

## Timmins News in Brief

The next regular meeting of the Town Council is scheduled for Monday afternoon next, Nov. 14th.

Mr. J. P. Bickel, president of the McIntyre-Porcupine Mine, is a visitor to the Camp this week.

Miss Wang Caldwell, of Haileybury, spent the week-end the guest of her brother, Mr. S. A. Caldwell.

The Ladies of Charity are giving a Euchre Party on Friday evening of this week in the Union Hall, commencing at 8 o'clock. All are invited.

According to The Toronto Globe, "Arehie Briden, the Haileybury hockey whirlwind, is considering an offer to join Vancouver, and Edmonton counts him as lost."

Mrs. Richard Bullied, who has been with her daughter, Mrs. Chas. Foster, Schumacher, Ont., for the past two months, has returned to her home in Peterborough, Ont.

The ice is not yet safe, the proof of this being that a young lady this week went through while skating on one of the lakes of the district. The water being deep she was able to scramble out again, a wetter and wiser girl.

Mr. H. B. Wills, of Toronto, has donated a handsome silver cup as an international hockey championship trophy, for competition between Canada

and U.S. teams. Any team in Canada or the U.S.A. approved by the national association will be eligible for the competition.

Last week game wardens in and around Sudbury and Parry Sound arrested no less than 25 hunters, chiefly from Toronto and other southern points, for infractions of the game laws. Fines varying in severity to fit the several offences were imposed at Dunlop.

The case of Louis Giannini, of Cobalt, charged with wounding his wife by shooting her while he claims he was driving a man from the house at night, was again remanded last Saturday. The case will come up next Saturday. The man is out on a \$1000 bail and the wife is making rapid progress to recovery from the injuries received.

Special music featured the service at the Presbyterian church on Sunday evening, there being a large and effective choir. A special feature of the musical service was the solo by Mr. Davey whose singing was much appreciated by the large congregation present. Kipling's "Recessional" was well rendered by the choir. Rev. Mr. Parks preached a thoughtful sermon on the vexing conditions of the world to-day, and he made it plain that in his opinion there were very serious days ahead for the world and for civilization unless the Christian nations turned to the true fundamentals of civilization—equity, justice, righteousness and love.

Miss Laura Brazeau entertained a number of her friends on Thursday evening last at her home here, and the forty or fifty present were agreed that it was a most delightful evening, and Miss Brazeau an ideal hostess. A pleasant evening was passed in cards, dancing and other social enjoyments, and a most attractive luncheon was served. During the evening Mrs. Acton, Mr. Carl Mueller and Mr. Jos. McGrath favoured the gathering of friends with very pleasing solos that were much appreciated and enjoyed. Another feature of the evening was the instrumental music furnished so well by Mr. O. B. O'Brien.
