DO YOU SEE WELL?

Adjusting and fitting glasses should not be attempted by anyone unskilled in the work. It is not alone a question of good looks and comfort. Glasses to be right and helpful to the eyes must fit correctly, otherwise the eye muscles are subject to a continual strain which most often results seriously.

We use every aid known to modern Optometry. Our lenses are ground correctly our glasses fitted and adjusted so that the lenses are capable of fulfilling their duty without the handicaps of misfits and poor design.

An occasional examination, - and keeping your glasses in proper adjustment will aid greatly in keeping your eyes fit.

Timmins and District Notes

The big sport feature for next month should be the Porcupine Dog Team Race.

Mr. T. J. Flynn, the well-known mining man, was a visitor to the Camp last week.

Like old-times! Trains running late! Wrecks and rumors of wrecks! Good old T. & N. O.!

Mrs. Jos. P. Brewer, who spent the past two weeks the guests of her sons in town, returned on Thursday to her home in the east.

A home soiree was given Sunday evening at the home of Mrs. Jos. Boisvert, Swastika, in honour of her sister, Nurse Boivin. A large number of friends were present.

Mr. R. Buchanan, an old-timer of the Porcupine, recently with the Ontario Government's Geological Survey Dept., has returned to the Camp and joined the Hollinger staff.

There was another wreck on the Porcupine Branch on Tuesday morning. No one hurt. Something went wrong again with a switch, it is said, causing this second wreck this week.

The regular meeting of the Caledonian Society of Timmins will be held in the I.O.O.F. Hall on Friday evening, Jan. 13th. One of the features of the evening will be an address on "The Scot," by the President, Mr. M. B. Scott.

Preparations are now under way for the annual Burns Banquet of the Caledonian Society of Timmins. The event this year will be held in the Masonic Hall, Timmins, on Thursday evening, January 26th, and a very pleasing programme is being prepared.

In the list of officers installed last week at Timmins Lodge, I.O.O.F., the name of Mr. Sol. Shankman was inadvertently omitted. Bro. Sol. Shankman occupies one of the important offices in the Lodge, being duly installed last week as Chaplain for the ensuing term.

The special at the New Empire Theatre on Friday and Saturday of next week, Jan. 20th and 21st is "The Four Horsemen of the Apocalypse." This is one of the most noteworthy motion pictures of recent years, and has made an unusual impression wherever shown. It is full of great scenes and spectacular action with a gripping story, in all a picture that will hold the attention from beginning to end.

Sunday evening shortly after church an alarm of fire from Box 13, Marshall-Ecclestone's corner, caused a little excitement and anxiety, as this is the box number that has given the alarm for practically all of the few serious fires the town has ever had. The fire Sunday evening, however, luckily was only a chimney blaze in the McCormick block and no damage was done. The brigade made the usual record response, if anything a little more "record" than even the usual very prompt get-away.

ANNUAL MEETING AND BANQUET OF FIRE BRIGADE

The annual meeting of the Timmins Volunteer Fire Brigade was held in the Fire Hall on Monday evening and the following are the officers duly elected for the ensuing term:-
President—A. F. Carriere.
Deputy Chief—W. G. Smith.
Captain—J. T. Easton.
Sec. Treas.—J. Morrison.
Committee to Visit the Sick—The President, the Secretary-Treasurer and the Fire Chief.

Entertainment and Amusement Committee—Pete Taylor, A. G. Carson, M. Daher and Fire Chief A. Borland.

Following the business of the meeting there was the annual banquet, an event that is always a delightful success, but this year it was a super-success, the best yet. The banquet itself was something special in the way of quantity and quality in things to eat, and Mrs. Borland came in for very sincere and merited thanks for her good work in superintending the preparation of the fine supper provided for the occasion. After the banquet there were brief but pleasing addresses by Dr. McInnis, the Mayor; Councillor L. S. Newton, chairman of the Fire & Light Committee; G. A. MacDonald, Editor of The Advance; Fire Chief Borland, Deputy Chief W. G. Smith, President Carriere, Ex-Pres. A. G. Carson, and a host of others. In fact every one present made a little speech or told a story or did both, and some told several good yarns. The Mayor and Councillor Newton referred to the efficiency and recognized high standing of the Timmins Fire Brigade. "The best Fire Chief and the best brigade in Canada," they agreed. A very pleasant social evening was enjoyed and the meeting closed with cheers for the Mayor, the chairman of the Fire & Light Committee, the Fire Chief, Mrs. Borland, and the permanent men on the brigade. Then the visitors carried three rousing cheers and a tiger for the Chief, the Brigade and Mrs. Borland for the pleasant banquet and social evening.

A Very Happy and Prosperous
New Year to All.
