**Make the inflammable
roof a closed chapter**

There is always a lesson after a fire—a gain in experience for a loss in money, property and lives. Fire teaches a lesson in roofs—it points to the shortcoming, the danger and the risk of the inflammable roof and to the safety and economy of

**JOHNS-MANVILLE
ASBESTOS ROOFINGS**

A roofing that is safe because it is resistant to fire. And economical too, because smoke, acids, fumes and atmospheric action leave no scars. IT NEVER NEEDS PAINT—costs nothing to maintain.

Johns-Manville offer a Johns-Manville Asbestos Roofing for every purpose.

Johns-Manville Asbestos Built-Up Roofing for flat roofs. Johns-Manville Asbestos Ready Roofing for sloping roofs. Johns-Manville Asbestos Corrugated Roofing for skeleton frame structures.

The broadest roofing policy in existence—

We realize that the service a roofing gives is a standing testimonial for or against a manufacturer's reputation. And reputation to Johns-Manville is the biggest factor in its business.

We protect the users of Johns-Manville Asbestos Roofing through a policy known as Johns-Manville Roofing Responsibility—To assure you satisfaction you may register your roofing with us. It then goes on the records of this company and it becomes our obligation, to see that your roofing gives you the full service promised for it.

Get all the facts from any Johns-Manville office listed below. Profit by the lesson the fire taught. See that your new roof is a Johns-Manville Asbestos Roof.

Johns-Manville Asbestos Roofing is examined, approved and labeled by the Underwriters' Laboratories, Inc., Chicago, U.S.A.
