TIMMINS, ONT.

Timmins and District Notes

Rev. Fr. Therjault returned on Friday from a visit to Montreal.

Mr. D. Warren spent the week-end at his home in Haileybury.

Music lovers in the Camp will look forward with interest to the coming concert to be given at an early date in the New Empire Theatre by the Schroeder Orchestras.

Born to Mr. and Mrs. S. B. Wilson, at West Palm Beach, Florida, on Jan. 18th, 1922—a son, Benjamin William. Before going to Florida, Mr. Wilson was on the staff of the Power House for the Town of Timmins.

Storms last week caused considerable delay in the train service, the delays, however, practically all originating in the south where severe storms were experienced and railroad traffic pretty well tied.

The report in an outside newspaper that the gold brick, stolen from the McIntyre Mine some time ago, had been recovered was like the most of the yarns appearing in outside newspapers regarding Porcupine matters—just a plain twist of the truth.

The supper given Monday evening in the I.O.O.F. Hall under the auspices of the Vestry of St. Matthew's church proved a very striking success. The repast provided was a decided credit to the ladies of the congregation and the crowd were delighted with the tasty and delicious food served. Music during the evening added to the pleasure of the supper and all through it may be set down as a very pleasing success.

Chief of Police M. Greer left on Saturday morning for Charlevoix, Que., for a few weeks' holiday to recover his usual health and strength after his recent illness. Last week Chief Greer had recovered to a large extent and was able to be out and around almost as usual. His innumerable friends in the district will sincerely wish that the brief holiday will assure a complete return to normal health. In Chief Greer's absence, Officer E. A. Roy is Acting Chief of Police.

In the Mercantile League series last Friday the Shops won from the Canadians, but the game has been protested on the grounds that the Shops used a disqualified player. There was also a mix-up in regard to the Kingston-Bankers game, the match being called by Referee Jack MacLean, the play getting so rough as to be out of hand. When the game closed the score was 8 to 6 in favor of the Kingston and the latter team claims the match. It is understood that the two games have been ordered re-played. This would seem to be the sportsmanlike way to settle the difficulty. However, the teams claiming wins are said to object to this. It is probable that the re-play of the games will be formally called, and if either contestant fails to appear the game will be awarded the team putting in an appearance.

The next Band Concert in the New Empire Theatre is scheduled for the last Sunday on March.

Mr. B. V. Harrison, of the headquarters staff of the Northern Ontario Light & Power Co., and the Porcupine Telephone Lines, Cobalt, was a visitor to town over the week-end.

Mr. and Mrs. P. Dougall and little son left on Sunday for a visit to Aberdeen, Scotland. Mr. Dougall will return in three months while Mrs. Dougall and the lad will spend a more extended visit in the Old Land with relatives and friends.

Mr. and Mrs. Jas. Heppleston have returned from their wedding trip in the south and have taken up residence in Timmins where all their many friends will extend the best of good wishes for long life, prosperity and happiness.

There was a large attendance Wednesday evening last at the Masquerade Dance at King's Hall and a large variety of original and interesting fancy costumes. The evening was an agreeable one. Mr. W. H. Wilson ("Scotty") furnished good music for the dancing.

One of the finest and fastest games of the season was that Monday night between "Timmins" and "Buckingham," being two picked teams. These teams played interesting hockey, the final score being 4 to 4. The hockey stars were evenly divided between the two teams. They will play again next Wednesday night to settle the tie.

Mr. H. W. Warren, auctioneer, will conduct an auction sale of household effects at the residence of Mr. W. W. Bosworth, Second Avenue, Schumacher, on Tuesday, March 7th commencing at 1:30 p.m. Everything is to be sold, including a number of very desirable articles of household furniture among which may be mentioned a gramophone (cabinet), sewing machine, etc., etc. Mr. Bosworth has found it necessary to leave the North Land on account of his health.

There was a special wire at the Hamilton B. Wills office last night, giving a thrilling running story of the Iroquois Falls game at the Soo. A big crowd listened with very great interest to the returns and it would have done the Falls supporters good to have heard the cheers for the team from this North Land. A collection was taken up to defray the expenses of the wire and the balance given over the required amount, some ten dollars or so, has been handed over to the Children's Aid. As usual the Hamilton B. Wills Co. did not make any charge for the use of their offices or the courtesies of the staff, the only expense to the hockey fans here who desired the wire being the bare cost of the telegraph expense. For Saturday night's fine report of the game at the Falls the people are indebted to Mr. Sol. Shankman for his services and courtesy. Good old Sol.

MUSIC

An important subject in your education today.

The Timmins Conservatory H. F. Schroeder, Director. Faculty of three experienced teachers. Vocal, Violin, Piano, Theory, and Wind Instruments.
