To friends in the Porcupine the Safety Stove Pipe Company Limited is offering a number of shares at \$100 per share. This is the Company taking over the business, goodwill, etc., of Patenaude & Berini, who have made such a success of their patent stove pipe business.

To provide for the steadily growing business more capital was necessary, hence the organization of the company.

Although all the shares could have been sold in Toronto and other centres, the founders of the company wish to give their friends in the camp a chance to get in on the ground floor. Mr. Joseph Berini is President of the

Company, Mr. A. O. Patenaude, Vice-President, and Mr. A. Lalonde, Secretary-Treasurer and Manager.
