COCHRANE'S LIGHT AND POWER SERVICE CURTAILED

Cochrane's Power & Light system, which is now under municipal ownership, has been undergoing some changes and repairs, and for the past month or so and for a few days longer, the service to the public is very much curtailed. Each one of the moving picture houses is closed for two evenings a week, and the town is divided into three sections, each section getting service two nights a week. It is quite a handicap to the Town of Cochrane, and if the plant were under private ownership there would be one great old pleasant time for the company, eh? This is not to say that the curtailment is not necessary or expedient, but to suggest that sometimes the public has to suffer temporarily for its ultimate advantage. It would be the same under private ownership as under municipal, but it would be difficult to make the public believe it.

INDEPENDENT CANDIDATE HOLDS MEETING IN TOWN

Mr. D. Bertrand, of South Porcupine, held a meeting Sunday afternoon in the Old Empire Theatre to explain his platform as a candidate in the present election contest in this riding. The attendance was rather small, about a score, but Mr. Bertrand was not discouraged by this but proceeded to deliver a forceful address, with many witty touches to it. The chief plank in his platform is the secession of Northern Ontario from the rest of the Province, so that the North may have a fair chance for development. Mr. Bertrand, however, does not appear to be happy in his choice of boundaries for his proposed new province, taking in as he does large sections of eastern Ontario that have as little in common with the North as other parts of the older part of the Province.

PLEASING OBSERVANCE OF ST. ANDREW'S NIGHT.

The Caledonian Society of Timmins observed St. Andrew's Night in very pleasing way at the regular meeting of the Society in the I.O.O.F. Hall on Friday evening last. The evening proved a most delightful one to the eighty or ninety Scots and Scotswomen present. The President of the Society, Mr. M. B. Scott, occupied the chair and carried the meeting along in his usual happy way. After the regular business of the Society, which included the acceptance of ten or twelve new members, a first-class pro-

gramme of musical and literary numbers was enjoyed. This programme was interspersed with dance numbers much enjoyed by the gathering, Mrs. A. G. Mackay, Mr. Cowan and Mrs. J. K. Moore in turn presiding at the piano for the various dances. A luncheon served during the evening was also another very special and pleasing feature. The musical and literary programme was of special excellence. Solos by Mrs. Acton, Mrs. M. McCullough, Miss Jean Roberts and Mr. W. G. McHugh won on their merits the enthusiastic encores given. It was Mrs. Acton's first appearance on a programme of the Society and her fine voice and capable rendition delighted all. Mrs. McCullough also won the appreciation of the audience, while both Miss Roberts and Mr. McHugh are always popular favourites at Caledonian gatherings and on this occasion even excelled themselves. Mrs. Murdoch's recitations were much enjoyed and appreciated. Both selections given displayed her unusual elocutionary gifts, and the understanding and clearness of enunciation with which the numbers were given made them very attractive. When the meeting broke up with "Auld Lang Syne" there was a general disposition to call the evening "one of the very best yet."

MICHIGAN "SOO" SHOULD NOT BE ADDED TO N.O.H.A.

It is somewhat difficult to understand the attitude of mind of those delegates at the annual meeting of the N.O.H.A. at North Bay recently who voted in support of the resolution recommending the O.H.A. to permit the Michigan "Soo" team to play with the southern group of the N.O.H.A. Two of the three teams in this southern group of the N.O.H.A. opposed the proposal very strenuously and they had the arguments all on their side apparently. Indeed, the only apparent general excuse for the proposed inclusion of the American "Soo" would be the desire to be friendly with our good "American cousins." As a matter of fact, however, friendliness can scarcely be fostered by any such plan. The truth that two of the three teams in the group oppose the entry of the Michigan "Soo" for very sound reasons should settle the matter. In any case the opposition would not make for any cousinly friendliness, but rather cussedly unfriendliness. Why delegates from teams having no direct concern in the matter should go against the expressed wishes of those directly concerned is one of the oddities that always crop up in conferences and gatherings. The N.O.H.A. apparently recognized the fact that it had no authority to take in the American "Soo" team. But why pass the buck to the O.H.A. The O.H.A. has consistently refused admission to Detroit, Cleveland and other United States clubs that desired to play in the Ontario Association. The Canadian Amateur Hockey Association has more than once expressed itself to the effect that it has no jurisdiction outside of Canada and its activities are naturally confined to Canadian Hockey Clubs. Any other attitude would be absurd. And the O.T.A., as an affiliated body of the C.A.H.A.,

must conform to the same principle. The American "Soo" being outside the jurisdiction of the Canadian Hockey Association should not expect to be included in any Canadian series where the authorities would be utterly beyond their authority in attempting to control the visiting players. The only logical way for the American "Soo" to try to get into Canadian hockey is for them to start an agitation for the secession of Michigan to the Dominion of Canada.

As a matter of fact, the resolution passed by a vote of 11 to 10 at the meeting of the N.O.H.A. at the Bay seemed to be moved and passed under several misapprehensions. It would appear that the matter, indeed, should not have been brought up again at all, having previously been discussed by the Executive and a decision arrived at. In the passing of the resolution it may be noted that those directly concerned,—with the exception of the Canadian "Soo",—were opposed to the proposal, while the majority of votes was secured from delegates representing towns far from having any direct interest in the question. Some of the delegates were new men to the N.O.H.A. and some represented towns that did not have senior teams even. The delegates from Timmins and Iroquois Falls,—old-time hockey towns of this far North,—opposed the inclusion of the American "Soo," recognizing the difficulties that would be certain to arise. In a letter to the Secretary of the N.O.H.A., Sudbury last week made it plain that it would feel justified under the circumstances in refusing to play the American "Soo" when any game with that Club would affect the standing of the group. Hockey fans generally will feel that Sudbury is fully warranted by the facts and circumstances. And the general hope will be that by a direct refusal the O.H.A. may settle the question conclusively.

THE UMPES

Strike One.
Now listen to the guys up in the stand
Just hear the crazy knockers bawl.
The way that in-shoot out the plate was grand:
Them boobs can't see from there at all.
Foul, Strike two.
Outside of first a foot, but hear them howl:
Dead sore to lose that lengthy clout.
They know as well as me that ball was foul,
And yet they're yelling "Take him out."
Ball One. Naw, it didn't hit ye. Come back here.
The nerve some players has sure makes me sick;
He knows I know he wasn't hit,
But still he'll stall and hold his side and kick:
Just hear them bleachers throw a fit.
Strike three. Batter's Out.
That split the plate dead centre to an inch,
And now they're standing up to kick:
I'll tell the world an Ump ain't got no cinch—
Some guy just missed me with a brick.

LIBERAL CANDIDATE'S POLICY PROPOUNDED

Big Crowd, Good Speakers, at Enthusiastic Meeting in Interests of Mr. D. McEachren.

There was a big crowd at the New Empire Theatre last Thursday evening at the meeting held in the interests of Mr. D. McEachren, Liberal candidate for Temiskaming. Every seat, upstairs and down was taken. The Mayor, Dr. McInnis, presided, introducing the speakers in his usual witty style. The speakers were Messrs. Geo. A. Smith, of Cochrane; Mr. McEachren, the candidate; M. Gaston Delisle, of Montreal; and Mr. MacLang, M.P.P. Among the others on the platform were Reeve Gallagher of Tisdale, and Councillor T. F. King, of Timmins.

Mr. Smith, himself a returned man, spoke largely on returned soldier problems. He lauded Mackenzie King as a friend of the soldiers and a capable and gifted leader. He thought Mr. King would win both in North York and in the country at large. Mr. Smith also referred to a rumor that he had heard that there was a scheme on to oust Mr. King from the leadership of the party and replace him with a Quebec leader. Mr. Smith gave emphatic denial to this, suggesting that it was "a yarn of the enemy."

Mr. McEachren made a vigorous speech that was followed with general interest. He paid high compliment to the services given to Timmins by Mayor McInnis and asked the people to support their Mayor in every way as he had sacrificed much for the public service of the town. Mr. McEachren then in rousing fashion outlined his policy and the platform of his party, as well as replying to criticisms from his opponents. He suggested that the Liberal Party policy gave the farmers and labour what they desired and that it should accordingly receive their support. He had some criticism for the Creer party and its class programme. Touching on tariff matters, he said that there was much bunkum about protecting home industries. He said he had learned for instance that there was no such thing as a hose factory in Canada in reality though the industry was protected by the tariff. The hose was made in the U.S.A. and simply finished at the Canadian factories. Mr. McEachren criticized the Government for many things, and concluded a stirring speech with a request for the support of all who agreed with his views.

Mr. Delisle was easily the star speaker of the evening. He spoke in both French and English. In both languages he showed an eloquence unusual and most pleasing. He had many compliments for Mr. McEachren, Mr. Mackenzie King and the Liberal party and prophesied a victory for all in this election. His eloquence delighted all, even those disagreeing with his viewpoint.

Major MacLang, M.P.P., was given a rousing old greeting. He made a brief but very effective speech, asking the support, the work and the influence of all to elect Mr. McEachren. He warned "progressive" minded voters against splitting their votes, and asked them to unite for the Liberal candidate.

The meeting closed with the National Anthem, followed by cheers for the candidate, for Mr. MacKenzie King, for Mr. Delisle and for the Major of Timmins.

NOT PUBLIC SERVANTS, SO CAN FIGHT IN ELECTIONS

At the opening of the present election, Mr. E. E. Sheppard withdrew as a candidate in Temiskaming, it being understood that this withdrawal was caused by Premier Drury's attitude that "public servants" should not take part in election campaigns. Mr. Sheppard being a conductor on the T. & N. O. Railway, which is owned by the Ontario Government, was no doubt considered a "public servant" and so debarred by Mister Drury from any part in elections. Premier Drury said that men who were the servants of all the people should not be allowed to take part in party contests as such part would prejudice the general public confidence in the public servants of the Province. On the other hand Attorney-General Raney has been campaigning for the Liberal party and for the Farmers' Party of Canada in the present election. A recent speech of the Attorney-General has been widely quoted as campaign literature for Free Trade. This may appear as inconsistency at first sight, but it isn't. Raney is not a public servant in any way. He is simply the servant or the boss of certain little cliques and classes. He serves the anti-booze fanatics, the anti-Sane Sunday folks, the anti-horse-racing people and all the other antis, except the anti-bilious. Naturally Mr. Drury has no fault to find with Mr. Raney for political activities and party schemes.

FORMAL OPENING OF RINK LIKELY IN FEW DAYS

The formal opening of the Timmins Rink for the season is likely to be held in the course of the next few days. It was intended to hold the formal opening this (Wednesday) evening, and the Timmins Band was engaged for the occasion, but the "soft spell" yesterday spoiled the practicability of this, and so the opening has been deferred for a few days. It is, however, likely to be some evening this week. Manager Jack MacLean says it all depends on the cold-weather man.

HOCKEY PRACTICE DREW BIG CROWDS THIS WEEK

The first hockey practice this season was held on Monday evening of this week, and there was a big turnout of players on the ice. Most of them, Seniors, Intermediates and Juniors alike showed up well, and suggested a lively hockey season. The interest felt in town in hockey this season was evidenced by the big crowd that turned out to witness this first practice. The crowd filled the better part of the rink. Anyone coming into the rink would naturally think there must be a game on. Tuesday evening the hockey boys had another workout, and all look promising. The chances look good for high-grade Junior, Intermediate and Senior Hockey here this season.
