Herbert B. Smith, a mucker at the Mining Corporation property at Cobalt, was killed by a fall of rock in an open cut one evening last week.

Mrs. A. Ayotte and little daughter, Yvette, and young son, Master Gerald, left on Thursday last for a visit to Ottawa, Hull and other points east.

Mr. H. J. Baker, better known as "Larry," left on Friday last for Winnipeg to visit his sister, Mrs. S. Robinson. He is not expected back till Christmas.

As will be noted by the advertisement elsewhere in this issue and by the posters issued this week, there is a big Reduction Sale at A. Shaheen's, 72 Pine street, with a number of special values offered.

A Hallowe'en Social is announced for the Union Church, Schumacher, on Friday evening, Oct. 28th, at 8 p. m. There will be a guessing contest, games, refreshments, etc., and a general social good time enjoyed by all attending.

Mr. Robt. McMillan, T. & N. O. conductor, and Miss Mary McLennan, only daughter of the late Mrs. Esther McLennan, of North Bay, were united in marriage at North Bay last week. After a wedding tour in the south Mr. and Mrs. McMillan will take up residence in North Bay.

On Thursday morning last week the Fire Brigade made a hurry response to a fire alarm sent in because of the appearances of a chimney fire at the big boarding house on Balsam street, just behind Feldman Bros.' new store. It turned out to be nothing worse than a chimney fire, however. It was not necessary to use the water, and there was no damage done.

The Tea and Sale of Home Cooking, given by the Ladies' Aid of the Presbyterian church, in the Clinic Room, on Saturday last, proved a pleasing and successful event. A large number turned out for the event, despite the rather unpleasant weather, and the tea was an enjoyable social feature, with the home-cooking on sale of the best quality, as is the rule with all similar events under the same auspices.

The ladies of St. Matthew's Church announce a Bazaar and Tea to be held in the I.O.O.F. Hall on Nov. 17th. Afternoon tea will be served from 2 o'clock and a cold supper from 6 to 8.

The Iroquois Falls golfers expected here Saturday to play a match with a local team were unable to come for the occasion and the match accordingly has been postponed to a later date.

"Larry" Baker's bungalow, which he has been building on the River Road, is expected to be finished this week.

According to the decision handed down last week by Judge Hartman the appeal of W. A. Hanfield, owner of the Bilskey block in which the Cobalt post office is situated, against the town's assessment has not been upheld. The assessment of \$10,000 consequently stands. The argument of the owner was that since the building was leased to the Crown, it was not assessable, being Crown property. The owner is not a resident of Cobalt, so Judge Hartman sustained the town's view that the tenant (the Post Office) should be assessed jointly with the owner under the Assessment Act.

Fire Chief Drury, of Haileybury, is reported as seriously ill.

Mr. J. H. Black, of Toronto, is a business visitor to town.

Feed you babies Pasteurized Milk. Absolutely pure. —43a

Mr. and Mrs. W. F. Richardson left this morning for a visit to Haileybury.

Inspector Walter Moore, of the Provincial Police, with headquarters now at Cobalt, was a visitor to the Camp last week.

Mr. Dan McEachren, Liberal Candidate for this riding, was a visitor to Timmins last week, meeting old friends and new in the Camp and arranging for the perfecting of the organization for the coming election.

George Young, a Chinaman living on Main street, North Bay, was shot dead and his mother living in the same house was wounded Monday morning when two motor bandits entered the laundry for purposes of robbery. They also secured about \$15.00 in cash. The family were asleep when the bandits made their attack.

The Sudbury Star is real mean, indeed quite nasty, don't you know. In the last issue of The Sudbury Star appears this item:—"The Sault Hockey Club is endeavoring to raise \$5,000 to finance the team during the coming winter. The money, of course, is ostensibly to pay for railway and hotel expenses, etc. They needn't worry about raising money to defray expenses of any long trips to Timmins or Toronto, if that's the idea." Well, Timmins would just as soon trim Sudbury as the Sault. How's YOUR finances, Sudbury?

Mr. and Mrs. V. H. Emery and Mr. and Mrs. H. G. Skavlem gave a very enjoyable Hallowe'en Party to a number of their friends at the Masonic Hall on Friday evening last. Dancing, cards, etc., were enjoyed and all had a very pleasant evening. The hall was artistically decorated for the occasion, the decoration design being most attractive and original. A booth where apples and apple cider were dispensed gave a particularly pleasing special touch of Hallowe'en to the event.

The firemen had a run Saturday afternoon—a chimney fire at the Algoma Hotel. There was no damage done, and no necessity for turning on the water. The firemen had a practice run, with the usual quick time in response, etc. Also a big crowd gathered on the one stroke of the bell.

Mr. T. J. Flynn, of Haileybury, the well-known mining man, interested in many promising properties in various parts of the North Land, was a visitor to Timmins last week in connection with interests in this Camp.

Huntsville has suggested a new hockey league outside of the O.H.A., to include Spruceedale, Burk's Falls, Kearney, South River and Huntsville. Huntsville believes it has material for an O.H.A. team and for the new Northern League suggested. The multiplication of leagues does not seem to offer any particular advantages, so long as the O.H.A. and the N.O.H.A. have intermediate classes for teams that for the time do not feel in form to travel in senior leagues. But the suggestion at any rate indicates the general hockey enthusiasm evident through all the northern part of the Province this season.
