A SPRING TONIC

NYAL'S SPRING TONIC

A pleasant bitter energizer and stimulant particularly necessary in the spring after the close confinement of the winter months.

A few building permits have been issued this month, but the rush has not yet commenced. It is expected, however, that the spring will see much building activity again in Timmins,--perhaps not so much as last year, but still on a scale that means very considerable growth of the town.

Owing to the illness of Brigadier McAmmond of North Bay, that officer was unable to visit the Timmins corps of the Salvation Army last week as announced. The visit of the Brigadier will take place at a later date when the lecture on the sinking of the Empress of Ireland will be given by Brigadier McAmmond who was a passenger on the steamer at the time of the disaster.

Mr. H. M. Paul, who has been spending a few weeks in the Camp, left last week for the Pas, Manitoba, in which district he has large interests. Mr. Paul is very enthusiastic about the prospects of the Pas district as a gold camp, believing the claims of the Murray Brothers to be something decidedly special, in the line of high-grade ore.

On their way home from Toronto last week the Iroquois Falls Senior Hockey Team were entertained very pleasantly at the home of Mr. and Mrs. J. O. McKerrow, North Bay. About twenty-five guests were present in addition to the North Land's famous hockey team. All had a delightful evening and agree that Mr. and Mrs. McKerrow were an ideal host and hostess.

Some of his many friends in town are holding a benefit dance in King's Hall this (Wednesday) evening for Mr. W. H. Oke, who is at present ill in Toronto General Hospital. Mr. Oke is one of the old-time residents of the Porcupine, highly esteemed by all, and popular. All his friends here will wish him a very speedy and complete recovery from his illness, and most of his friends will be pleased at the opportunity given by the benefit dance to express their regret in a tangible way, though all will regret his illness.

Mr. W. H. Baker of Toronto was a business visitor to the Camp last week.

The next Band Concert in the New Empire Theatre by the Timmins Citizens' Band is scheduled for Sunday evening, April 30th.

Miss C. Godin, of the Separate School staff, spent the week-end at Haileybury.

Mr. Bunting, of the Northern Ontario Light & Power Co., returned this week from a week's visit to his home at Sturgeon Falls.

Plans are under way to organize a Porcupine Racing Association, among those interested being well-known horse owners like Geo. Bannerman and J. W. Young of Porcupine.

The Tea and Sale of Cooking given last Friday in the Clinic Room by the ladies of the Child's Welfare Executive, for the benefit of the Clinic here, was well attended and proved a pleasing success.

Mr. Henry Cecil, a well-known mining man, with particular interests in the Kirkland Lake and Cobalt camps, died last week following injuries received in an elevator accident at the King Edward Hotel, Toronto.

They are starting in already in the matter of baseball at Sudbury, the annual meeting of the Nickel Belt Baseball league being called for Saturday of this week for organization for the season. The Nickel Belt league this year hopes to include Sudbury, Capreol, Espanola, Conniston, Copper Cliff and North Bay.

Mr. and Mrs. W. W. Wilson of South Porcupine entertained at dinner Mr. and Mrs. L. Ferguson, of Munson, Alberta. Mr. Ferguson was recently married at Bracebridge, Ont., to Miss Louisa Avery, of London, England. The young couple are now on their way to their new home at Munson, Alberta. All will extend to them the very best of good wishes.
