

**FINAL MEETING OF THE
TIMMINS FOOTBALL CLUB**

The final meeting of the Timmins Football Club for the season was held in the Council Chambers on Wednesday evening of last week. Mr. J. K. Moore, president of the Club occupied the chair and there was a representative gathering of those interested. The report of the Secretary-Treasurer of the Club was read and showed the financial affairs in good condition. After paying all expenses and closing the season with a clean sheet in every way, the Timmins Football Club will have a nest egg of over a hundred dollars for next year's start. Expressions of congratulations for the good standing of the Club were the order of the evening, and special praise was given the Secretary-Treasurer, Mr. W. Field, and Mr. E. H. Bridger for their unfailing interest and support, the work they had done and the assistance they had given being largely responsible for the success not only of the Timmins Club, but also for the general popularity and success of football in the district. In this connection a vote was passed unanimously leaving in the hands of the Committee comprising Messrs. A. Roberts, Rev. R. S. Cushing, President J. K. Moore, G. A. Macdonald, and H. Hatton, the matter of procuring some suitable memento to be given to Messrs. Field and Bridger as a token of the appreciation of the Football boys for the time, talent, effort and money so generously given by them to make football popular and successful during the season. President Moore spoke of the need for the Club keeping alive during the winter months, so as to be ready to secure any likely talent for next season, and to keep the organization alive. In this he met with the unanimous approval of the meeting, and it was left to him to call any meetings he thought advisable. A grant of \$10.00 was authorized made to the Northern Ontario Football Association, so that that useful body might close the season also with everything squared off and paid. A gratuity of \$50.00 was also passed for one of the players who had received injuries in a football game here on Peace Day that caused him to be laid up for over six weeks. The motion passed at a previous meeting to pay for all boots returned by the players to the Club at the end of the season was also endorsed. In this connection the Secretary reported the number of sweaters, pants, boots, etc., on hand, and the boots are to be oiled and cleaned so as to be in good shape for next season. The meeting appointed Messrs. E. H. Bridger and G. A. Macdonald as auditors to audit the books and accounts, so that they may be formally closed for the season.

**INTERIM REPORT OF
HOLLINGER ISSUED.**

The interim report of the Hollinger Consolidate issued last week shows that for the period between January 1st and Sept. 9th of the current year the net profits of the Hollinger amounted to more than two and a half times the amount paid out in dividends. In the 36 weeks covered the total income from gold and silver bullion, interest, exchange and sundries, was \$4,839,845.00. Mining and milling charges, taxes and sundries absorbed \$2,433,958.00, leaving net profits of \$2,405,887.00. There was paid out in dividends \$984,000.00, leaving \$1,421,887.00 to be added to the surplus which now totals \$3,493,174.00. The mill ran 69.2 per cent. of possible running time, treating 479,207 tons, of which 71,298 tons came from development. The average value of the ore treated was \$9.99 per ton. The cost of treating the ore was \$4.82 compared with \$4.94 last year. The figures regarding the number of employees are interesting. At Sept. 9th 1919, there were 1187 men employed in the mine and mill, compared with 1344 at June 17, 1919. The difference was due chiefly to the number of foreigners going back to Europe after the war.

Intolerance or Compromise?

A Challenge to Common Sense!

DON'T let anyone tell you that the issue on October 20th is "The Beer or the Boy"—"Is Alcohol a Poison or not"—"Economy or Extravagance"—any such an abstraction.

The plain situation is—three sections of the people of this Province are absolutely dissatisfied with the Ontario Temperance Act and want new legislation that will permit the sale of light beer and wine generally, and the sale of pure, spirituous liquors only through Government agencies.

These three sections of the population are—ninety per cent. of organized labor, by actual vote; a large number of returned soldier organizations, by actual vote; thousands of the rank and file of the electorate who have joined the Citizen's Liberty League.

The plain issue then is—
Are you going to vote for the safe, sane, fair com-

promise that these men and women want; or, are you going to insist on the retention of the unsatisfactory Ontario Temperance Act—insist on the retention of legislation that is breeding and will continue to breed dissatisfaction and discontent among our workers, returned men and a large section of the citizens generally?

**Which are YOU for—~~COMPROMISE~~ and
HARMONY, or ~~INTOLERANCE~~ and
Widespread Resentment?**

Study the Ballot and analyze the situation conscientiously. This is one of the most vital concerns you have just now—a settlement of Ontario's vexed temperance problem that will be in the best interests of all the people.

Vote "Yes" to all Four Questions

Mark your ballot with an X. Any other marking will spoil it. Remember also—Every voter must vote on every question or his ballot will be spoiled.
