

# SKY BROS.

Like a bolt from the clear sky comes this astounding announcement to the community of the great gold camp, the more inconceivable because of its unexpected source! That the most popular of Porcupine's pioneer business houses which has progressed through the years of hardship and trying conditions should **DISCONTINUE BUSINESS NOW** when the future of the camp shines bright and tempting with prosperity! that Sky Bros., who have established an enviable reputation throughout the north for twelve years of **HONEST, SQUARE BUSINESS METHODS**, should give up all they have laboured so persistently to attain, will seem incredible to their numerous friends

## GOING OUT OF BUSINESS

Yet such are the facts. A **NEW AND GREATER ENTERPRIZE** which will claim all our time and resources necessitate this change in our career. And it is with the **KEENEST REGRETS** that we will part with the people, the business and surroundings that have become endeared to us through the years of friendly association. **BUT** if we can not alter the decision of fate and time, we **CAN** show our friends our appreciation and gratitude for their loyal support and patronage that helped build our success.

## JUNE 2ND

This we will do with a colossal public sale for your benefit on our entire stock and holdings. **WE WANT THE PEOPLE TO SHARE IN THE DIVIDEND OF OUR SAVINGS.** For a while we will pull down the nightmare of high prices and shortages, and will give a real celebration of old times! Everything we possess, and everything you need will be **SOLD AT THE GOOD OLD PRICES!** Some goods just as they cost 4 years ago, some much less than **WE** can buy them now. All at a **GREAT SAVING** to you whether you need them now or will have to have them next winter.
