AMBASSADOR JAMES W. GERARD'S

# MY FOUR YEARS IN GERMANY

TEN PARTS

In this wonderful feature film you see scene after scene that exposes the German menace to the world's freedom. The over-running of Belgium, the German prison camps, the U boat warfare, the underground pages of German diplomacy

## YOU SEE

which Germany never intended the world should ever find out.

This is no mere fiction of motion pictures, but a marvellous production of facts which will go down in the history of the world for generations yet to come.
