

# News from Iroquois Falls

(From The Broke Hustler)

Mayor S. G. McCoubrey returned from Ottawa where he spent the week-end.

Miss Elsie T. Davis has returned to her home in New York City.

A Meeting of the Red Cross will be held at the home of Mrs. R. A. McInnis, November the 8th.

Messrs. Leland, McKenzie, Hubert and Gwinn intend leaving town on the 5th for a week's moose hunt.

Mr. and Mrs. Peter Donaldson are leaving this week for Thorold, Ont. Mr. Donaldson was a favorite among the men here.

Mr. and Mrs. L. A. Hartford and family arrived in town Saturday night. Mr. Hartford has taken a position as backtender.

Anyone who didn't hear the Spence Twins sing last Sunday night at the United Church surely missed a treat. For clearness of tone and distinctness of enunciation these girls compare favorably with the best girl singers in any town.

Mr. Cockburn, Office Manager of Abitibi Power & Paper Company, left on the National Sunday on a business trip to Toronto.

Mr. A. J. Hodgson, our genial Town Clerk, has just been appointed by the Ontario Government an issuer of hunting licenses. Now boys get your licenses and bring in a moose.

I would like to deny the statement published last week by Jack Frost, Bill Tierney and Imperial Bank Champion, that Shun is not still in a position to furnish Onion Bouquets at 912 Railroad Ave. And if the said ladies will call he will be delighted to furnish same. That is if the above gentlemen's appetites do not crave to such an extent that they eat them all up in the meantime.—Signed, Shun The Gardener.

Harry Bean says, "Grass does not grow on a busy street." Then why use all that Hair Tonic?

If some evening while going quietly on your way wild yells or other unearthly sounds rend the air don't be startled; The Iroquois Falls Indians are having another Pow Wow.

Answering the many insinuations about William Blanchard, Son Bill, and that now famous Moose; they brought back the bacon; what more do you want?

## BASKET BAL.

## FIRST YOUNG PEOPLE'S SOCIETY IN CONNECTION WITH THE CHURCH IN IROQUOIS FALLS

The young people of the United Church are organizing a Young People's Society something along the lines of a Christian Endeavor.

A committee has been formed for the drafting of a constitution which will be submitted to the young people next Monday evening, when a social evening will be held in the church. The need is great and there is manifest interest in the project. A full report of the organization will appear in next week's issue of The Broke Hustler. This is just to remind the young people that there is something doing and to advise them to be present next Monday evening at 8 o'clock.

# Why does Canada Raise Money by Selling Bonds?

**B**ONDS are issued payable in ten or twenty years, as the case may be. It means that the repayment of the money will be spread over ten or twenty years instead of being raised by taxation to meet current expenditures.

To raise by taxation all the money as fast as it is needed to carry on Canada's share in winning the war, would be an unbearable burden upon the people.

It would mean that more than a million dollars a day would have to be raised right now.

But to raise money by selling Canada's Victory Bonds means that those of the next generation who will benefit by the sacrifices this generation is making;

—who will share in the freedom this generation is fighting for and largely paying for—will also pay their share.

★ ★ ★

And when you buy Canada's Victory Bonds you make a first-class business investment in a security that is absolutely safe, likely to enhance in value after the war, and bearing a good rate of interest.

You help the country by keeping open the British market for Canadian products and this helps the general welfare in which you share.

★ ★ ★

And again, every Canadian who buys a Victory Bond becomes a financial partner or backer of Canada in the war.

When you buy a Canada Victory Bond

you give a personal pledge that you are going to help to win the war.

Every man and woman in Canada can help to win the war by buying Canada's Victory Bonds. And Canada wants the personal, individual interest and co-operation of every man and woman in the country.

The buying of Victory Bonds by the whole people unites them in a determination to win the war.

Every purchase of Canada's Victory Bonds is a blow for freedom against the tyranny of German Kultur.

Every bond sold is a new guarantee that Canada is in the war to the finish, until victory is with the Allies and the world has been made safe to live in.

Every bond you buy is a new pledge that Canada will remain true to herself, the Empire, the Allies and to freedom's cause.

So it is both patriotic and good business to
