South Porcupine Patriotic Society

Receipts of the Society's Work

The Secretary of the South Porcupine Patriotic Society has just made interesting reports on the work done during the month of November. The following follows:—

Secretary's Report.
The work of the above mentioned Society during the month of November was gratifying. There seems to be the advent of winter and the time has come for Red Cross work. There is, however, plenty of room for new members, and we feel that there are many more ladies who could help. Our fees for membership are 25c for six months, and subscriptions go towards the interest of Red Cross work. There has been a branch of our Society formed at the Dome School House which meet on Monday evenings, and which has already turned in splendid work, the least commendable being done by children, both boys and girls. We hope to be able to report a further increase in our shipments for December. Will every lady who possibly can, come to our Red Cross meeting on P. B. Smith, Secretary.

GOLD NUGGET LODGE REBEKAHS INSTITUTED

Officers of Grand Assembly Institute Timmins Society.

Gold Nugget Lodge, No. 173, was duly instituted on Thursday evening, and a pleasant social evening enjoyed afterwards with the visiting officials and visitors from the newly organized lodge at South Porcupine. Sister Ralston, President, Sister Swartman, Vice-President, and Sister Violet Pearce, Grand Secretary of the Grand Assembly of Rebekahs, were the instituting officers. Forty applicants were received into the new lodge, which thus starts off with promising prospects.

On Friday, the visiting officials were taken on a sight-seeing trip, which included an interesting journey through the Hollinger.
