PROCLAMATION

GEORGE the FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come or whom the same may in any wise concern,—GREETING :

A Proclamation of conditional amnesty respecting men belonging to Class I under the Military Service Act, 1917, who have disobeyed our Proclamation of 13th October, 1917, or their orders to report for duty, or are deserters or absent without leave from the Canadian Expeditionary Force.

E. L. NEWCOMBE, Deputy Minister of Justice, Canada. WHEREAS considerable numbers of men belonging to Class I under our Military Service Act, 1917, called out on active service in our Canadian Expeditionary Force for the defence of Canada under Our Proclamation of 13th October, 1917, although they have thus become by law soldiers enlisted in the Military Service of Canada,

Have failed to report for duty as lawfully required of them under the said Military Service Act and the regulations thereunder, including the Order in Council duly passed on April 20 last,

Or have deserted, Or absented themselves without leave from our Canadian Expeditionary Force,

And it is represented that the very serious and unfortunate situation in which these men find themselves is due in many cases to the fact that, notwithstanding the information and warning contained in Our Proclamation aforesaid, they have misunderstood their duty or obligation, or have been misled by the advice of ill-disposed, disloyal or seditious persons.

AND WHEREAS we desire, if possible, to avoid the infliction of the heavy penalties which the law imposes for the offences of which these soldiers have thus been guilty, and to afford them an opportunity within a limited time to report and make their services available in Our Canadian Expeditionary Force as is by law their bounden duty, and as is necessary for the defence of Our Dominion of Canada.

NOW KNOW YE that we in the exercise of Our powers, and of Our good will and pleasure in that behalf, do hereby proclaim and declare and cause to be published and made known THAT THE PENALTIES OF THE LAW WILL NOT BE IMPOSED OR EXACTED as against the men who belong to Class I under Our Military Service Act, 1917, and who have disobeyed Our Proclamation aforesaid; or who have received notice from any of Our registrars or deputy registrars to report for duty on a day now past and have failed so to report; or who, having reported and obtained leave of absence, have failed to report at the expiry of their leave, or have become deserters from Our Expeditionary Force, PROVIDED THEY REPORT FOR DUTY ON OR BEFORE THE TWENTY FOURTH DAY OF AUGUST 1918.

AND WE DO HEREBY STRICTLY WARN AND SOLEMNLY IMPRESS UPON ALL SUCH MEN, and as well those who employ, harbour, conceal or assist them in their disobedience, that, if they persist in their failure to report, absence or desertion until the expiry of the last mentioned day, they will be pursued and punished with all the rigour and severity of the law. SUBJECT TO THE JUDGMENT OF OUR COURTS MARTIAL WHICH WILL BE CONVENED TO TRY SUCH CASES or other competent tribunals: and also that those who employ, harbour, conceal or assist such men will be held strictly accountable as offenders and subject to the pains, penalties and forfeitures in that behalf by law provided for their said offence.

Provided however that nothing contained in this Our Proclamation is intended to release the men aforesaid from their obligation to report for duty as soon as possible or to grant them immunity from arrest or detention in the meantime for the purpose of compelling them to perform their military duty; Our intention being merely to forego or remit the penalties heretofore incurred for failure to report, absence without leave or desertion incurred by those men of the description aforesaid who shall be in the proper discharge of their military duties on or before the said twenty-fourth day of August, 1918.

Of all of which Our loving subjects and all others whom these presents may concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. Witness: Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter; One of Our Most Honourable Privy Council; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of OTTAWA, this FIRST day of AUGUST, in the year of Our Lord one thousand nine hundred and eighteen, and in the ninth year of Our Reign.

By Command,

Thomas Mulcahy
Under-Secretary of State.

YEAR'S IMPRISONMENT FOR BIG BULGARIAN

Camberoff Sentenced for Keeping Disorderly House. Other Court Cas'ns.

Thursday seemed to be an unlucky day for some of the town's alien enemies who have been acting up to their national characteristics. Camberoff, the "King of the Bulgarians," was sentenced to one year's imprisonment by Magistrate Atkinson. Another Bulgarian, failing a hundred dollar fine, went down for four months for bringing a girl to Camberoff's for immoral purposes. An Austrian milkman was fined \$10 and costs, or \$19.50 in all, for taking wood from a lot without permission. Frank Lesnay, on a charge of allowing his auto to be used for the advancement of immoral purposes, escaped with a warning as the evidence was not conclusive. Magistrate Atkinson gave the German to understand, however, that he must be careful as to the uses for which he lends his car. The Bulgarian baker was fined \$100 and costs for breach of the Food Regulations regarding the making of bread.

Mr. Gordon Gauthier made a very able defence of Camberoff, but the evidence brought forward by Officers Greer and Allen convicted the Big Bulgarian. The police gave evidence showing the reputation of Camberoff's building and explained that it had been under attention for some time. Two girls, one employed for a time at a local cafe and the other more recently from Montreal, gave evidence as to Camberoff inducing or allowing them to use his place for immoral purposes. With both girls, according to the evidence, he had agreed to share the proceeds "fifty-fifty." When the Magistrate sentenced him to one year's imprisonment the Bulgarian lost his important bearing and came near collapse.

The two girls in the case were charged with immoral living, but a week's remand was made in each case.

Mrs. Burribee, a nurse who went temporarily insane last week and threatened people with a gun she had committed to the asylum.

The young girl who attempted suicide recently was remanded for a week and allowed out on her own bail. Magistrate Atkinson giving her good advice and warning, and securing her promise to keep her good sense hereafter.

Easton, 3 pairs; Miss Violet McBain, Miss Olive McGuire and Miss Rose Burns, 2 pairs of socks each; and Misses Olive Orr, Irene Wilson, Pearl Kennedy, Ivy Starling, Becky Bartlett, Dolly Carlson, Margaret Adams, Hazel Phillips, Winnie Starling, Hazel Starr Evelyn Brinton, Mrs. Cook and Miss Mackenzie, 1 pair of socks each. DOCTOR AT CREIGHTON MINES TAKES OWN LIFE.

Last week the body of Dr. Leary, physician at Creighton Mines, was discovered floating in Meat Bird Lake, near Sudbury. He had disappeared a week previously and it was found that he had taken his own life while temporarily deranged. He was a young man of talent and had spent over two years with the Canadian Army Medical Corps overseas. Dr. Leary had filled his pockets with stones and running down to the lake jumped into the water.

Mrs. Ed. Lee and children returned to Timmins on Saturday after a vacation at Lennoxville, Que.

Pick the Berries!

Patriotism and the pocket-book alike should prompt all this year to gather the delicious wild berries of the North Land. Tame fruit is scarce down south, and so all the wild fruit gathered will help in making a further supply of tame fruit available for the jams necessary for the soldiers and sailors

H. W. WARREN.

Timmins, Aug. 13th., 1918.

Baseball has been thriving in Timmins, and new teams have sprung up. Last Wednesday the Hollinger Mill and Machinists had a game, the Mill winning in a walk. At the week-end game the Married Men secured their first victory over the Singles with a 13 to 12 score after an exciting game. On Monday evening the Golden Beavers and Porcupine Masons played again, tying the score, 18 to 18. Tuesday evening the Hollinger office defeated the Working Staff 12 to 10 in a game scheduled to close, irrespective of innings, at 8 p.m. Today the Timmins team is playing at Iroquois Falls, the Band going down with them.

THE TWINS.

There were two brothers, John and James. And when the town went in flames, To save the house of James dashed John.

Then turned, and lo! his own was gone

And when the great World War began,

To volunteer John promptly ran;

And while he learned live bombs to lob,

James stayed at home and—sneaked his job.

John came home with a missing limb;

That didn't seem to worry him;

But oh! it set his brain awirl

To find that James had—sneaked his girl!

Time passed. John tried his grief to drown;

To-day James owns half the town;

His Army Contracts riches yield;

And John? Well, SEARCH THE POTTER'S FIELD.

"Rhymes of a Red Cross Man"

The card, "Boy Wanted," had been in the window only a few minutes

when a red-headed little lad climbed to the office with the sign under his arm.

"Say, mister," he demanded of the boss, "did youse hang out this here 'Boy Wanted Sign?'"

"I did, replied the merchant sternly. "Why did you tear it down?'"

"Hully gee!" blurted the youngster "Why, I'm the boy!"

—He got the job.—Washington Star.

Mr. Duncan McInnis, formerly a member of the Iroquois Falls police force, but recently on the Hollinger mine staff, left this week for Parry Sound, where he has accepted a position on the police force there.
