COBALT MAN SURE DID START SOMETHING

Both those who sympathize with the object of the Citizens' Liberty League and those who do not will admit that the League has had an unusual growth through Ontario during the past few weeks. At present the Citizens' Liberty League is conducting an extensive newspaper advertising campaign against the Ontario Temperance Act. Branches of the League have been organized all over the Province and the League is hardly exaggerating in its advertisements when it says that the membership is composed of "prominent men and women" throughout the Province. The Toronto branch has as its honorary president, Sir Edmund B. Osler; the president is Lieut-Col. H. A. C. Machin, M. P. P.; vice president, I. F. Hellmuth, K. C.; honorary treasurer, F. Gordon Osler; while names of standing like "Aylesworth," etc., appear among the executive. In this connection it is interesting to recall the fact that the founder of the Citizens' Liberty League was Mr. James Hylands, of Cobalt. At his own risk and expense he set about establishing such a league in Cobalt, and after being successful there he visited Timmins with a similar end in view. Timmins was thus the second town to organize a Liberty League. It is interesting now to recall the fact that Mr. Hylands was the originator of the movement that has attained such a wide scope, and whatever of glory or blame (as the case may be) the movement may merit should reflect on the founder, Mr. James Hylands, who now is acting as organizer for the League.

HOUSEBREAKERS BUSY AT HAILEYBURY LAST WEEK

Recently there has been an epidemic of housebreaking at Haileybury. About a week ago the houses of John Berry and H.S. Hennessey were broken into and an attempt made to burglarize A. J. Carson's residence. At Mr. Berry's ten dollars and some silver was taken, but from the other two residences the disturbers were frightened away before they could secure any valuables. Speaking of the attempt to burglarize the residence of Mr. H. B. Hennessey, The Haileyburian says: "At about 11 p.m. on Friday the maid at Mr. and Mrs. H. B. Hennessey's home heard a man enter the cellar and switch on the e-

lectric light. The only other occupant of the house at the time was Mrs. Dr. Moore who was asleep upstairs. The other members of the family were at the party at the home of Mr. and Mrs. N. B. Strong. The maid awakened Mrs. Moore who telephoned to Strong's. A number of men came over at once, but by the time they had arrived the intruder had left without having entered the main part of the house. So far as is known he took nothing." The Haileyburian continued to say that there have been a number of recent cases of pretty thieving to suggest a local gang is at work. Chief Morton is working hard to catch the culprits, but so far no arrests have been made.

OVER \$300 00 NETTED FROM BENEFIT DANCE

The Benefit Dance under the auspices of the Timmins Fire Department, given in the Masonic Hall on Friday evening last was a noteworthy and outstanding success in every way. The event was for the benefit of Mr. J. D. Maclean, the deputy fire chief, who is undergoing hospital treatment in Toronto. The financial success of the dance is shown clearly by the fact that over \$300.00 will be netted, clear of all expenses. The attendance at the Dance was also worthy of note, there being a big crowd there, despite the unpleasant weather. From the standpoint of enjoyment and pleasure, the event must also be classed as among the most successful ever given in Timmins. All present enjoyed the evening thoroughly. The dancing was of the best; Colombo's Orchestra was not only talented indeed in the music furnished, but they were generous also in the number and variety of selections played. Of course, the event being a Firemen's Dance, the refreshments were up to the highest standard, and under the charge of Mrs. A. Borland this feature of the evening was an outstanding success. The general sociability and goodfellowship evident all evening was another pleasant feature of the evening. As several present remarked, there was only one drawback to the evening, everybody missed the presence of Jack Maclean. In all the previous dances of the Firemen Jack has been a leading figure in assuring the success of the event. The boys are planning another dance and for this they hope to have Jack back again hearty and healthy and happy as of yore.

The Road to Health is Smooth and Clear If You Use Nujol

THE real Road to Health is an intestinal highway 30 feet long. When Constipation clogs this road, it's the same as when a landslide blocks a mountain pass. There is a difference, however. Constipation not only blocks the way, but breeds poisons which menace health. The obstruction in the mountain pass can be blown out with dynamite, and the obstruction in the intestines CAN be blown out with powerful drugs—but any drug powerful enough to do this is bound to harm the body. There is only one way to relieve Constipation without in the least measure endangering the delicate mechanism of the human system. That is the NUJOL way. NUJOL is absolutely harmless. It is NOT a drug. Not a particle of it is assimilated by the body. All it does is soften the mass impacted in the colon and lubricate the way to normal expulsion. NUJOL does this without causing any pain or discomfort. It does not in any way interfere with the digestive processes. It has no more effect on the delicate membranes and tissues than to smooth and soothe them. It is a healing force which gently but effectively removes the intestinal obstruction, and performs this great service to health without in any way lessening Nature's provisions for protection. Its sole province is to help Nature help herself. Nearly everyone is subject to Constipation at some time or other. Nearly everyone has proved the worthlessness of ordinary "remedies" as to lasting results. Now try Nujol—and learn that there is a lasting relief for this cure.

For valuable health booklet—"Thirty Feet of Danger"—free, write Nujol Laboratories, Standard Oil Co. (New Jersey) 50 B'way, N. Y.

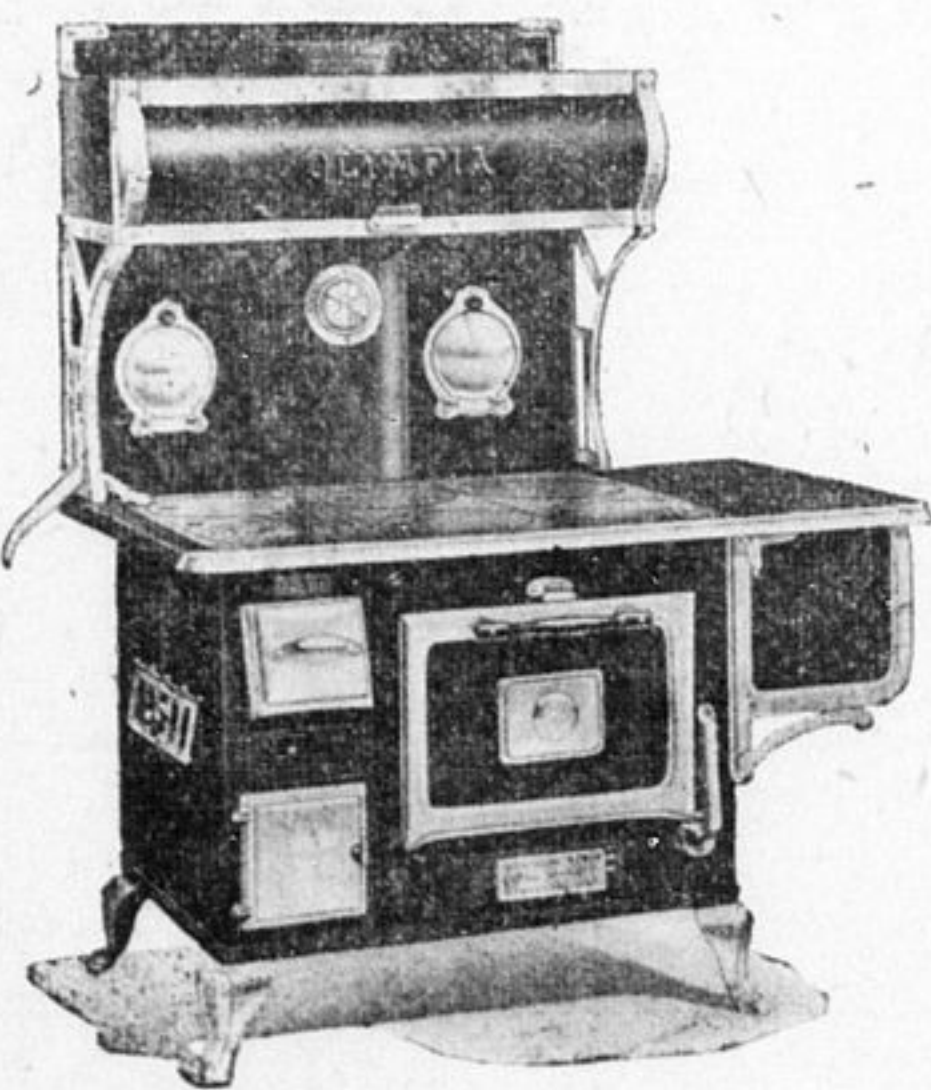

Warning: Nujol is sold only in sealed bottles bearing the Nujol Trade Mark. All drugs give. Insist on Nujol. You may suffer from substitutes.
