Timmins News in Brief

Mrs. H. Skavlem left last week for Chicago.

Capt. Sherrill, of Toronto, was a visitor at the Dome Lake last week.

Mr. David, who has been visiting in town, left last week for his farm at New Liskeard.

Mr. Joe Berini has gone on a business trip to Port Arthur and Saskatoon.

Hill, Clarke & Francis, are considering moving their head office to New Liskeard again.

Mr. I. E. Dunn, of Schumacher, is leaving this week for an extended trip to the West.

His many friends are pleased to see Mr. H. Mulheron, manager of the Goldfields, able to be up and around again after a couple of weeks' illness that confined him to his bed.

Mr. R. J. Winter, District Inspector of the London Life Insurance Co., with headquarters at North Bay, has been a visitor to Timmins during the past week. However, this is not the only Winter that has visited Timmins this Spring.

The Curtis Drug Company will open a new Drug and Sundry Store next to the New Empire Theatre on or about May 1st. A large and complete stock in the most up-to-date and best fitted store in the North Land. Watch for announcement of exact date of opening.

Secretary "Bill" Turley, of the Great War Veterans' Association, is to visit the North Land in the next few days, going first to Cobalt. He is one of the Veterans particularly strong on the idea that all aliens should be conscripted for service during the war, and he should get many additional pointers and emphasize on the topic right here.

The D. Y. B. Club spent a pleasant evening at the home of Mrs. M. A. Ellis on Monday night, a large number being present. After the business meeting the matter of a Dance was discussed, and it was decided to hold a Dance in the Masonic Hall on Friday evening, April 19th. The next meeting of the D.Y.B. Club will be held at the home of Mrs. Ellis on April 15th. Work taken in 21 pairs of socks 1 shirt.

The Haileyburian, with its own rare philosophy has studied life out as follows:—"When you see a stranger coming from the depot did you ever try to figure out where he has just arrived from? If he has yesterday's Toronto Paper in his pocket, he hails from down the line. If it is the day-before-yesterday's paper, he comes from up North. If it is last week's paper he hails from South Porcupine. If he has the Bible Student's Monthly, he is from New Liskeard, and if he has no paper at all he's from Iroquois Falls. If his shoes are covered with mud, he hasn't come from anywhere,—he's a Haileyburian!"

T. Edwards, one of the "conscientious objectors" of the Pastor Russell brand, some time ago applied for exemption at Haileybury, but was refused. When his notice to report for service came along he sent it back and expressed his intention of refusing to comply. When he was before the Magistrate recently on another charge he was warned that he must obey the Military Service Act, as well as other laws of the land, but he knew all about it. However, last week he was taken down under escort to Toronto and will be put into khaki. He failed to convert the Dominion Police to Pastor Russellism, and it is not likely he will have better luck with the Military at Toronto.

A ten-round boxing exhibition is promised at an early date between Morrow, the French-Canadian, and Frederick Finch, the British-Irishman. "I have been waiting five months for Morrow to set the date," said Finch this week, "and in the meantime or before or after I am ready to take on anybody from 126 to 140 lbs. I am ready to box here or go elsewhere to do it and nobody is barred in my class. I haven't been trimmed yet, and don't you make any mistake about that." Finch is known in the North Land where he has been for some years. Morrow has been in town for about a year. When application was made to the Council for permission to hold the bout, Councillor Globe said: "If anybody these days wants to get into a fight Flanders is the place for them to go." The Advance suggested to Finch that he go down to Quebec to clean up there, but he only laughed and answered, "Wait till I get finished with Morrow." The date has not yet been set for the bout.

Dr. Brown returned last week from a visit to the south.

Court of Revision on the Timmins Assessment Roll is scheduled for May 1st.

Mr. Walter Turner, now of Sudbury, was a visitor to Camp over the week-end.

Miss Pearl Archer, of Cochrane, recently was the guest of her sister, Mrs. A. Luxton.

Mr. J. Keeney, who has been boss carpenter at the Porcupine Crown, left last week for Sudbury.

Mr. Geo. Henderson, who recently left the Dome Mines, has enlisted in the Canadian Engineers at Toronto.

Lieut. Jack Munro left last week for Kansas City, Mo., to open his lecture campaign for the U.S. Liberty Loan sale.

E. M. Allworth has practically completed his contract for the electric wiring of Montith station on the T. & N.O. Railway.

Constable Greer had Peter Holie, Joe Hanton, Saval Proud, John Evan-chuck and O. Petula before Justice of the Peace Montgomery this week on a charge of gambling on the Lord's Day. They all pleaded guilty and paid \$10 and costs each.

Sunday's "National" was eight or nine hours late, and so no connections was made at the Junction by the regular Sunday afternoon train. As there were over 40 passengers for Timmins and other nearby points (including some of prominence whose time is valuable) the train was ordered out of here in the evening and went down again to the junction and made the necessary connection with the "National."

Mr. J. McGrath has enlisted with the 28th Engineers of Maryland, U.S.A. and is leaving shortly to take up his duties in that service. This corps is in need of men, quartermen chiefly. It is a volunteer service exclusively. Any U.S.A. citizens here who may be interested and have the necessary qualifications can no doubt secure full particulars of the service and its requirements from the Commanding Officer, Camp Meade, Maryland, U.S.A.

Mr. Carl Mueller had his Spinning Jenny out last week in racing form, decks stripped and cleared for action. The old Ford looked almost like a racing car, but it made a noise like a Town Councillor kicking against the police,—knock-knock, knock-knock, knock-knock! This week, however, the gentle snow came down to kindly cover up the new-made graves, and the old Fords, and the dirty backyards.

Last week the Toronto Stock Exchange started the Daylight Saving hours to agree with the inauguration of the foolishness on the other side of the line. The Toronto Exchange has changed its hours so that the Board is open now from 9 to 11.30 a.m. and from 1 to 2 p.m. The time used to be from 10 to 12.30 and from 2 to 3 p.m. With hours like these, of course, Daylight Saving is a wonderful thing, don't it? The Toronto Stock Exchange is practically unanimous in believing that the Daylight Saving scheme is simply great; it gives a whole full extra hour of daylight between 2 and 3 p.m. for watering the stock and exercising the bull. The Exchange members cannot understand why the corrugated old farmers are kicking on this wonderful Daylight Saving plan. It seems almost as Heaven-inspired as local option or teetotalism.

According to letters received in the Camp this week from Pte. Dan Doo-ley, both the Old Settler and Pte. Cecil Lloyd have recently had furloughs long enough and wide enough for them to pay a visit to Ireland. Dan thinks Ireland a great country entirely,—nothing green there but the grass and the shamrocks and the flags and some of the bottles. Dan thinks Ireland is ahead of even Quebec in some ways. One way he says Ireland is ahead of Quebec is because it is so far behind Quebec in the matters of Conscription and Prohibition. Both Dan and Cecil got shamrocks from Ireland as souvenirs, and they left behind them in return samples of Irish wit for the natives to use and admire and turn over as their own later on. The Old Settler and his little partner, Cecil, send best regards to all their friends in the Camp. They would have sent shamrocks to each friend here, but there were not enough shamrocks in Ireland to do that. If they are all going into "greater production" in Ireland, however, maybe Dan and Cecil can fix up all their friends with shamrock leaves when the war is over.

District Deputy Grand Master H. W. Sutcliffe, of New Liskeard, will pay an official visit to Golden Beaver Lodge, A.F. & A.M., this evening.
