratory, of drama, or of entertainment can afford to miss.

T. & N. O. EMPLOYEES PICNIC SATURDAY OF THIS WEEK

The annual T. & N. O. employees' picnic is to be held at New Liskeard Beach on Saturday of this week, Aug. 20th, promises to even excel past successes. The T. & N. O. picnic has become a pleasant North Land feature, much enjoyed by big crowds from all over the line. Greatly reduced fares are allowed for the occasion; for instance, it is only \$1.00 return from North Bay, and \$1.35 from Timmins. There are all sorts of athletics, sports, novelties and a general good time. The New Liskeard Senior Team and a picked aggregation from North Bay will contest the baseball honours for the day. The other features will be equally interesting. The T. & N. O. Picnic this year will be a very enjoyable event.

MILITIA DEPT. SAYS NO CADET CAMP THIS YEAR

Excuse Given for Disappointing Boys Of the North is that "Not More Than 100" Likely to Attend Camp.

It seemed to be definitely settled that the unwarranted disappointment of the Cadets of the North Land through the breaking of the word given them regarding camping at Niagara this year was to be offset by giving the Northern boys a camp in August on Lake Nipissing near North Bay. But things have a way of not being settled as they seem with Government departments. Dr. McInnis, mayor of Timmins, who has been fighting the battle of the boys with the Department of Militia last week received what seems to be a final word in the matter. Lieut.-Col. R. K. Barker, Inspector of Cadet Services M.D. No. 2, writing from Toronto, under date of Aug. 11th, says:—"I now enclose a copy of a letter sent to Mr. C. S. Carter, which explains the present situation. The corps from your town appears to be the only one that could state definitely that any Cadets would go to such a camp, and other corps, such as Sault Ste. Marie, through the Inspector there, suggests the postponement until July, 1922. Arrangements may be made then for the Camp to take place on the C.P.R. Recreation Park on Lake Nipissing, near North Bay, and where there is an excellent bathing beach. There seems little doubt that such a camp would be authorized and that it could be made a big success. It is sincerely hoped that the Cadets from Timmins and South Porcupine will be satisfied to wait until then."

In the letter to Mr. Carter who has

also been unceasing in his efforts to secure fair treatment for the North Land Cadets in the matter of a Summer Camp this year, Lieut.-Col. Barker says that replies to his enquiries as to what Cadets could attend a Camp this year, the majority of opinion seems to be that it would not be possible at this time of year to assemble a representative number from these corps to attend a Camp which would have to terminate prior to Sept. 1st. "It further appears," his letter says, "that there would not be a total of more than one or two qualified instructors from all the towns mentioned who would be available for such a camp." To summarize the situation, the letter says:—"From all replies received it is very doubtful whether if this camp were held there would be a total of more than one hundred Cadets attending, and that for more satisfactory results and a more pleasant outing for the Cadets would be attained by a postponement of the Camp until July, 1922."

All of which may be as it may be, but there still remains the fact that the Cadets here were officially promised a place in the Camp at Niagara this year. The proposal for a Camp at Lake Nipissing was simply a makeshift to take the place of the Niagara Camp. Even this proposed makeshift is now replaced by excuses. The point is: Why did not the Department live up to its first promise, instead of making matters worse by falling down on a second proposal? It is a poor example indeed to give the boys of the Cadets, to say nothing of the disappointment to the lads. The Department has fooled away so much time since the matter was brought to their attention, that it is too late to remedy it this year. The Department, however, certainly owes it to the Cadets to make such satisfactory reparation for the direct breaking of a promise made to the boys, if the matter is rightly understood.

GOSPEL MEETINGS STILL CONTINUING AT BIG TENT

The Gospel meetings, under the supervision of the Baptist Home Mission Board, are still continuing in the big tent on Balsam street.

Rev. G. N. Simmonds, of New Liskeard, who has been capably and successfully conducting the meetings during the past couple of weeks, is to-day (Wednesday) for his last night of this week at the big tent. For the rest of this week and next week the meetings will be in charge of Rev. J. Proudfoot, a retired soldier, of Sudbury. Services nights will now be at 7.30 p.m., and on Sundays the services are at 11 a.m. and 7 p.m.

Last Thursday and Friday, Rev. Chas. H. Schutt, Superintendent of Baptist Home Missions for Ontario, visited Timmins and took part in the special services here. An interesting feature of this visit was the fact that Rev. Mr. Schutt was on his wedding trip and was accompanied by his bride. Rev. Mr. Schutt and Mrs. Schutt also visited Iroquois Falls during their stay in the North, Rev. Mr. Schutt looking over the situation so far as it may concern the Baptist Church in the Big Paper Town. On Mr. Schutt's return to Toronto he will report to the Home Mission Board regarding the situation in Timmins and it is likely that at an early date a decision will be reached as to whether or not a Baptist church will be established again in Timmins.

On Thursday and Friday last the Gospel Services here were conducted by Rev. Mr. McCauley, Baptist minister at Cochrane, who held inspiring and helpful meetings in the Big Tent.

Work started this week on the construction of the new cement sidewalk on Fourth Avenue from Cedar street to Balsam, past the front of the Presbyterian church, etc. The contractor Mr. Leo Mascioli has a good-sized force of men at work and is pushing the work along on the new sidewalk construction.

WHEN YOU COME TO THE "EX" DINE AT MY PLACE—

I invite all the people from the North Country to dine with me when they are in Toronto for the "Ex." I have a fine new restaurant located at the corner of Bay and Adelaide Streets, only a stone's throw away from the old Adelaide Grill you probably visited last year. But it's larger, brighter, better, in every way than my former place was.

It was only opened last month, so it's brand new and (I think you will agree with me when you see it) one of the finest restaurants in Canada. I have spared no expense to make it particularly attractive. It is beautifully tiled and tastefully decorated. The devices for heating and ventilating the premises are the best money can buy. It is centrally located with reference to the principal hotels, theatres and stores. It is cool, clean and comfortable.

Now as regards the kind and quality of food I am serving. Well, I'm still making my own pastry and all the fruit I use is fresh fruit. Our chef prepares a large variety of well-cooked dishes for every meal and I personally see that nothing but the best is used in the kitchen. My prices are as reasonable as I can possibly make them.

So when you come to see "the greatest annual show on Earth" remember that an old North Country man is always glad to see folks from up that way again. Come in for dinner or supper and stay as long as you please. You'll likely see many of your friends, as the Adelaide Grill has been a popular meeting place for North Country folks in past years.

Remember my new location, Bay and Adelaide Streets.

P. S.—Of course this invitation goes for the ladies too. They will find the spick and span white-topped tables in our airy dining-room, together with our delicious home cooking, a real treat—an added pleasure to the Exhibition.
