

BANKRUPT STOCK SALE

Bought the \$5000,00 Clothing and Furnishing Stock of the Commonwealth Store at 55c on the dollar, along with which we have added the Bankrupt Stock of the Ford Clothing Company, Yonge St. Toronto, also purchased by us at a Ridiculously Low Figure

Both Stocks consisting of the newest and most up-to-the minute winter lines of Men's Clothing, Boots, Shoes and Rubbers, Hats and Caps, Underwar, Shirts, Hosiery and Men's Furnishings in general. Naturally an outlet such as ours, and ready cash gives us opportunities for "getting in right" on the purchase of such stocks. WE WOULD LIKE TO TAKE YOU INTO OUR CONFIDENCE, and tell you about the whole situation, but these details are hardly to your liking, but for GENUINE 14 KARAT, DYED-IN-THE-WOOL, SIMON PURE BAR-GAINS, this Bankrupt Stock Sale of ours beats anything that was ever staged in this North Country. Prices go tumbling down to the lowest level and strike absolute rock bottom. We want the doubtful folks to come to this sale. It's one of the kind that converts People from dealing with fellows, who always get "The Dutchman's 100 per cent. profit". Some of these slow-would-be-but-couldn't-haven't-got-the-price, etc. merchants will be horrified at the way we have put prices on the toboggan.

We are going to stimulate shopping in this town as it was never stimulated before The Red Tickets are the bargain signs and you'll find them by the hundreds all over the store

The Bargains told of below are just a brief index. There are scores of these wonderful Red Ticket Bargains which have been omitted for the lack of space.
