**ONE TALE FOR THE NORTH
AND ANOTHER FOR SOUTH**

A New Liskeard citizen tells about hearing Premier Drury in the north and in the south in two separate and different speeches,—very separate and very different. At New Liskeard he heard the Farmer Chief refer to the many things the North Land needed,—roads, railway extensions, etc. The Premier practically promised that the more important of these needs should be attended to at an early date. A few days afterwards the New Liskeard man was on a holiday trip to the south and had the opportunity of hearing the Government speak again at Lindsay. At Lindsay the Premier Farmer of the Province again referred to the wants of the north. "They want roads, they want innumerable things, they want too much, but they will have to wait until we get our roads and other requirements down here," he said, according to the New Liskeard man.

And some people profess to be surprised at the growth of swearing in the North Land.

**OPENING OF BIG NEW STORE
IN TIMMINS TOMORROW**

The fine big new store at the corner of Third Avenue and Balsam street, Timmins, to be occupied by Feldman Bros., wholesale and retail, meats and groceries, announces its formal opening to-morrow, Thursday. The building is of solid brick and is one of the most up-to-date and best equipped business places in the North Land,—a decided acquisition to the town. The stocks and the service promised in this new store are to be in keeping with the superiority of the business building. Mr. W. McCracken is to be store manager, and each department is to be headed by men well-known and equally experienced and popular.

Mr. Geo. Seymour will have charge of the Meat Dept. and Mr. James Ralph of the Grocery Department. With men like these in charge the public may be assured of the best of service and attention. Big stocks of new goods are ready for the opening to-morrow, and Feldman Bros. new big store is ready with the best of goods and the best of services.

**NEARLY 200,000 NAMES ON
LIBERTY LEAGUE PETITION**

It will be remembered that petitions were recently passed around town for signatures by the Citizens Liberty League. These petitions urged the replacement of the un-British O.T.A. form of legislation by a form of Governmental control of the sale of liquors and permission to purchase wines and beers under a system to be devised by the Government, and that a referendum be held on the question of Government control. These petitions were very largely signed in Timmins and other sections of this part of the North Land. Indeed, it was a rare thing for anyone to refuse to sign, those approached usually being anxious to put down their own names and get others to sign as soon as they understood the nature of the petition. Apparently the petitions are being largely signed elsewhere in the Province also. Up to date a total of over 185,000 signatures is reported from Toronto headquarters and the intention is to continue the circulation of the petitions until there are half a million signatures.

**NEW COMPANY FORMED TO
OPERATE ST. ANTHONY MINE**

A new mining company has been formed to take over and operate the St. Anthony Mine at Bucke, Ont., west of Cochrane. Last year this mine was operated under the management of Mr. C. P. Charlebois, but it has been closed for some time past. There is a mining plant on the property and considerable exploration and development work done. It is claimed that there are enough ore reserves to keep the mill busy for two years or more. The new company taking over the property is understood to include Mr. C. Lorne Campbell, formerly of the firm of Campbell & Deyell, Cobalt. Mr. Campbell will take personal charge of the conduct of the property. The mill has been put in first-class shape and has a capacity of 140 tons of ore a day. Arrangements are said to be under way with New

York interests to secure sufficient finances for the aggressive development of the St. Anthony Mine, and the actual active re-opening is expected at an early date.

TIMMINS NEWS IN BRIEF

Mr. Andrew Pirie, of Shawville, Que., is visiting his daughter, Mrs. Geo. Helmer, of South Porcupine.

Mr. J. Perrault, now with headquarters in New Liskeard, was a visitor to town this week.

The direct wire service given by the Hamilton B. Wills Co., in reporting the World's Series was much appreciated in town.

The Ladies Aid of the Presbyterian church are holding a Tea and Sale of Home Cooking in the Clinic Room, opposite the Post Office, on Saturday, October 22nd., from 3 to 6 p.m.

The "At Home" given in the Masonic Hall on Friday evening last by the officers and members of Golden Beaver Lodge, A.F. & A.M., proved a most enjoyable and successful event. The music, the dancing, the refreshments, everything in connection with the evening was of the best and the large attendance present spent a very delightful evening.

Little Miss Margaret Easton had an unfortunate accident on Saturday evening but luckily escaped serious injury. In some way while at play she slipped at the top of the stairs, falling down the full length, some 14 feet, and striking her head at the bottom. She was unconscious for about five hours, but then recovered consciousness and was found to be practically uninjured. Outside of a bad bump on the forehead and a severe shaking-up the little girl is now none the worse for the accident which almost miraculously escaped being a tragedy.

**DAVIDSON STARTED MONDAY
ON DEVELOPMENT WORK.**

The Davidson Mine has been de-watered, and development work was started again at the property on Monday of this week. The Davidson has given great promise from the work previously carried on and with ample finances and energetic development work now it is confidently expected to carry on to success.

**PAIN IN THE PIT
OF THE
STOMACH?
Redmac Relieves It**

Truly wonderful how quickly you can get rid of all stomach trouble. Redmac goes right to the seat of the trouble. Mrs. Vanhorn, of Winnipeg, writes: I have suffered for years from indigestion. I would get such a sharp pain in the pit of my stomach, it would almost double me up at times. During this time I have not known what it was to enjoy a meal. I got very thin and weak. I have been taking Redmac and what a blessing it is to me. I can eat three square meals a day now.

If you want to feel fit, if you want good strong nerves, lots of good pure blood and plenty of energy and vitality, you get a bottle of Redmac and see how quickly it will put you on the road to good health. Go to your druggist today, and get a bottle of this wonderful Tonic, made from herbs and roots from foreign countries.

**REPORTS THAT KEORA WILL
RE-OPEN AT EARLY DATE.**

The recent flurry in Keora stock is generally attributed to the idea that the property will re-open at an early date. There is no official announcement in the matter but it is understood that arrangements have been finally completed enabling the Keora to re-open and carry through an extensive development and exploration programme. The report has it that the Keora will resume operations in the very near future.

BORN—To Mr. and Mrs. J. Gallagher, River Road, on Saturday, Oct. 8th., 1921,—a son.

**Commercial Weekly
Bulletin**

The Principal of the new Timmins Business College is hard at work these last two weeks. Students are progressing wonderfully, the only thing the college regrets is that a lot of the young people of the town have not yet awakened to the fact that they are missing a grand and glorious opportunity of being efficient Book-keepers and Stenographers by not taking a few months course in this school.

We are just giving you a TIP.
We will have lots of positions for our graduates, and if you want to be one of the fortunate ones, you must be trained.

Full information has been received by the Principal this week from the noted penman, A. F. Sprott, of the Commercial Text Book Co., Toronto, regarding the awarding of Progress Certificates and Writing Diplomas to students of the Timmins Business College, and Penmanship classes will be started this week.

Information regarding the Gold Medal Annual Writing Contest has not yet been received, but it is understood that the Timmins Business College is to be one of the Colleges in this contest.
