**1500 INDIANS EXPECTED  
AT THE PAS DOG RACE.**

One of the special features at the Pas (Manitoba) Dog Team Race on March 17th will be the presence of about 1500 of the Six Cree Indians. They are to be given a special place, with a guard of honor of returned soldiers, in the big parade on the day of the race. This parade will also include the entries for the race, mining men, trappers, Hudson Bay factors, etc. The Duke of Devonshire has been invited to be present on the 17th as have also the Lieutenant-Governors and the Premiers of all the Western Provinces, and some leading editors. A number of moving picture film-making concerns have also been asked to send representatives for the occasion to take pictures of the race and the other events of the day. The Pas is striving to make the 1919 Dog Team Race a memorable event and a big advertisement for the district. A prize is being offered for the best looking dog team turnout on the occasion. The suggestion has also been made that each team carry a weight of at least 200 lbs as a test of endurance.

**READ AND REMEMBER THAT  
"ADVANCE" RULE AFFAIR**

Quite a number of subscriptions expire this month and The Advance would again suggest to readers that they look at their labels and if they are not paid up in advance that they attend to the matter at once. All subscriptions to The Advance are payable strictly in advance, and unless subscriptions are renewed promptly we have no way of knowing that you really wish the paper continued. If you receive a "pink slip" in your copy it is a reminder that your subscription is due. Attend to it at once. The first figure after your name on the label stands for the month and the other number for the year. Thus "2-19" means the subscription is paid until the second month of the year 1919, or February, 1919. In such a case, send in your subscription at once, so that we will know that you continue to desire to receive The Porcupine Advance. The subscription price is \$2.00 per year to any address in Canada; \$3.00 to U.S. addresses.

**ANOTHER ON SOUTH END.  
ATTENTION MR. WILSON.**

When Mr. C. M. Auer was out this week collecting the prizes for the Dog Race a man stopped him on street and said:—"Are you fellows giving a prize for the best time made by any dog team from South Porcupine to Timmins?"

"Yes," said Mr. Auer.  
"Well, that's no good then," was the reply.

"Why?" Mr. Auer asked.  
"Because," said the man, "everybody knows that any dog would make the best time possible getting from South Porcupine, if he were headed for Timmins."

Privately Mr. Auer thought the joke a good one on South End and nicely sprung, but he is afraid to say so. "I remember," he says "when they chased me down to the dock at Golden City, just at the time that Timmins was starting to get ready to be a city. All I did was to approach the Council of Whitney quite seriously and ask them if they would entertain an offer to buy all the sidewalks they weren't using and transport them bodily to Timmins for the use of this rapidly growing town."

Matheson is planning a series of banquets in honor of the town's returned soldiers. The banquets will be held in the United Church building.

Mr. Thos. Hilliard, of Renfrew, was the guest here last week of Mr. Alex. Stirling, Superintendent of Ontario Government Roads. Mr. Hilliard is a large owner of real estate in Renfrew and so is specially interested in fire protection matters. Just at present there is some difficulty in connection with the Renfrew Volunteer Fire Department, and so Mr. Hilliard found much to interest him in the Timmins Fire Department where all is harmony and goodwill as between the men themselves and between the men and the Town Council. He saw the response of the local firemen to an unexpected call, and he was delighted with the speed and capability shown. The number of firemen responding, as well as the equipment and the co-operation between the Council and the Department also impressed him and on returning home he will no doubt be able to give the Renfrew Town Council some good advice. "Be as generous and as considerate of your volunteer firemen as the Town of Timmins, and you will get the best of service just as Timmins does," will no doubt be the substance of his advice. Mr. Hilliard has some interests in the North Land and his visit was partly with a view of further investments in this great and promising country.

**ANOTHER LIQUOR PLAN  
LEAKED OUT IN NORTH.**

In both North Bay and Sudbury last week another scheme for getting in liquor literally "leaked out." In one case a box marked "cloth" had been addressed to Worthington, Ontario, but by mistake was sent to Worthington Crescent, Sudbury, Ont. While it was awaiting delivery the box started to leak, the "cloth" apparently being "lining" of a sort to keep men warm. The License Inspector investigated the leak and under some cloth found a three-gallon keg of highwines. The liquor was confiscated but no one can be found to claim it. In North Bay several packages, marked "cloth," were also seized and found to contain liquor. The "cloth" came from Montreal.

**GAMBLERS SAID TO HAVE  
MADE \$30,000 IN SUDBURY.**

An investigation is in progress at Sudbury at the present time regarding the charge that two clever gamblers recently cleaned up \$30,000 in the nickel city before they were disturbed by the police. Around the end of last year Wm. Allen, an expugilist, and a woman described as "the lady with the leopard coat" came to Sudbury and opened up a swell gambling parlor, where poker and roulette were the order of the day and evening. One prominent Sudbury man lost \$3,000, it is said and others lost from \$1000 down. The Sudbury police, however, claim that they did not know of the existence of the gambling place and that as soon as they did they got right after it. The new Councilors in Sudbury are quite interested in the matter and hence the investigation.
