

**DISTRICT NOTES**

Mr. F. Woolley, of Detroit, visited the Camp this week.

Among the visitors to the Camp this week is Mr. Digby of the Digby Vet.

**BORN**—In Timmins, on Monday, June 5th, 1922, to Mr. and Mrs. H. G. Laidlaw, —a son.

The Holly Jazz Orchestra will play at the regular dance Saturday night in King's Hall.

**BORN**—At the Cairns Hospital, Timmins, on Tuesday, June 6th, 1922, to Mr. and Mrs. L. I. Hall, —a son.

The Gingham Ball in the McIntyre Hall last night proved a success and attracted a good crowd, all having a good time.

Messrs. F. C. H. Simms and Ed. Pritchard left Monday for Haileybury for jury service there in the District Court sessions.

A despatch coming through from Toronto this morning says that "Duke" McCurry's amateur card has been cancelled on the ground that he is a "tourist." There will be general regret at such an action for "Duke" is one of the best athletes a fine hockey player and a steady and reliable

good citizen. The provincial and Dominion authorities this year are watching very closely for anything approaching the "tourist" in sports. This will be for the good of sports if carried out thoroughly and impartially, but if only a few "good fellows" like "Duke" are singled out it will be otherwise. If all come under the same rule, there will be a lot of cancelled cards in Toronto as well as elsewhere.

Mr. T. Specht of the Temper-Patterson Co., Toronto, is in Timmins this week installing Dr. Wilson's new dental equipment.

**BORN**—At the Women's College Hospital, Rusholme Road, Toronto, on May 16th, 1922, to Mr. and Mrs. Jack Brownlee, —a son.

Mrs. D. Laprairie returned last night from a three months' visit to Montreal where she was taking specialists' treatment.

The New Liskeard Speaker last week says: "Mr. and Mrs. Robt. Udall, of Timmins, spent a few days in town the guests of Mr. and Mrs. J. Perrault. A trip through the agricultural section was a revelation to the visitors."

Mr. P. S. Taylor, one of the young old-timers of Timmins, now with the McLagan Furniture Co., Stratford, as travelling salesman, spent the weekend in the Camp renewing acquaintances and being greeted by old friends.

The advance agent for the Chautauqua was in town last week conferring with the local I.O.D.E. regarding the event this year which will be held in July.

The National Grocers, Ltd., of North Bay, have opened a branch office and warehouse in Timmins with P. Dougall in charge. Mr. Dougall has been the representative of the wholesale house for several years.

It would appear to be a good thing for the Town to hurry along the building of the band stand. The Timmins Citizens' Band is all ready to give open air band concerts, and only awaits a band stand to start these events. With a band like the Timmins Citizens' Band the public here will certainly enjoy the open air band concerts, and so the sooner the band stand is erected the better pleased the citizens will be.

**CAST OF CHARACTERS FOR EVENT AT SCHUMACHER**

The following is the cast of characters for the 3-act comedy to be presented at Schumacher on Monday, June 12th, under the direction of Mrs. Eva Parker, and for the benefit of the Children's Aid Society:—

Shipman; Mrs. Briscoe's daughter,—Mrs. E. Yorke; Irish maid,—Miss Jessie Macfie; Horton's niece,—Miss Theresa Quinlan.

In addition to the comedy there will be selections by the McIntyre Orchestra, a monologue by Mrs. Keene, solo by Miss Mair and a chorus by four young ladies.

**THE LIMIT REACHED**

"It is high time," said the militant reformer on the platform, "that we had a moral awakening in this town. Let us gird our loins. Let us take off our coats. Let us bare our arms. Let us—"

"Hold on now!" exclaimed a tall, thin woman near the platform. "If this is to be a moral awakening, don't you dare to propose our taking off another thing."

The new preacher was asked if he would like any special hymn to be sung to agree with his sermon.

"No," he replied. "The fact is, I hardly ever know what I am going to say until I arrive in the pulpit."

"Well, in that case," said the vicar "we had better have the hymn, 'For Those at Sea.'"

**BUILT BETTER than Cars that Cost More-**

A CAREFUL analysis of the construction and complete equipment of the Light-Six will convince you that it has no duplicate in value in the light car class.

For instance, the machining of the crank shaft and connecting rods on all surfaces is a manufacturing practice that is found only on the costlier cars.

This particular operation is mainly responsible for the fine balance of the Light-Six motor and its remarkable freedom from vibration at all speeds. It also has an important bearing on the wearing quality of the car and on its long-lived, dependable service.

The exceptional values in the Light-Six are possible because practically every part that goes into the car is manufactured complete by Studebaker. Parts-makers' profits are largely eliminated. Important savings through better methods and bigger volume permit greater value to be given the buyer.

From the standpoint of shrewd investment you should find out why the Light-Six offers you so much more for your money in performance, service and economy.
