Timmins News in Brief

Constable Greer had Deayon Giovanni before Justice of the Peace Montgomery last week on a charge of being drunk. The fine imposed was \$4 and costs.

Mr. Geo. S. Lowe was elected the People's Warden of the St. Matthew's Church last week, in succession to Dr. S. W. Otton who has enlisted with the Army Medical Corps.

All members of St. Matthew's troop of Boy Scouts are expected to assemble (in uniform) at the club rooms on Sunday morning next at 10.45 for the purpose of attending divine service.

Among those leaving this week to report for Military Service at Toronto was W. Oke, who left on Tuesday morning for the city.

For gambling, Osear Bora was before Justice of the Peace Montgomery last week, the charge being laid by Constable McInnis. Five dollars and costs paid.

Messrs. J. Dalton and J. Cunningham have purchased the Wheeler Livery at So. Porcupine, Mr. Wheeler's health forcing him to give up business for a time. Mr. Wheeler is back in the Camp this week after spending some days in Belleville where he was taking medical treatment.

Chief Clark and Constable Greer arrested two women in a lunch room on Third Avenue at an early hour on Monday. The women are charged with immoral living and are out on heavy bail until Thursday when they will appear before Magistrate Atkinson.

Last week 424 aliens reported at the police station as required by their undertaking. This number is a few less than the previous month, but the difference is due to those who have taken out permits to leave the Camp. Next month the number will be still further reduced as about 60 have been transferred so that they will report to Constable McInnis at Moneta, instead of here.

Mayor S. G. McCoubrey, Magistrate F. K. Ebbitt, Town Clerk A. J. Hodgson, and Mr. R. J. Hart, of Iroquois Falls, were visitors to Timmins last Wednesday. While here they had a busy time, attending the meeting of the Liberal-Conservative Association for Cochrane District, held in the Council Chambers at 8 p.m., and later being visitors at Golden Beaver Lodge, A.F. & A.M.

Many would-be humorists ask the question:—"When the whole country goes 'bone-dry' in April, how will they manage to make up the revenue now derived from liquor fines?" One answer, perhaps, comes from New Liskeard. Ten New Liskeard citizens were fined \$10 and costs each a week ago for allowing their dogs to run at large. Trust the towns to find ways and means for gathering fines! And trust the people to deserve fines some way or another much of the time. If every man in this town having a dog running at large were fined \$10 and costs this week it would reduce the tax rate a little.

Sam Saschuck, an Austrian, is under arrest charged with issuing worthless cheques to the extent of \$200. The complainant is Andrew Manchuck, and according to the story Sam borrowed \$100 to go back to the Soo, giving a cheque in place of the cash received. He was later found by Andrew as not having gone to the Soo, and he explained that he had lost that \$100, so Andrew gave him another \$100 cash and Sam issued another cheque on the Soo bank. Sam will have further opportunity to explain before Magistrate Atkinson on Thursday.

"The Birth of a Nation," the Griffiths masterpiece in moving picture plays, was here on Thursday of last week and drew good houses. The play was through here about a year ago and it is a proof of its fame and excellence that on this second appearance it should still be a big drawing card at high prices. The orchestra of four from Toronto was one of the features of the event, although many expected a larger orchestra. On Friday night the show was given at Schumacher and on Saturday night at So. Porcupine, drawing large crowds at both these places. Owing to the railway service the picture did not reach Timmins for the event advertised for Wednesday night. "We are very sorry about it," the agent for "The Birth of a Nation" told The Advance, "but it could not be helped, and we are the losers and the only losers of real money over it. Everyone who bought a ticket for Wednesday night can secure their money back; they are entitled to it; and we stand the loss."

Born—At Ailsa Craig, Ont., on Thursday, February 14th., 1918, to Mr. and Mrs. W. R. Seeli,—a daughter

Mr. N. Racicot returned last Wednesday from a week's visit in Sudbury.

Lieut. J. E. McCuaig, formerly Mayor of Haileybury, has been promoted to the position of Officer Commanding of the 72nd. Canadian Overseas Forestry Corps.

Mr. H. C. McDonald, manager of the Timmins branch of the Imperial Bank, was a visitor last week to Toronto and other points south.

Pte. Joe Brennan spent a few days furlough in town last week, returning on Friday to his military duties in Toronto.

Miss McLaughlin who has been on the staff of the Imperial Bank here for some months, has been transferred to the Cobalt branch.

During Lent special services will be held in St. Matthew's Church every Friday evening, commencing at 7.30 o'clock. Subject of the addresses:—"Christ's Three-fold Temptation."

Pte. Ken Deacon, who has been in England for some months with one of the Forestry Drafts, has been honorably discharged on account of physical unfitness for active service, and will likely be home here again in May.

Dr. S. W. Otton, who recently left here to take up his duties as a member of the Army Medical Corps, is meeting with rapid advancement in that service. He has been promoted to the rank of Captain in the A. M. C.

Writing enroute to St. John, N.B., Corporal P. M. Bardessono says, among other things:—"I'm Jake. I never felt better. All the boys in the best of spirits. I have charge of 50 men, 10 of them from Timmins. Was used white in Toronto. So long for time being.—Pete."

Following the new fuel regulations the New Empire Theatre will be closed on Mondays, the start being made on Monday evening of this week there being no show here. Schumacher moving picture show is also closed on Mondays.

Mrs. Morley, of Moneta, received a telegram yesterday morning asking her to come to Toronto as her husband is in a serious condition in the hospital there, the recent injury to his leg for which he went to Toronto for treatment having developed into gangrene.

While in town last week Mayor McCoubrey of Iroquois Falls, received a wire from Mrs. McCoubrey giving the information that her brother was among the U.S. soldiers on the liner Tuscania sunk off the coast of Ireland. It was not known at the time whether he was among those saved or not. By an odd coincidence all the soldiers saved from the boat were landed at Larkin, and Larkin is the old home-town of Mrs. McCoubrey and her brother. The latter has been away from home for fifteen years and though often urged to come home for a visit, he always deferred that visit from time to time. Having enlisted with the U. S. Army it was his intention, of course, to visit his old home while overseas, but it would be an odd coincidence if this visit were so unexpectedly hastened by the German attack on the Tuscania.

Through the poor railroad service enjoyed (or otherwise) by Timmins during the past few weeks, this town has retrogressed to the position of practically having only two or three mails a week from Toronto. It is only fair to state that the trouble has all been caused south of North Bay apparently,—on the G.T.R. between the Bay and the City. Two or three times recently trains out of Toronto have been cancelled altogether on account of the hopeless chances they had of getting through the cold snow-storms from Allandale north. Last week Cobalt had a big snow storm, the inhabitants waking up at noon only to be forced to get up and dig their way next door through five or six feet of snow to borrow a frying pan to get breakfast. Timmins has so far this winter escaped all the severe storms that other metropolitan centres have suffered from. This place, of course, has had a few spells of the "Forty Below" stuff, but otherwise it has been beautiful weather. This prompts the optimists suggest that this Camp be used as a summer resort during the winter for the poor benighted citizens of the frozen south. The pessimists, on the other hand, say that the corrugated winter is not over yet and it is tempting Providence with the mail service from Toronto in view.
