Mr. and Mrs. W. H. Wilson wishes to thank the many citizens of the town who were so thoughtful and kind during their recent bereavement.

The Porcupine Lodge of Oddfellows will give a dance in their hall on Bruce avenue, South Porcupine, on Wednesday evening, September 20th, next, and a good time is in store for those who attend.

It has been fully decided to move the Masonic hall from Porcupine to South Porcupine, and a committee have the affair in hand, but it is hardly expected that it will take place before snow flies.

A number of the 159th Battalion arrived in town on the special, which left Camp Borden last Wednesday, and as the battalion is expected to go overseas shortly this will practically be their last leave.

McGraw's New Star

Manager McGraw of the Giants is convinced that he landed the greatest college player in the country when he signed Hank Stafford, the Tufts College second baseman, and several very good judges of young talent agree with the New York manager. The one thing about Stafford's record that attracted McGraw was his thirty stolen bases in twenty-two games, which is far above the work of all other collegians, except Lawry.
