

COOKING with Mazola, the pure oil of corn, has so many advantages over cooking with animal fats that one trial is all that most housewives require. And how good it is on salads! Never gets rancid.

ANNUAL MEETING OF THE TEMISKAMING C. A. S.

Successful Year Passed. Officers Elected for the Ensuing Term.

The annual meeting of the Children's Aid Society of the District of Temiskaming was held at Haileybury on Dec. 3rd, with a good attendance from the various parts of the District. Mr. N. J. McAulay presided at the meeting in the unavoidable absence of Mr. R. S. Taylor, the president of the Society for 1921.

The report of the Secretary, as given elsewhere in this issue, was received and adopted. It shows the Society to be in good condition and doing very effective work. The Treasurer's report was also gratifying, showing the finances to be in a pleasing condition.

The following were the officers elected for the ensuing year:—

Honorary Presidents—Thos. Magladery, M.P.P., Mr. Mac Lang, M.P.P., Prof. J. Sharp, Mayors of Cobalt,

PORCUPINE DISTRICT ASSAY OFFICE

Open to all prospectors and mines.

Samples may be left at Curtis Drug Store.

Laboratories—At Northcrown Mines.

GEO. CARSON, Assayer. Timmins, Ont.

New Liskeard, Haileybury, Timmins and Iroquois Falls and D. W. McLeod. President—N. J. McAulay, Haileybury.

1st. Vice-Pres. Frank K. Ebbitt, Iroquois Falls.

2nd. Vice-Pres.—Mrs. M. Binkley, New Liskeard.

3rd. Vice-Pres.—Mrs. W. R. Lowery, Cobalt.

Treasurer—Geo. T. Smith. Secretary and Agent—Robert LeHeup.

Assistant Sec.—Martha Owens. Auditor—H. A. Day.

In his address the new president congratulated the officers for 1921 on the excellent administration of the Society's affairs for the year and the general success achieved. Mr. McAulay thought a copy of the Secretary's and Treasurer's reports, together with the Year Book of the Society should be placed in the hands of everyone interested in the welfare of children.

Mr. R. LeHeup, Secretary and Inspector of the C.A.S., told the meeting that the Year Book would be ready for distribution in a few days. It contains a brief historical account of the Children's Aid Society, and a review of its aims, objects and methods. Special reference is made to the work carried on in Temiskaming. The Juvenile Court also is given attention. The following paragraph in this regard may be of particular interest:—

"We are fortunate in Temiskaming in having a Juvenile Court, and also in having a Judge of that Court with such an insight into the workings of the juvenile mind that his handling of cases of juvenile delinquency is remarkably successful. Judge Atkinson obtains these results by treating the juvenile

offender as a misguided child and not as a criminal, and where possible makes the parent responsible for the misconduct of the child. This course makes the parent realize that he must exercise some control and supervision over his child. A child is only committed to an Industrial School when all other corrective means have failed." The interest of the booklet is further increased by a number of views of the C.A.S. Shelter, at Haileybury, as well as some pictures of wards of the Society.

The annual meeting received very inspiring and encouraging reports from the Temiskaming Society's branches at Timmins, Cobalt and New Liskeard. These reports showed the great interest being taken in the patriotic work of guarding the welfare of the children.

N.O.H.A. ARRANGING FOR REFEREES FOR SEASON

Last week the secretary of the N. O.H.A. sent out to each of the clubs in the league a letter regarding referees for the season. The letter asks that each club recommend to the N.O.H.A. those capable of handling games and willing to officiate as referees. From the recommendations to be received from the clubs the sub-committee meeting at North Bay on Saturday if this week will select the referees for the season.

This season the N.O.H.A. will see that the referees are fully protected and players using threatening or abusive language to these officials will be severely dealt with. To ensure a uniform interpretation throughout the north of the rules, etc., the N.O.H.A. has appointed the following to confer with the referees when appointed and instruct them in the rules and their interpretation, so that there may be uniformity and freedom from all local influences:—

Sault St. Marie—A. A. Pinkney. Espanola, Sudbury, Blind River and Little Current—J. P. Mader, Sudbury, and A. R. Regan, Espanola.

North Bay—H. P. Charlton and M. J. Kelly.

Cobalt, Haileybury and New Liskeard—A. D. Campbell, Fred E. Thompson and T. J. Dunnean.

Iroquois Falls, Timmins and Cobalt—G. W. Turk and Geo. Leke.

There seems to be more interest taken in the result of the election that there was in the contest when it was in progress. It's a funny world,—this North Land.

20 PER CENT. DISCOUNT SALE

Men's and Boys' Department

December 13 to December 31

Be a Thoughtful Santa Claus This Christmas

Give Her Freedom from Wash-Day Drudgery for a Lifetime

SURPRISE her this Christmas. She is expecting, hoping for something practical. Watch her face light up with happiness when she sees at the foot of the Christmas tree this handsome, washday servant—and realizes that her drudgery days are over. That here, at last, is the gift she has secretly hoped and wished for, a

1900 CATARACT ELECTRIC WASHER

Washday becomes a pleasant day when the 1900 Cataract enters the home. It ends hard work. It ends rubbing. It puts an end to the back-breaking task of wringing; and gives a whiter, cleaner result.

Everything can be washed in the 1900, even heavy sheets or blankets. The cleansing, soapy water rushes back and forth, swishing through the clothes with every motion of the tub, and four times as often as in the ordinary washer! There are no parts in the tub to cause wear and tear, or to wrench off buttons.

The swinging reversible wringer works electrically; the entire cost of running the 1900 is only 1c. an hour. You can buy a 1900 Washer on deferred payments and have the use of it several weeks on approval before you pay any money, or even commit yourself positively to buying it.

We believe you will like it so well that you'll not want to part with it afterwards.

Solid Copper Nickel Plated Tea Pots, Coffee Pots, Percolators, many designs—real practical gifts.

Our Casseroles

Are various in Design and include some very useful sizes. Our Pyrex Casseroles are numerous, and better still, our prices are right.

SOVEREIGN ELECTRIC IRONS

Are the recognized standard of iron perfection and what could be more sensible as a gift for Mother.
