FOLEY-O'BRIEN PROPERTY DOME MINES OPTION ON

Reports are in circulation to the effects that the Dome Mines Co. Limited have optioned the Foley-O'Brien properties adjoining to the north and east. The option was understood to be for eleven years. More recent reports, however, would intimate that this option will be decided upon inside of the present year.

NORTH LAND CANDIDATE THANKS THOSE WHO HELPED

Miss Olive Orr, the North Land's successful candidate for the Toronto Sunday World European Tour, asks The Advance to thank all in the district for the fine support given her in the contest. Miss Orr appreciates very much the generous assistance and interest given by practically everybody in the district.

EXPECT McINTYRE REPORT TO BE PLEASING ONE

A report that is looked forward to with great interest is that of the McIntyre-Porcupine Mines whose fiscal year ends June 30th. A report which was issued some time ago by Prof. revealed some pleasing surprises and it is understood that the mine never looked better. Accordingly the annual report is awaited with special interest.

NORTH LAND CANDIDATE A WINNER IN BIG CONTEST

Miss Olive Orr, of South Porcupine, as was confidently expected by her many friends, was a winner in the Toronto Sunday World contest, polling a vote that placed her among the first three in the whole Province. The prize is a free tour of Europe, visiting all the centres of historic and general interest. Miss Orr will leave this month to take this fine trip.

MR. R. RICHARDSON BREAKS ARM WHILE CRANKING CAR

Mr. R. Richardson, T. & N. O. agent here, had the ill-fortune on Friday last to break his arm while cranking a Ford car for an acquaintance. The car was stalled near the station and Mr. Richardson volunteered to help the driver who could not get the motor started. While Mr. Richardson was cranking the car, it played one of the Ford tricks with the result that Mr. Richardson suffered a fracture of the right arm.

TO ARMS

The "toesin" call once more through out the balmy North is borne, For spring has come and hopes reborn bid us renew the quest. Now Porcupine and Kirkland Lake of stark Winters garment shorn, Shall yield, we vow, new wealth to show, 'tis the Prospector's best. The dour musk of Whitney and Nig fit Hawk's lovely shore, Shall secret hoards reveal, who knows, to the diamond's grinding bore. As "a little child shall lead them" so Goodchild points the way, And lifts our hopes with erosion doped, of the ice-fields mighty sway. How "Hollingers" were shifted, and "Domes" were covered o'er, Perchance the "El Dorado" lies beneath the Muskegs maw. The lure of gold, the faith we hold, th at yet one blow of pick May fortune yield, sustains our hopes we scarcely have a kick. In spite of heat, of fires, of floods and black flies stinging bite, We'll still strive on, serenely calm, convinced all will be right. Oh fickle jade called fortune, smile on us once again, We've wooed thee many a year fair maid, that our fortunes we may gain. Yet, thou, capricious ever, may from thy bounteous store, Reward our past endeavours and our faith in thee restore.

ERNEST H. VAUGHAN, Timmins.

New Office Boy—I told him I was sorry you weren't in.

DISTRICT NOTES

(BORN—At the Cairns Hospital, Timmins, on Wednesday, June 7th, to Mr. and Mrs. George W. Dalgarno—a daughter.)

The Sudbury Star seems to be displeased because some Sault Ste. Marie young men recently visited Timmins. It's a hard world,—this North Land.

The cutting down of the hill on Fourth Avenue near the Presbyterian church is making a simply wonderful improvement in this important roadway.)

The annual tournament of the Temiskaming Firemen's Association will be held this year on July 1st. at Schumacher. A very attractive programme is being arranged for the day.

There was a good crowd and a good time at the re-opening Saturday of the Basement Dance Hall of the New Empire. Colombo's Orchestra furnished the music.

Good progress is being made in the erection of the fine new Golf Club House and it is expected to be ready for occupancy by the Club members at an early date.)

There will be a Dance every Wednesday and Saturday night in King's Hall with O'Brien's Melody Five furnishing the music. Come and enjoy yourselves.

Sunday last Marinacci's motor truck met with an accident on the road to South Porcupine, the driver being thrown out and sustaining a fractured arm.

The Golf game, Hollinger vs. Timmins Town, scheduled for Saturday last was postponed on account of the Scotch mist prevailing. The match will be held on Saturday of the week, June 17th.

A Lingerie Shower has been planned for the Masonic Hall, South Porcupine, on Monday evening, June 19th for Miss Olive Orr, the North Country's successful candidate for the Toronto Sunday World's European tour. Everybody is invited to come to this shower, or to send something so as to give the North Land's representative a regular North Land send-off.

The Dance given in the Masonic Hall last Friday evening by the Rebekahs proved a very pleasing and successful event. There was a good attendance and a delightful time enjoyed by all. Wolno's Orchestra furnished very attractive dance music and this feature of the evening was specially appreciated. The refreshments and all other features of the evening were up to the usual pleasing standard of the Rebekahs and the dance generally is voted as a creditable success.)

(Mrs. T. W. Foster, of Toronto, is in the Camp as Northern Ontario Representative of the New York Life Insurance Company. Her husband, the late Mr. T. W. Foster, well-known and very popular in the North Land, was representative of the company in the North, and after his death Mrs. Foster took up the work and is carrying on the business. This is her first visit to the Porcupine. During her stay in the Camp she is the guest of Mr. and Mrs. H. Blood, South Porcupine.)

WRECK ON T. & N. O. STILL NOBODY GETS HURT

It was a T. & N. O. wreck! That means trains were much delayed and damage done to rolling stock and track, etc., but no one hurt. It was on Monday, the latest and one of the worst recent T. & N. O. wrecks! It happened some nine miles from Porcupine, on the south side. Three freight cars went off the track, scattering lumber and ties and so on for books along the track. The passenger trains were delayed about six or seven hours, which is not so bad for a T. & N. O. wreck which never hurts nobody.

WE THREE

"No," stated the misogynist would-be philosopher, "I am not fond of the society of women, and can get along without it beautifully. When I am in a talkative mood, a parrot can converse as intelligently as one of the weaker sex, while a dog is much more satisfactory for a quiet walk. Then, when I want to sit by the fire with a congenial companion—"

"Nothing doing," said his sister, "you aren't going to bring any donkey's into this house."—From "100-Ton Booster."

There was a young lady named Maud, And she was a very great fraud, She never was able to eat at the table, But out in the pantry—O Lawd!

DOME DIRECTORS VISIT CAMP OVER THE WEEK-END

The Dome Mines Co. Limited directors visited the Camp over the week-end, coming here by private car. They toured the mine and mill and were very well pleased with everything they saw. Other properties in the Camp were also visited by some of the directors.

PLEASING TRIP ON THE MINGA BY CALEDONIANS

Despite the cool weather last night and the threat of rain, about twenty members of the Caledonian Society enjoyed the moonlight sail on the S. S. Minga. The trip proved a very comfortable one and all present enjoyed the evening. There was a "sing-song" of Scottish and other songs, and a special feature was the cornet trio, Messrs. F. Wolno, O. Brown and a new acquisition to the cornet players of the town. Lunch was served during the trip, and the party closed with "Auld Lang Syne," after a very pleasant two hours' sail. Another trip by the Society will be announced shortly.

NEW ONTARIO GARAGE AND MACHINE SHOP OPENED HERE

The opening is announced this week of the New Ontario Garage and Machine Shop at 18 Cedar street, Timmins. This new business should prove of decided advantage to the public generally, the machine shop especially filling a long-felt need. The new industry is ready to do all kinds of machine repairs and new work at very short notice and at fair prices. The business is conducted by skilled mechanics who have had long and successful experience. The new business should receive a large share of patronage and should prove of undoubted convenience and benefit to the town.

GORDON MURRAY IN NEW GOLD PROPOSITION IN WEST

A new issue came into prominence on the Standard Stock and Mining Exchange during the past week, called Gordon Murray Gold Mines, Limited. This Company is capitalized at \$2,500,000.00, being 2,500,000 shares of a par value of \$1.00 each. The Company's properties consist of 5 claims, being approximately 200 acres adjoining the properties under option to the Hollinger interests in Elbow Lake District, Manitoba, on which some very spectacular gold ore is being developed. This is the first Elbow Lake proposition to make its appearance on the Standard Exchange, and has acted very well, advancing from its listed price of 25 cents to 31 cents, at which price the stock is very strong.
