

# PORCUPINE HONOR ROLL

608

A list of the Porcupine men who have volunteered for overseas service since the beginning of the war appears hereunder. As some men from this district have enlisted for service with outside units, their names may be missing from the list, and we ask our readers to supply them as soon as noted so that the muster may be complete for reference.

# Judging a Town By Its Advertisers

Appearances sometimes are deceiving, but often the outside world has nothing but appearances to judge by.

And the world is not so very far wrong after all when it thinks that a man is not doing justice to himself nor giving any compliment to other people when he goes around unnecessarily with a dirty face or a flag flying behind.

It's all very well to sneer at "varnish" and "vener," but THEY DO IMPROVE THE APPEARANCE OF THINGS WITHOUT HURTING THE WOOD UNDERNEATH.

A dirty face doesn't mean a pure heart. The world would sooner see an honest patch than a piece of shirt tail.

Appearances DO count. And the world judges by what it can see. The

world judges men as "Neat and Nobby," "Dirty Faces," "Honest Patches," or "Shirt-Tail Flaunters," as the case may be.

And after a similar fashion a Town is judged by its advertisers.

If the business men advertising are many then the world thinks the Town has many BUSINESS men. If there are few advertisers, the world believes the BUSINESS men are few.

If the advertisements are live and up-to-date and honest, the world judges that the Town is built along the same good business lines. If the advertisements are dull or dishonest, then the world thinks, as Martin Ringrose used to say, that it's a case of "verses of vice."

Now the point is: what are YOU, Mr. Business Man, doing about it? Are you doing your full part to give

the Town a good name outside? Or are you blackening the eyes of the reputation of the place by indifference or worse? It is up to YOU!

And remember that in advertising your town in the right way you would be advertising your own business. You would reap the benefit. Tell your business story in your own way to the people. You owe that duty to yourself, to your business, to your town and to the world,—provided you have an honest story to tell.

The world doesn't know things by instinct. You have to tell them. Advertise! Keep advertising! And then do some more advertising. It will more than pay you in the end.

And anytime you want some more talk on Advertising, just phone 26, or call at The Porcupine Advance office, Timmins, Ont.
