**Try our Pure
Pork Sausage**

It is in a class by itself, made
from choice, selected, Govern-
ment - inspected young
Pork, mildly seasoned with
pure spices and Made Fresh

Every Day

DON'T buy Sausage made
four or five hundred miles
away. It is generally about
10 days old and liable to be
sour, causing gas and fer-
mentation. Our PURE PORK
SAUSAGE has a sweet, nutty
flavor, is easily digested, and
is a real treat. Once
tried you will use no other.

but will discontinue just as soon as I receive word that my new store at Sudbury is ready for occupation. I still have about \$14,000 worth of stock of the Highest Grade. It is worth a great deal more in a real active town and it would pay me to move it, but until I am ready to go the big selling-out sale will continue

My stock consists of lines that have never before been found on bargain tables—have never before been offered below the regular standard selling price.

JAEGER PURE-WOOL GOODS

will soon be off the market on account of the scarcity of wool. The British Government control the entire wool crop of the world and are reserving 90 per cent. of it for military use. I still have a good stock of this famous line in Shirts, Socks, Underwear, Caps, Bathing Suits, Gloves, Hood and Scarfs, Etc., at greatly reduced prices.

CLUETT-PEABODY

makers of the famous "Arrow" brand Shirts and Collars. I control the agency for this line. Collars are now worth 25c each. My selling-out price 2 for 25c.

Arrow Shirts in a great variety of patterns are reduced accordingly.

**Canadian Rubber Company
WATERPROOF COATS**

My spring stock just arrived before the sale commenced. All garments being made to order I was unable to cancel. These are going at cost, plus a few cents freight charges, and range in price from \$3.79 to \$16.75.

**Stetson, Borsalino, and King
HATS**

\$5.25 \$3.85 \$2.40
"nuf sed"

Straws and Panamas at cost

The ALTRO SHOE

for women, manufactured by the Minister-Myles Shoe Co. Ltd. All lines are new this spring. All sizes, Selling at cost.

The HARTT SHOE

for men, known as the "Hannan" of Canada. Nothing but the best of oak tan stock used. Sells for \$12 in the cities and \$10 in the rural districts. My selling-out price \$6.35 and \$8.45

**Leather Label and Peabody
OVERALLS**

that were bought before the big advance. They are now worth \$2.50 a pair; my price \$1.59

**Stanfield's, Woolsey, and
Tru-Knit
UNDERWEAR**

suitable for summer or winter wear; selling for just half the replacing price.

I also have boots and shoes for every member of the family in staple lines; also Miners' Boots, Gendron Penetangs, the Dayfoot Shoe, all styles in Tennis Shoes and White Canvas Goods.

This is not a so-called Clearing or Money-Raising Sale to satisfy creditors, but a Real Genuine Selling-Out Sale where every article is reduced and offered for sale.

Come early while the selection is still good.
