

### Timmins and District Notes

Mr. D. B. Curtis returned on Saturday from a visit to the south.

Mr. F. Mahon and children are visiting in Sudbury.

**BORN**—On Thursday, April 27th, 1922, to Mr. and Mrs. J. Gray, Elm street, Timmins,—a son.

The next regular meeting of the Town Council is scheduled for Monday afternoon next, May 8th.

Mr. T. P. Bennett has opened a Ladies' Hairdressing Parlor at No. 2 Marshall-Ecclestone Block, with Madame Louise in charge.

Remember to-morrow (Thursday) is the first of the summer's weekly half-holidays and all the stores and business places close at 1.00 o'clock.

Golf is well under way for the season now. Last week Mr. J. Callum had the distinction of being the first to go over the course this season.

Stamped pillow cases and day slips, \$2.00 to \$3.00 per pair. The Needlecraft Shop, 6 Marshall Ecclestone Bldg. —18p

Thursday last was another easy day in the Police Court here, Magistrate Atkinson having only a couple of drunks before him, who received the usual treatment.

Mr. D. Corgrove, formerly on the Timmins Fire Hall staff, and more recently with the Hotel Goldfields, left yesterday for his home in Buckingham, Que.

Messrs. J. S. Brough, A. F. Carriere and A. Guilbult, blacksmiths, this week announce a new schedule of standard prices for horse-shoeing, repairs and general work, the new price list having noteworthy reductions from the rates previously prevailing here.

It is understood that the road to South Porcupine will be widened this year and otherwise much improved, all of which comes under the heading of "Good News."

In order to conform with the time of the New York Stock Exchange, which is now going on Daylight Saving time, Hamilton B. Wills & Co. are observing the following hours for the summer:—The local mining market is open from 9 to 11.30 a.m., and from 1 to 2 p.m., with the exception of Saturdays when the hours are from 9 to 11 a.m.

Mr. Jack Hogan, well-known in the Camp as a barber, has bought John Krankovitch's place next to the McIntyre Recreation Hall at Schumacher and has opened there an up-to-date barber shop, poolroom and cigar store.

All interested in sport and especially those representing the various lines of sport in town should note the fact that the annual meeting of the Timmins Amateur Athletic Association will be held in the Council Chamber on Friday evening of this week, May 5th, at 8 p.m. Last week the date was announced as Thursday, May 4th, but it has been necessary to have the meeting on Friday evening, May 5th. Remember, Friday evening, May 5th.

In an address to the Legislature at Toronto recently Major Mac Lang, M.P.P., for this riding prophesied an early defeat for the Farmers' Government and the return of the Liberal Party to power sure. Even the Tories wouldn't feel too bad about that, though, of course, they have hopes too.

The Consecration and Dedication of the new hall and lodge rooms of Porcupine Lodge, A.F. & A.M., at South Porcupine, will take place on the first Thursday in June unless unforeseen circumstances make another date necessary. From present indications, however, it appears to be reasonably certain that the Dedication and Consecration ceremonies for Porcupine Lodge's new quarters will be held on Thursday, June 1st.

Nelson ("Chuck") Henry, who pitched for Sudbury in the winning team of 1919, has been re-instated by the A.A.U. of C., and will play for his home city, Guelph, this season. He was refused re-instatement last year, despite a petition signed by over 1000 prominent people of Guelph. He was suspended in 1918 for accepting money from a Brantford amateur team for a game with Kitchener.

The A. S. D. Club are holding a dance in the Masonic Hall on Friday evening, May 12th. The A.S.D. Club has made a pleasant success of all its social events and the dance on the 12th. will undoubtedly be another enjoyable affair. The music for the occasion will be furnished by the Club Orchestra, a five-piece orchestra that has delighted all with its dance music on several recent occasions.

Police court this week does not promise to be very heavy, although there are a number of cases. Most of the cases are plain unvarnished drunks or drinking in a public place, the chief patients being of the Finn persuasion. One man, Herman Virto, in addition to the charge of having imbibed liquor in a public place, is accused of unlawfully carrying concealed weapons. Another man, Oscar Maki, the proprietor of a house from which most of the patients seemed to come, is to be charged with illegally having liquor in a public place.

Miss Mary Downey returned last week with her brother, Mike, who has been in the hospital at Toronto for some weeks past following a fall of some 45 feet from the roof of the Reed block. Mike is making excellent progress to complete recovery and is looking particularly well. Both his ankles were broken, one in two places, but both fractured limbs are "attending to their knitting" and the lad will soon be on his feet again as right as ever and without any serious effects from his dangerous fall.

### Blurred Vision at Close Work

is a common discomfort among people with eye trouble and should not be neglected.

Can you read your newspaper at 6 or 8 inches from your eyes? Try it. It is a good test for vision at the near point.

When you start to move your paper farther away than 12 or 13 inches from the eyes, you can be sure that your eyes are not as good as they should be.

In any event, make sure. See our optometrist. He will advise you. Make an appointment.
