Mr. Joe Keeney arrived at the Goldfields with his bride on Saturday night. He will probably be in need of a window cleaner soon to remove the impromptu decorations from his home.

Mr. Stanley Kitchen, who has been with the Marshall-Ecclestone firm for the past couple of years, has severed his connection with that firm to take a position in the office of the Northern Canada Power Co. A large number left yesterday for the annual pilgrimage to Ste. Anne de Beaupre.

Mr. I. E. Dunn of Schumacher, and Miss Ethel Miller of South Porcupine were married to-day.

"How much is gasoline now, Walter?" inquired Gasoline Gus.

"Forty cents a gallon," replied Walter.

"All right. Give me FOUR PINTS."

"Four pints? That's a gallon, isn't it?"

"Yep," said Gus, "But it sounds like more."

The large new tennis court which is being laid out on the Catholic Church grounds is nearing completion and will accommodate two sets of tennis. It will be second to none in the district.

Mr. H. J. Marshall arrived back in town on Saturday, after a couple of weeks in the south. He motored from Toronto to New York in a new Overland car which he purchased and will have it shipped up to Porcupine.

Fire Chief Nolan left town on Monday for Matheson to do some diamond drilling on claims in that section in which the Hollinger Mines are interested.

W. G. Barney, engineer, of Buffalo, is in the Porcupine camp to superintend the operations of the diamond drilling to be done on the Augurita claims.

George J. Miller, manager of the Miller-Independence mine at Boston Creek, who has been on a business trip to the States, has come north again. He placed orders for additional machinery while in the South.

Mr. A. Brazeau, the local tinsmith, reports that he picked up a sum of money and will restore same to the loser upon proving the ownership of the property found.
