**NEW VICTORY LOAN  
CAMPAIGN COMING.**

Mr. Stratton, District Organizer for the Victory Loan campaign, will soon be under way. The purpose of the new loan briefly stated is to provide for war expenditures incurred, to supply funds for pensions, gratuities, etc., and to secure money for other commendable and necessary national purposes. The new loan will be the last of Canada's Victory Loans. Like previous loans it is backed up by the entire resources of Canada. It pays 5 1/2 per cent. interest and subscribers can turn their bonds into money practically whenever desired. Thus, like its predecessors, the present loan is a very attractive investment, as well as having a special appeal from the patriotic standpoint, as it will enable Canada to "carry on" with finances sound and business on a stable basis.

**FIRE PREVENTION DAY  
THURSDAY, OCT. 9TH.**

Following the proclamation of the Governor-General of the Dominion that Thursday, Oct. 9th be set aside as a special Fire Prevention Day throughout Canada, Dr. Melnis, Mayor of Timmins, as will be seen by the notice elsewhere in this issue, is calling the special attention of the citizens of Timmins to this important event and urging a particular observance of the day.

Rev. Capt. Boal, organizer for the Navy League of Canada, was a visitor to the Camp last week in connection with the Big Drive to be put on this month for funds for the widows and orphans of the sailors of the Empire who gave their lives for Britain during the war.

**JOHNNY GET YOUR GUN, BUT  
BE SURE IT'S A WELDON.**

Mr. Palmer, representing the Weldon Fire Gun, a new and improved fire extinguishing appliance, was in town last week and sold a number of the Weldon Fire Guns here. The appliance is a chemical extinguisher in a steel can, the chemical being shot out by air pressure. The advantages of this new extinguisher include the fact that it is almost instantaneous in its use, no pumping being necessary, but the operating only requiring the turning of a tap. The chemical used will not freeze and is not affected by time. The small weight and bulk of the appliance also recommends it especially for household use. It is particularly effective in quenching gasoline, oil and similar fires. The Timmins Fire Department added a couple of this new Fire Extinguisher appliance to its equipment, Fire Chief Borland being specially impressed with the convenience and efficiency of the Weldon Fire Gun.

Jean and Ord Bohannon are musical entertainers giving Dramatic numbers, Solos, Duets, Comedy Songs Impersonations and Sketches.

Marion Ballow Fisk is a Cartoonist Lecturer and Entertainer. While lecturing entertainingly, she draws pictures with lightning rapidity. You follow her in amazement. She tells stories that make you laugh and cry. Mrs. Fisk has lectured in forty States and in Canada in the last seven years and has met with universal success.

The Royal Hawaiians are a male Quartette of native Hawaiians. This Company was a feature at the Panama Exposition in San-Francisco. Every member is a Soloist. They present through the medium of songs, instrumental numbers and folk dances, a picture of life in the South Sea Islands.

Herbert Leon Cope, the Humorist, Nicknamed by the million soldiers and marines: "Kill the Blues" Cope. The world needs his message of cheer his resistless melody of fun, common sense, and magnetic pathos and the millions who have been touched by his latest and greatest service are a unit in the prophecy of the great laurels that are to be his.

Vissochi's Florentine Musicians.—Vissochi is one of the greatest masters of the concert accordion. In his hands, this instrument becomes a symphony orchestra, a military band, a crashing chorus. Now the breezes whisper through the forest, a bird song rises, and far away a solo voice falls sweetly on the air. The effects achieved defy description.

Miss Olga Capucio, Violiniste, brings to her interpretations a vibrant and compelling personality. She not only interprets a composition, but adds to it something of her own personality and charm.

Miss Rosamond Wright, Pianiste, invests her playing with a fine sincerity and appreciative understanding of her work.

Mr. W. E. McCoy, for a number of years connected with the Hollinger Office staff, left last week for the south. Mr. McCoy took a prominent place here in social, sport and other circles and will be much missed by many friends in the Camp.
