

CLEAN BOXING BOUTS IN THE GOLD CAMP

**Will Be Aim of C. E. Patterson at Timmins
In Arranging Future Attractions
At the Rink**

It is a recognized fact among those connected with all classes of sport in Northern Ontario that they include a great many specially interested in boxing and it will be glad news to such to know that Mr. C. E. Patterson, Manager of the rink at Timmins, has in view some extra special attractions for attenders of the ring-side.

In the view of Mr. Patterson, boxing is only in its infancy in this part of the country and he predicts the day—not far distant either—when he will probably have such talent as Freddie Welch, champion of the light-weight division, Young Duffy and a few more of the "headliners" visiting this district to give boxing enthusiasts something to see worth while.

July 1st Arrangements.

There will be at least three good bouts pulled off at the Timmins Rink on the night of July 1st.

Manager Patterson states that he intends having at least two preliminary bouts of three and five rounds each and a feature bout of 10 rounds. The last named will be between Jimmy Freeman, of Cochrane, and Billy Hughes, of the Soo.

Both these boys are very clever and should put up a rattling good exhibition of the manly art.

The preliminaries have not yet been completed but it is proposed to have a local boy in each event which should make things very interesting for enthusiasts.

Well Planned Ring.

The rink is laid out in a way that will enable everyone to be comfortable and easily see the contest. The ring will be placed in the centre of the rink and, by the way, this rink will be the most "up-to-the-minute" in Canada.

Mr. Patterson has guarded against all possibility of accidents by having the posts of the ring padded, the ring rope being at least two feet from the posts.

The floor will have a layer of felt covered with canvas, making it smooth and fast and less dangerous to boxers.

There will be five rows of ringside seats on each side of the ring which will be reserved, while excellent seats can be secured at the north and south.

side of rink, and these, too, may be reserved. At both ends of the rink there are comfortably banked seats which will be all rush seats.

No Fakers Allowed.

Mr. Patterson is endeavoring to bring none but the best talent to participate in these bouts and any boy with a shady reputation will not be experimented with at all.

"It is good fast, honest boxing we want here and I am going to see that the public are not swayed with any fakes," said Mr. Patterson. "I have a referee in view who is well known to the fans as a man who knows the boxing game from A to Z and is beyond reproach and it will be up to him to declare no contest when the first sign of taking pretense is shown."

Encouraging Rules.

The boys who are in preliminary bouts will be given a good opportunity to make good. If they put up a good bout—whether they win or lose—they will be moved up from the second preliminary and likewise to the main bout.

"This is a good point in Mr. Patterson's plan as we have often noticed a preliminary bout the best bout of the night. There are many disadvantages about these bouts, a contest when there are no preliminaries to the heat and it has ended early or been stopped by an referee. But, where there is a lively preliminary or two by boys who are lively and, why it is easily to overlook the end bout."

An Amateur Tournament.

Mr. Patterson proposes running a strictly amateur tournament very soon and is now arranging to have a team from each of the surrounding towns compete, with a man in each class.

This western world requires about 48 entries and would run three nights in succession, the team winning the most points to receive a handsome shield and each winning by a gold watch. Three points will be allowed for a win and two points for a draw.

There will be an up-to-date clubhouse at the rink for the Timmins team and a couple of instructors have been secured to help the boys along. Mr. Patterson will be glad to hear from any boys willing to compete in this tournament.

DRAW POKER PLAYERS PAY FINES \$20 EACH

When Police Make Raid Late at Night and Arrest Half Dozen Russian Gamblers

CASES AT TIMMINS

Mr. Wilson J.P. Issues Warrant Regarding Drunkenness in Unlicensed District and Will Be Very Strict in Future Cases Before Him

Chief Court-martinez, Constable Craft and Provincial Officer Carmichael gathered up a round half dozen "draw poker" players at an establishment in town last Sunday night, all of these being Russians. In order to dispose of the excess, T. M. Wilson, J.P., held court at half past one Monday morning when fines of \$20 each were imposed and all fines were paid. The men involved were John Yaki, John Petrovski, John Marchant, John McMillan, Joseph Kestich, and Thos Kuskhaich.

To Stop Furious Driving.

Court was held the same day at ten o'clock when Dan Skopac, who had been killed out by friend to the extent of \$50, was charged with furious driving on Sunday night. Constable Carmichael, after the defendant had pleaded guilty through an interpreter, stated that the police had experienced many cases of this character but the case proceeded in getting away. The man had paid for damage to the car he was driving but the officer asked for an example to be made so that it would be warning to others continually following in this fashion.

A penalty of \$10 and costs was imposed, amounting in all to \$14 or fourteen days. It was some time before the point could be made clear to the defendant that the paying for the pig did not clear up the fine and in the end the friend who had put up his bail handed out the necessary.

Tried to Get Away.

Louis Blahy, who appeared with his head bandaged and also required an interpreter pleaded not guilty to a charge of disorderly conduct. Constable Carmichael explained that a complaint had come in from a boarding house in town as he and Chief Court-martinez with Constable Craft went over. When Blahy saw them he tried to clear out but witness ran after him and had to fire a shot before he stopped. There was a big noise at the house and fighting had been going on. "\$20 and costs," decided the Court.

May Be Interned.

When Frank Bowers pleaded guilty to assaulting A. G. McKay, before Mr. Wilson, in the afternoon court of Tuesday and also with calling the complaint a "scab" it transpired in evidence that the defendant was a German, not working at present and residing in Timmins. He was sent to North Bay for two months with hard labor, no option of a fine being extended. At the same time his Worship recommended the authorities to intern him when his time expired as he was an undesirable alien.

Couldn't Cross-Examine.

Nick Blahy surrendered to bail on a charge of assaulting P. C. Craft while in the execution of his duty and was defended by W. A. Olmstead. The case was before Mr. Wilson as a preliminary hearing and when the lawyer for Blahy commenced to cross-examination which seemed to indicate that the policeman was exceeding his duty in arresting the defendant.

The Magistrate refused to allow this cross examination to proceed because of this being a preliminary hearing only and it was not necessary as he simply had to satisfy himself that there was sufficient evidence to justify the case going for trial.

The accused then expressed his willingness to be tried by Mr. Wilson but the magistrate declined then to deal with the case explaining for the edification of certain people in town, some of whom he thought were also in Court, that he had no wish or desire to protect the police where there was any wrong-doing or where they had in any way been proved to have exceeded their duty. In his connection with the Court he had, however, not had any instance before him where they were shown to have acted beyond their powers. Defendant was sent for trial before visiting Magistrate Athlone on Thursday.

Warning to Drunks.

In the cases of two men charged with being drunk they were each fined \$3 and costs and in inflicting these penalties the Magistrate intimated that in future he intended dealing with all second offences of this nature much more severely than heretofore.

He would either impose the maximum fine under the by-laws of the town or direct the complaint to be laid under the Criminal Code or Liquor License Act.

"Offenders apparently ignore or lose sight completely of this fact," said his Worship, "that drunkenness in an unlicensed district is a less permissible if not a more serious offence than would be the case in a licensed town. It is likely to deprive the offender of his liberty until such time as his tongue may be loosened and he reveals the source and dispenser of the liquor."

Among the Fans

"You big mutt," said the batter, as the umpire called the third strike, "that was a foot outside. What's the matter with your eyes?"

"Nothing at all," replied the arbitrator in chilling tones. "I can see from here to the club house, and if I don't see you over there in five minutes it'll cost you \$50."

"My wife is never satisfied until she has my 'last cent.'"
"Mine is I satisfied even then."

A party of Englishmen were visiting Niagara Falls.

"As I say, what a magnificent volume of water," said one.

"Aw, year, and 'ow it thunders!" exclaimed another.

"Aw, my ware! What an awful abyss!" added a third.

"There's no doubt about it," said the American who was showing them around, "the falls certainly are aw-inspiring."

To keep a cigar lighted one must not talk too much. This is one reason why women do not smoke.

At first a girl wants nothing but a husband. After she gets him, she wants the earth.

Dereaved widow, (to country editor): "Do you charge for obituary notices, Mr. Shears?"

Country editor: "As a general thing we do, Mrs. Bendley; but your husband and I were old friends, and I will only be too glad to publish his obituary for nothing."

CAMERON SECURED FOR SHAMROCKS

A deal has been consummated whereby at least two players of the Toronto professional hockey club will be on the Shamrock line-up next winter. One of these players is Harry Cameron, just who the other is Owner Livingstone of the Shamrocks refused to divulge.

"I intend strengthening my team," remarked Owner Livingstone. He also stated that he made an offer for Cameron in the winter, but it was turned down. Since then Frank Robinson, of Montreal, who owns the Toronto franchise, has taken out a commission and expects to leave for the front at any time now. In consequence of this Captain Robinson has informed Mr. Livingstone that he intends disposing of his franchise to the highest bidder.

The trade just put through comprises a cash consideration and men in exchange for the Toronto players. The Toronto team, which will acquire Jack Macdonald of Quebec in the deal for one, will not be weakened to any extent.

TIMMINS CONSTABLE PROVES NO GERMAN CONNECTION

In order to clear up certain rumors which have been circulated in Timmins and the district surrounding, Town Constable Craft, has placed before the local Municipal authorities and Mr. T. M. Wilson J.P., his naturalization papers showing that he is a properly qualified British subject. In presenting these papers, Mr. Craft has stated that he has not a drop of German blood in him and is of English and Scotch descent. The authorities named have expressed their satisfaction at the explanation and proof given by the officer.

RAIN STOPPED BALL

GAME AT DOME

Neither Team Scored In Five Minutes of Play Weich Took Place

Considering the threatening weather, a good crowd turned out to see Hollinger and Dome teams play on Dome grounds this week, but at the end of first innings the rain fell in torrents and there was a grand rush for shelter. After waiting the usual 5 minutes, umpire Ike Pierce called the game with neither team scoring.

Summary:

Dome—Hatch laid one down to third and was thrown out at first; McIntyre walked and stole second; Scobie out, grounder to third; Arnold out, grounder to pitcher.

Hollinger—Welland struck out; McCrimmon out grounder to first; Hagquist, with two strikes on him drove one to the pavilion for two bases but was left on second when Emery sent up a foul fly to first base—and then the rain.

Batteries—Dome, Lavigne and Campbell; Hollinger, and Smith.

Timmins will meet Dome next week on Dome grounds, and a good game should be the order.

Georgia Peach Dropped a Few Points This Week, But is Still Leading Batter, Etc.

Chicago, June 12.—Ty. Cobb is the only "four hundred hitter" left in the three big leagues, according to averages prepared here to-day, which include batters who have taken part in two or more games up to Thursday last. The percentage of the Detroit star fell away during the week from 42.7 to 40.3, but he ran his stolen base total up to 25 and his runs scored to 47 in 45 games, leading all rivals.

FACTS ABOUT ERRORS IN DAILY NEWSPAPERS

The capacity of some people for detecting errors in the newspapers is marvellous. Also it is singular how many unexpected meanings these people can find.

If the reporter wrote that the man wore a coat of such and such a character, some one may call up and ask if the coat was all the man had on? To satisfy these literalists you must enumerate item by item the other articles of attire, or they will accuse you of making the victim appear half naked.

The reader who digests his paper on the quiet in his home feels that he has shown great brilliancy if he detects an error in grammar or capitalization. It is one thing to find mistakes at your leisure in another man's work, quite another to turn out a high degree of accuracy and precision in the haste of newspaper composition.

The banker makes blunders in his figures, the lawyer draws up incorrect papers and the business man submits erroneous bills. Such blunders are known only to the few persons whom they concern. The newspaper is like the actor on the stage, whose slightest slip is manifest to all and seems ridiculous.

"What's the idea of having two office boys. You have hardly enough work for one."

"One of them is a National league fan and the other is strong for the American league, so I'm always sure of having one of them on hand. The only reason they're both here to-day is because it's raining."

Bacon: "And does your son show any signs of his college training?" Egbert: "Oh, yes; he's quite lame from an injury he received on the football field."
