Timmins News in Brief

Miss L. Maltis is visiting in Timmins to this week.

The regular meeting of the Town Council will be held on Monday evening next.

Mr. David Carling has been ill with the prevalent influenza, but is now well on the way to recovery.

Mr. C. L. Heath is making good progress to recovery from his recent attack of influenza.

Her many friends were pleased to see Mrs. David Sloan able to be out again after her recent illness.

Mr. A. Morel, of Cobalt, is here in charge of the Grodwards Company business in the absence of Mr. Vincent Woodbury in the far south.

The Town Council of New Liskeard has erected two arches of welcome in honor of the returned soldiers of the town.

All will be delighted to hear that Pte. M. Shields, formerly with the Canadian Express Co., at South Porcupine, who was reported some months ago as killed in action, is on the contrary still alive and well and back again in Canada. He is at present in Toronto but may make a visit to the old Porcupine in the near future.

Tickets are selling like proverbial "hot cakes" for the G.W.V.A. Welcome Home Dance next Monday, March 3rd. The cause to which the proceeds will go is recognized by all right-thinking people as a good one, and all may be assured that the Welcome Home Dance will be one of the most pleasing events of its kind ever held in Timmins.

Haileybury's returned soldiers have organized a branch of the G.W.V.A. in their town, finding it inconvenient and not as much to their advantage to belong to the Cobalt Branch as to have one of their own. About 20 members now belonging to the Cobalt G.W.V.A. will transfer to the Haileybury Branch and there are applications in for seven other new members.

Dr. McInnis, Mayor of Timmins, has received a communication from Mr. Hamilton B. Willis generously offering to donate a handsome silver cup each year to the winner of the Dog Team Race. There is little doubt but that this kindly offer will be thankfully accepted by the Committee and so each winner of the Dog Team Race hereafter will be the proud possessor of a handsome trophy.

Lieut. Thos. Swallow, brother of Miss E. Swallow, of the Schumacher Branch of the Canadian Bank of Commerce, returned to his home at Powsassan recently after long and trying service overseas. He was four years in the Army, was twice wounded, and also had a serious battle with the prevalent influenza. He triumphed over all, however, and is now back in Canada recovered from all the hardships overseas.

The regular meeting of the Ratepayers' Association was held in the Council Chambers on Friday evening of last week, and many questions of importance to the citizens of the town were considered and discussed. The various other events in town on Friday evening prevented the attendance from being as large as it would otherwise have been, but nevertheless the meeting was an interesting one and the discussion stimulating and helpful. Ratepayers will find the meetings of the Association a convenient "clearing house" for ideas for better municipal government and improvements to the town and all good citizens should make a point of keeping up interest in the Timmins Ratepayers' Association.

LITTLE BEULAH STEWART PASSED AWAY ON FRIDAY

Very general and very sincere sympathy will go out to Mr. and Mrs. J. L. Stewart in the sad death at St. Mary's Hospital on Friday last of their little daughter, Beulah. While playing at home the previous Saturday the youngster had fallen and grasping at something to save herself had overturned a kettle of boiling water which seald her from the forehead to the knees. The child was taken to the hospital where every possible care was given, and for a time it seemed possible that she might recover. She was very badly burned, however, and in addition, pneumonia developed and about 2 o'clock on Friday the child passed to rest. The courage and patience with which the little girl bore the injuries received and her sweet disposition and cleverness won all hearts at the hospital. The funeral took place on Saturday afternoon.

Mr. P. Gerard, of Iroquois Falls, was a Timmins visitor over the weekend.

Mrs. J. N. Angriqnon and family have moved from Schumacher to Toronto where they will reside in future.

Mr. "Babe" Warren, of Iroquois Falls, was a Timmins visitor over Sunday.

The Town Hockey team is planning to go to New Liskeard next week for a game with the hockey experts there, and a return match will likely be arranged.

There should be an amusing and interesting time next Tuesday evening at the Social Club meeting in the Presbyterian Church, the event of the evening being a debate on the question as to which is the better "a competent but bad-tempered wife or a good natured but lazy one." Mr. D. MacKie will lead on one side of the question and Mr. M. B. Scott on the other.

All the business places in town closed from 11 to 12 on Saturday morning as a tribute to the memory of the late Sir Wilfrid Laurier. For a half a minute all trains, industries, etc. throughout Canada were stopped during the same hour as a token of respect to the great Canadian personality removed by death.

Mr. Robt. LeHeup, Agent of the Temiskaming Children Aid Society, was a visitor to the Camp last week. Mr. LeHeup says that it is the intention to organize a branch of the C. A. S. in Timmins in the near future, and many prominent people have been interested in this plan. There is a great deal of very useful work for the organization in the town and district.

Mr. S. Isoca, who has been a member of the Town Band for the past three years, as well as one of the first members of the Timmins Italian Society, and who has been a good citizen of the Camp for the past three years, leaves to-night for Ellsworth, Pennsylvania, where he will take up residence. He has been on the blacksmith shop staff of the Hollinger for the past three years and has many friends in the Camp who will regret his leaving, while wishing him all success and prosperity in his new place.

All the old-timers in the Town were delighted to see Sergt. "Paddy" Rowe here last week and to welcome him back to the Camp after his service for King and Country overseas. He and Sergt. "Scotty" Gardiner, who is also back in the Camp after a lengthy service overseas, were two of the popular and esteemed residents of the Porcupine in the early days—those gallant days when "none were safe for a party, but all were for the state; when the rich man helped the poor, and the poor man loved the great; when spoils were fairly portioned and lands were fairly sold, and all men were like brothers, in this brave land of gold."

MEN'S CLUB ORGANIZED AT PRESBYTERIAN CHURCH.

After the evening service on Sunday at the Byrnes Presbyterian Church, there was a meeting of the men present with the purpose of completing organization of the men's club proposed by Rev. Mr. Parks the previous Sunday. Rev. Mr. Parks explained that the Committee appointed the previous Sunday had met and a constitution had been drafted, but neither a name for the Club nor a time of meeting had been decided upon, these matters being left to the present meeting. Rev. Mr. Parks further reported that the Committee, together with Mr. Cushing and representatives from the Anglican Church, the Mayor of the town, the President of the local G.W.V.A., and others interested had interviewed Rev. Father

THE ROMANCE OF TARZAN

concluding chapters of
TARZAN OF THE APES

More thrilling than its predecessor—taken in the wilds, among wild tigers, lions, elephants, and all the many beasts which made the former Tarzan picture the one big sensation of the year—

You will see Tarzan lured to the apartments of the beautiful adventuress who both loves him and seeks to ruin him—

You will see Tarzan's repudiation of his former jungle companions when he returns to his old haunts--

You will see the beautiful ending—which is best of all.
