Are You Wearing That Tense, Drawn Expression Instead of Glasses.

Over-worked, strained, neglected eyes often cause one to squint through life. Frequent headaches and other nervous troubles result. If eye-strain is the cause, glasses will relieve the strain. Headaches and wrinkles give way, and better eyesight and looks prevail.

Timmins and District Notes

Mr. John Jones came up last week from Toronto and is out on another prospecting and development trip in this North Land.

Mr. Geo. R. Lawson, representing the New Ontario Colonization Co., of Jacksonboro, was in town last week on business for the company.

Mr. W. A. Gordon, the well-known barrister and solicitor of Haileybury, left last week for Alden, N.Y., for the benefit of his health.

Miss Rawlinson who has been visiting her brother, Mr. S. R. Rawlinson, for some time past, left on Saturday for England.

Charges of keeping a disorderly house and of selling liquor preferred against an O.T.A. "special agent" at Swastika were withdrawn last week in Magistrate Atkinson's court, and one of those making the charges was fined \$10.00 and costs for being drunk. This case would not seem to be particularly useful to Mr. Herb. Lennox, M.P.P., after all.

Capt. G. F. Morris, Chaplain, the Navy League of Canada, Ontario Division, was a visitor to Timmins last week. He pointed out that the Navy League was still "carrying on," still looking after the dependents of sailors who gave their lives in the war, and still striving to make the people see the vital importance of the Navy and the Mercantile Marine.

Mr. and Mrs. J. E. Steele left this week for Montreal where Mr. Steele will take a position in the office of Messrs. N. A. & L. H. Timmins. Mr. Steele has been on the Hollinger staff here for some time past, and during their residence in town Mr. and Mrs. Steele have made many friends, all of whom regret their removal while wishing them all success and happiness in their new sphere.

Mrs. A. M. Humphrey, of Schumacher, is moving to Chicago, Illinois, where she will conduct a rooming house at 6350 Maryland Avenue, that address being one place in the big Illinois city where all from the North Land may be sure of a real North Land welcome and North Land courtesy and service. Mrs. Humphrey, who is one of the pioneers of the Porcupine, has successfully conducted restaurants and rooming houses in Schumacher and other parts of the Camp. She will be missed here by wide circles of friends, but all will wish her a prosperity and success in her new circles of friends, but all will wish her home city.

Dr. C. E. Hill, oculist, of Toronto, was a visitor to the Camp this week on professional business.

Summer is here all right. There have been a number of bush fires in the district, though all of the kind that include much smoke and little fire.

A number of citizens of the Town are having trees planted on their residential properties this year, thus adding materially to the good appearance of the places and the town in general.

Mr. Simpson who is to be in charge of the Gold Centre Mine is in the Camp. The Gold Centre is east of the Platt Vet., and is generally conceded to have very favourable prospects. The property was recently taken over by English capitalists and it is understood will be working at a very early date.

A Grand Euchre Party is to be given in the McIntyre Recreation Hall, Schumacher, this (Wednesday) evening by the Ladies of the R. C. Church, and judging from past successes the event will undoubtedly be a pleasing one in every way. Music will be furnished by the McIntyre Orchestra. There will be prizes for the Euchre and also a \$2.50 gold piece given to the holder of the lucky ticket.

Miss Olive Orr, of South Porcupine, continues among the leaders in the Toronto World Contest, District No. 3. Miss Orr is the North Land candidate in competition with all the rest of the Province, and so all North Land people should do their part to see that the North Land candidate wins out. The fact that Miss Orr has made such an excellent showing so far, is all the greater reason why the whole North Land should stand behind her to see that in the final count she still ranks among the winners.

The fire department attended at the Synagogue on Cedar street on Sunday in a body, parading from the fire hall promptly at 2.30 p.m. The occasion was not an anniversary or anything like that, nor on account of the fear of the Firemen of fire in the hereafter, but rather because the Firemen are determined that nothing is going to burn here and now if they can stop it. A still alarm was given that the steps and entrance way to the congregational hall were on fire and the Firemen hastened to extinguish the blaze. A prompt use of the chemical tank put the fire out of commission. The blaze was probably started by a carelessly thrown cigar or cigarette butt.
