LISKEARD DROPS OUT OF SENIOR N.O.H.A. SERIES

This Leaves the Battle for Group
Honours Definitely Between
Porcupine and the Falls.

Word was received here yesterday from Iroquois Falls to the effect that New Liskeard yesterday morning wired the Falls that Liskeard was dropping out of the N.O.H.A. Senior series. It is understood that the reason for Liskeard's action is the fact that the Farmers' Club has found it difficult to finance Senior Hockey this year particularly as the team has had poor luck so far as winning games is concerned. Liskeard has lost three and tied one game with Porcupine and lost two to the Falls. The Falls was to play at Liskeard on Thursday and Saturday of this week, but these games will now go to the Falls by default, as well as the two later home and home games. In the same way the Porcupine team will be credited with a win each for the home and home games with Liskeard scheduled for Feb. 4 and Feb. 14.

The dropping out of New Liskeard leaves the Porcupine and the Falls to fight it out for group honours. The games still to be played are:—
Timmins at Iroquois Falls, Wednesday Feb. 1st.

Iroquois Falls at Timmins, Wednesday, Feb. 8th.

To tie with the Falls the Porcupine team must win both these games, and the boys are out to do that same. Here's hoping! And good luck!

The standing of the teams, counting New Liskeard as withdrawn, would be as follows, the tie with Liskeard in this event counting as a win:—

Iroquois Falls, won 9; lost 1; to play 2.

Porcupine, won 7; lost 3; to play 2.

New Liskeard, won 0; lost 12.

New Liskeard has played six games, losing three to Timmins, tying one with Timmins, and losing two to the Falls. There were six games for Liskeard still to play, four of them being home games.

SQUARE AND ROUND DANCES AT ANSON'S, RIVER ROAD

A new dance hall has been opened at Anson's Ice Cream Parlors, Mattagami. Every Monday, Wednesday and Friday evening is reserved for Square Dances, and there will be Round Dances every Tuesday, Thursday and Saturday nights. There will be the best music for these dances. Dancing will commence each evening at 8 o'clock sharp.

U. F. O. MEMBER SUGGESTS "LIQUOR COUPON" SCHEME

These has been rather wholesale condemnation of the narrow-mindedness of the U.F.O. gang. But apparently the U.F.O. is not quite as bad as Sodom and Gomorah. The U.F.O. may, after all, have one righteous man in its parliamentary representation in this Province. Wilson Crockett, U.F.O. member for South Wentworth, announces a new system of government control of liquor by which householders, for \$2.00 a year, could receive coupon books entitling them to purchase a quart bottle of whiskey every two weeks in the month, or 24 in a year. Mr. Crockett is reported as affirming that this matter is to be discussed in Government caucus, as well as such matters as unemployment insurance and extensions of rural credit systems. Mr. Crockett is further announced as ready to introduce the proposed legislation at the next session of the Ontario House. In reply to these reports, Hon. Mr. Raney, who is understood to dislike Cooze himself, is quoted as bitterly opposed to Mr. Crockett's suggested plan. If Mr. Raney doesn't like a drink why should anybody else dare to think of a drop. Rev. Ben Spence, the temperance phonic, when asked about Mr. Crockett's proposal is credited with replying, "Dop! Bah! Piffle!" The same to you, old top!

BILL BRYDGE NOT VERY POPULAR IN LISKEARD, NOW

In its last issue The New Liskeard Speaker devotes considerable space to a round roast of Hon. Bill Brydge, the Iroquois Falls heavyweight hockeyist. Hon. Bill refereed an Impermediate game between Haileybury and Liskeard, and according to a gentleman quoted by the Speaker, "I never saw a worse handled game in Liskeard." That is pretty severe, but the Speaker implies even more. The game, it suggests, was rough, very rough, indeed quite nawsty, don't you know, and the Hon. Referee never saw anything. Two or three were laid right out, and one Liskeard lad had his nose broken, but still the referee saw nothing wrong. Perhaps Mr. Bill Brydge had a different idea of roughness in hockey than that held by the Speaker. Likely so. Further the Speaker thinks that a competent referee could have been secured from either Haileybury or Cobalt, thus saving the expense of bringing a man from Iroquois Falls. The Advance agrees with the Speaker in condemning rough stuff in hockey. It's no good; it's not hockey, and it's by no means "ericket." The rough stuff spoils the game in reality in every way, if only players and spectators would realize that. Liskeard should be given due credit for not featuring the rough stuff but always trying to play hockey. Referees should make a point of "canning" the rough-house guys on every occasion. The less butchery the better hockey.

REPORT OF T. & N. O. SHOWS SURPLUS OF \$181,778 FOR YEAR

The report of the T. & N. O. Railway for the year ending Oct. 31st. 1921, was recently completed and shows a surplus of earnings over expenditure of \$181,778.89, according to reports made last week. The figures only deal with the actual operation of the road for the year. On October 31st, a cheque for \$200,000.00 from net earnings was handed the Government. The total earnings of the T. & N. O. for the year ending Oct. 31st. 1921 were \$4,680,645.42, while the expenditures amounted to \$4,498,866.53. The gross earnings are given as \$4,680,645.42. The freight earnings were \$3,047,925.00; passenger earnings, \$1,223,357.00; express and telephone earnings, \$255,529.00. The total expenditures were \$4,498,866.53, which included, maintenance of right of way, \$960,483.00; transportation, \$2,233,312.00; maintenance of equipment, \$736,799.00; hire of freight cars, \$310,342.00.

According to the report of the Railway the equipment has been well maintained and is up to date in every respect, all safety appliances, having been adopted. The T. & N. O. also had the distinction of being the first railway in Canada to adopt the "Booster" engines which have proved a great success and will likely be very generally adopted now that the T. & N. O. has shown their usefulness.

The Chairman says that the railway and Commission have received the heartiest co-operation and support from the Government.

The T. & N. O. has about 300 miles of line, including branches, the main line being between Cochrane and North Bay.

In a letter announcing the inauguration of Cobalt's new newspaper The Northern News, Mr. Richard Pearce, speaking for himself and his brother, Norman, says: "If the new paper is as good as The Advance, we'll be satisfied." Ambitious boys, those Pearce lads! Nothing like aiming high!

HOUSE FOR SALE—6-room bungalow, all hardwood throughout; cement basement, with furnace. Apply to 82 Elm street. —2-5p.
