

NATIONAL LINES CLEAR MILLION DURING OCT.

"It's the Best Advertising We Can Get," Says President D. B. Hanna.

The Canadian National Railways cleared over a million dollars on October's operation. In other words the gross earnings exceeded the operating expenses by \$1,036,130.

Here are the official figures:

Gross earnings \$12,906,133.97
 Operating expenses ... \$11,870,003.63
 Net earnings \$1,036,130.34
 "Nothing succeeds like success," said Mr. D. B. Hanna, president of Canadian National Railways. "That first little net of \$47,000 for August put new life into the organization,

and what's more, it helped with a big section of the public. We find that there is all over Canada a better feeling towards the National System. The fine service given by the C.N.R. in handling the grain this fall has also had something to do with it.

Is Good Advertising

"The net of half a million dollars, announced for September," continued Mr. Hanna "is helping us now; and the net of \$1,036,130.34 in October means more business for us in December and succeeding months. It's the best advertising we can get. Many business men too busy to follow the ins and outs of the railway question, could not understand the deficit—they did not like the idea that money they paid us for freight would go into a deficit. Now when they see we are out of 'red' figures they are giving us more of their business. We need long haul traffic and if we can get enough of it we will pull out even in

December—unless the weather is very bad—notwithstanding the forthcoming reduction in rates. January and February are bad months to face but we are not at all despondent about the future and if the lower rates prove any help to business the railways will certainly be pleased to handle it. Greater volume of business is what the National Railways want for Christmas and our socks are hanging up all along the line from the Atlantic to the Pacific" concluded Mr. Hanna. Toronto Star

PORCUPINE LAKE CLUB READY FOR WINTER SPORTS

Dome and South Porcupine people have organized the Porcupine Lake Club with the avowed purpose of fostering winter sports and providing wholesome outdoor recreation and amusement. Success certainly has attended their efforts so far. The slide on the lake near the pumphouse is a beauty. It has a drop of about 200 feet from the top to the ice, and one toboggan went nearly another 200 feet one day last week after coming to the ice surface. Only about 48 feet of tressil work was necessary to complete the slide, the rest of the slide being natural ground and the lake ice surface. At the top of the slide a 500-watt nitro-tungsten lamp and reflector have been placed and this illuminates the whole slide. On Sunday about 150 people took advantage of the pleasure of the fine slide.

The officers of the Porcupine Lake Club as recently elected are:—

President—Dr. N. D. Liberty.
 Vice-President—E. G. Dickson.
 Secretary—R. Hawkins.

The formal opening of the new slide is scheduled for Friday evening of this week, Dec. 16th. Tobogganing will commence at 7.30. At 10 o'clock there will be a chicken supper at the Dominion Cafe for the members of the Club. The Club has already over 45 members.

Mr. B. V. Harrison, of Cobalt, was a visitor to the Camp last week.

TIMMINS BOWLING NOW OFF TO A GOOD START

Six Teams in Local League. The Game Wednesday Night a Close One.

Timmins bowlers now have their league going along with a swing. For this season there are six teams, these teams being captained respectively by Messrs. Viland, McLean, Alton, Brazeau, McIntyre and McGraw. It is expected that this season's games are going to be especially keenly contested. In any event the teams are putting up good games and the winners will have to work for any victories. There is great interest in bowling and a goodly amount of wholesome recreation and amusement is looked forward to. The game on Wednesday evening last between Mr. Viland's team and Mr. McLean's was very closely contested, the victorious team only winning by two pins.

Wednesday evening, Dec. 7th, McLean's team won by two pins. The scores follow:—

Mr. A. J. Kennedy made a remarkably good run in the recent elections. Perhaps he would have done even better if some misguided newspapers hadn't made such a fuss over his alleged statement that he would not under any circumstances hold a meeting or do any canvassing on a Sunday.
