HOW THE FALLS VIEWS LAST WEDNESDAY'S GAME

(Continued from page 3)
piece of combination work between Fahey, Shorty and Brydge. Half a minute later Bill Brydge scooted down the ice, fooled McCurry and passed to Shorty in center, who scored. Falls 6, Timmins 0.

Still another brilliant piece of passing scored in this period. Fluker slid off down the ice with Joe and Bill Brydge across from him. Fluker passed to Joe who did not have a good position for a shot. He passed it out to Brydge who netted it nicely. Kelly, Brennan and Yankoski were all given a rest, leaving only four men of the Falls on the ice. Ted did great work, once having to jump clean across the net to stop a nasty side shot from Brennan. A fraction of a second after the bell rang for time, Shorty landed the rubber in the Timmins goal too late to count.

Third Period

The ice had begun to get sticky by the third period, and there was a lot of over skating the puck. In spite of that the third period was the best from the spectator's standpoint. Our boys with the lead of 7-0 lay back a little and Timmins on the other hand determined to win, played their best, with the result that it was ding dong hockey with anybody's chance to score, all through the period.

There were only two penalties in this period. Brennan tripped Shorty and was retired. Later on Shorty was put off for being too rough to Cameron. It was a joke. Cameron tripped Fahey, who was hurt and had to go to the dressing room, but he was not put off. Steve replaced Fahey.

Ted was called on to make a couple of very difficult stops, which he negotiated nicely. The third one went high over the net and struck the wire netting falling down right in front of the goal. Brydge managed to clear to the side, but McGuire grabbed the puck and nestled it in the net for Timmins' first score. The Falls retaliated through a fine run by Lin Fluker, who passed to Joe Chirooski and netted another, making the score. Falls 8, Timmins 1.

Keeley and Cameron were dropped back on the defence and McGuire put up forward in an effort to score. McCurry, who had his back hurt, did not appear in this period. Brennan, who had been very active in shooting, sent in a difficult one which Ted stopped, but Cameron got on the bounce for a tally.

Falls 8, Timmins 2.
A minute afterwards, Keeley took the puck down, passed in to Brennan, who passed to McGuire at the side,

who again scored. Scully at this time was playing a great game. Our boys were sending in shot after shot. They had bored through the defence and were shooting from a couple of feet in front, but his body seemed a magnet to the players shooting and instead of sending them into the corner, they were sent direct at his body.

Scully had stopped half a dozen good shots, when Fahey gave another exhibition of his good passing and Shorty touched the net for the ninth tally for the Falls.

McGuire and Cameron combined a couple of minutes before time for Timmins' final score.

Falls 9, Timmins 4.
One of the pleasant features of the Falls' victory on Wednesday night, was the way the Timmins men took their defeat. Scully, the goalkeeper, went into the dressing room afterwards, and shook hands with the boys, congratulating them on their win, and expressing the hope that they would beat the Soo.

Dr. McInnis, Mayor of Timmins, and a couple of other Timmins men, also paid a visit to the dressing room. "You deserve to win" said the Doctor, "and we in Timmins hope heartily that you will win when you meet the Soo for the championship of the North. Good luck to you." The Doctor, incidentally, gave his professional aid in patching up the wounded.

Dr. Brown, President of the Timmins Hockey Club and T. M. White, another official, both congratulated members of the Hockey Executive in the Falls on the victory, and also expressed the hope of final victory against the Soo.

The Timmins bunch put up the hottest kind of a fight for the championship, and the fact that when defeated, they can congratulate the other fellow, shows that they are good sports.

COMING HOCKEY GAMES IN THE MERCANTILE LEAGUE

Great interest is being shown in the games in the recently organized Mercantile Hockey League, and the games are being looked forward to with much anticipation of fun and good sport. The following are the games still to be played:—

The games are to start sharp at 7 p.m., as the two games must be finished before 9 o'clock, as skating starts at 9 sharp.

Mrs. S. G. McCoubrey and family left Iroquois Falls last week to join Mr. McCoubrey who is now employed at Three Rivers, Quebec.

TIMMINS JUNIORS TO PLAY FALLS JUNIORS THURSDAY

Timmins Juniors play at the Falls tomorrow (Thursday) in the N.O.H.A. Junior Series. The game was originally scheduled for to-day, but by mutual consent has been changed to tomorrow (Thursday). The boys from Timmins are going over determined to win if at all possible. There are only four games in the Junior N.O.H.A. series, two here and two at the Falls. Two of these games, home and home, have already been played, with the Falls winning both. If the Falls wins the one tomorrow night, it gives the Paper Town Juniors the championship of this group. The last game on the schedule is dated for Feb. 15th.—the Falls Juniors at Timmins.

SUDBURY WOLVES DEFEAT GREYHOUNDS IN OVERTIME

Last week Sudbury brightened its chances for the winning of the southern group of the N.O.H.A. by defeating the Soo to the tune of 2 to 1. It was a strenuous game and twenty minutes overtime was necessary to decide the contest. The first period was largely the Sault's with the score 1 to 0. The second was closely contested, ending 1 all. In the third innings neither team scored. Joe Ironstone played goal for Sudbury and made a great name for himself. Sudbury plays at the Sault this Wednesday and must win to tie with the Sault for the group championship. Many believe that with the goaltender now playing Sudbury can do it all right.

DISTRICT ASSOCIATION FOR BOY SCOUTS OF NORTH

The Boy Scout movement has apparently taken firm root in the North Land, no less than eight troops now being successfully conducted with pleasure and advantage to the boys concerned and much promise of good for the communities. The purpose of the Boy Scout Movement is to train the boys to "become good, true and loyal citizens, who live, work and play for the good of the community, the Dominion and the Empire." There are Boy Scout organizations now at Timmins, Cochrane, Iroquois Falls, New Liskeard, Cobalt, Haileybury, Smooth Rock Falls and Hearst. The Timmins troop has some 23 members and the Scoutmaster is Rev. R. S. Cushing, who is very ably assisted by Mr. W. J. Mitchell. Up to the present, although there are the eight

corps in the district there has been no district organization. Each troop has looked after its own management, keeping in touch with the Provincial Headquarters. Recently the Provincial Headquarters appointed a District Scoutmaster who is to visit the different troops from time to time. It is proposed now to organize a District Association of the Boy Scouts, which should add to the interest and value of the work for all concerned. A convention to organize a District Association will likely be called in the near future, with Haileybury as the probable place of meeting. A hockey tournament is planned for the Boy Scouts of the district at Haileybury at an early date, and opportunity may be taken of this gathering to proceed with the organization of a District Association.

Mr. Sarsfield, of Haileybury, spent the week-end the guest of friends in town.
