Timmins News in Brief

Men employed on waterworks construction and other municipal work in Cobalt went on strike last week for a 50 cent per day increase. The Council was willing only to pay 25 cents per day above the present rate, and the men were paid off.

A special meeting of the Rebekah Lodge will be held in the Oddfellow's Hall, Timmins, on Thursday, October 18th., when the Assembly President, Sister Swartman will pay an official visit. All are earnestly invited to be present.

A Hallowe'en Dance is to be given on Tuesday evening, October 23rd., in the Masonic Hall, Timmins, under the auspices of the Women's Auxiliary of St. Matthew's Church. Appel's orchestra will be present at 9 o'clock sharp when dancing will commence. A pleasant evening assured for all. Tickets \$1.00; extra ladies, 50c.

Her many friends in the Camp will be pleased to know that Mrs. Shepard of the West Dome Mine, who recently was badly scalded and burned through the explosion of a can of lye, is making satisfactory progress to complete recovery from the painful injuries received.

There will be a Hallowe'en Supper in the Schumacher Methodist Church on Friday evening, November the 2nd., and plans are being perfected now to make it a pleasing success in every way. Supper will be served from 5:30 to 8 o'clock. A good musical and literary programme will be given after the supper.

There was only a small attendance at the meeting called here at the Miners' Union Hall, on Thursday evening last by the Independent Labor Party. There were no special addresses and no particular discussion of matters political, the main business of the meeting being the selection of delegates to attend the Convention of the Independent Labor Party to meet this week at Englehart to choose a candidate to contest this riding in the approaching Dominion Election. Mr. Len. Newton was chosen as the Independent Labor Party delegate from Timmins to go to the Englehart Convention. Delegates are also to be sent from South Porcupine and other nearby points.

There was a pitched battle on 4th Avenue one day last week, two women of the town mixing up in what may aptly be termed a "bloody fray," for there was blood spilled all over the road and in the police station where one of the women took refuge. On-lookers, who kept a safe distance, say that the women used fists, sticks, clubs and anything else that came handy, especially the Austrian language, and which was apparently the native tongue of both. One of the ladies required surgical attention after the fray, while the other one also carried away a bleeding and slightly scratched and battered face. It is things like this that keep life from seeming too dull and drab,—so long as they do not get too close.

The trenching behind the Goldfields across Fourth Avenue and on the lot next to the station last week was not, as one local humorist suggested, the preparation for the withstanding of an attack on the town by enemies, nor was it, as another suggested, a place to bury political parties. If it had been the latter, there are men in town who would go and dig it all up again. The trenching, however, was for the laying of pipes from behind the Hotel Goldfields to the new septic tank now constructed on the lot across the road from the end of the hotel. The building, formerly used as municipal offices, and now being moved to the rear of the Goldfields, will rest over the place where the hotel cesspool is now located, and this fact makes it necessary to fill in the old tank and construct a new one.

The Timmins Volunteer Firemen had a meeting on Friday evening, the chief item of general interest being the acceptance of the resignation of Mr. K. F. DeLong from the brigade and the appointment of others to succeed him. Mr. DeLong wrote the Brigade explaining that on account of his enlistment with the Royal Flying Corps, it was necessary for him to resign from the brigade. He expressed regret at severing the pleasant relations he had always enjoyed with the firemen. In accepting the resignation the Brigade voiced its regret at the loss of a first-class fireman and good citizen and expressed best wishes for his success in the Air Service and his safe return when warring days are over. Mr. Dan Warren was appointed as a Volunteer Fireman to take Mr. DeLong's place on the Brigade, and Mr. Cordy Robertson was elected to the captaincy of the Brigade left vacant by Mr. DeLong's removal.

Mr. George Abraham, of Barrie paid a flying visit to Camp last week.

Mrs. L. E. Dorway and daughter, Iola, returned from their vacation to Smith's Falls and Ottawa.

Messrs. E. S. and G. Noble left on Friday for Toronto to attend the funeral of their father who died suddenly on Thursday last.

Mr. J. Hepplestone has returned to town from Toronto, where he was unsuccessful in his application for the Royal Flying Corps, being unable to meet the stringent medical requirements.

Sufficient capital is now said to have been secured for the proposed co-operative store in Cobalt, and the store will be started up in the near future.

Mr. Karl Dreyer returned on Friday after a visit to Toronto, where he took treatment for his eye from specialists in the city.

Two Austrians were before Justice of the Peace H. E. Montgomery on Monday evening for not reporting on the tenth of the month as required by their undertaking. They had been working at a mine some distance from town and had found it inconvenient to reach here on the proper day. They were fined \$10 and costs each for the convenience.

Mr. J. D. Maclean, Town Foreman, returned last week from his visit to New Liskeard, Cobalt and other points south. While in Cobalt he was secured for the work of connecting up the cables of the Telephone Company, which cables were recently cut by the Town authorities on the idea that such procedure was legal and proper. It developed, however, that the legal time and procedure had not been fulfilled, and so the connections had to be made again and the Telephone Co. and the Town are now waiting the outcome of the injunctions entered and the other legal proceedings.

Thursday was another "off day" at the Police Court, there being practically no cases of importance. A group of Russians were fined \$1 and costs each, \$6.50 each in all, for gambling on the Lord's Day. Mr. Charles Pierce was unable to have his witnesses present in the case against him for assaulting a boy some weeks ago. "I guess there is nothing for you to do now but fine me," he suggested to the Magistrate. The Magistrate suggested that it was always best to keep cool and not take the law into one's own hands, and imposed a fine of \$2 and costs, \$8 in all. Provincial Officer Ackroyd had a number of cases of seizures of cases and confiscation of cases for the court to deal with and this concluded the business for the day. Kusunik, through his counsel, Mr. T. Torrance, entered a plea of guilty to a charge of breaking the law regarding gambling, but as the accused was not present in person, the Magistrate could not accept the plea as the offence is an indictable one. Accordingly in the absence of Kusunik, who was called away owing to the illness of a relative, the case was remanded for a week.
