## Timmins News in Brief

Mrs. Jos. Gauthier, of Verner, is visiting her son, Mr. F. Gauthier and her daughter, Mrs. T. J. Edwards.

For Armistice Night, Nov. 11th the G.W.V.A. are planning a Dance. All lovers of dancing and an all-round good social time should bear the date in mind, for the G. W. V. A. have a well-deserved reputation for successful events of this kind.

Winnipeg people have been boasting of picking ripe home-grown strawberries in September, and Mrs. W. Russell of the Pas, Manitoba, a week ago or so reported that she had been picking ripe raspberries up to the beginning of this month. Winnipeg is on the 49th latitude and the Pas, on the 54th.

At the official nominations here on Monday, the following were the candidates nominated for this riding:—R. S. Potter, of Matheson, as the Liberal Conservative candidate; Mae Lang, of South Porcupine, for the Liberal; and John Vanier, of Iron-quois Falls, for the Independent Labor Party.

### INTERESTING FACTS RE AUTOMOBILE TRAFFIC.

The Ontario Motor League on September 28th took a census of traffic on three main highways radiating from Toronto,—the Toronto-Hamilton Highway, Yonge street, and the Kingston Road. From this census some interesting and unexpected facts may be gleaned. The census covered the ten hours between nine in the morning to seven in the evening, which would catch approximately seventy-five per cent. of the vehicles passing over the roads on the day in question. Out of the 8,234 vehicles that were actually checked only 47 were drawn by horses. That means that less than one per cent. of the traffic was operated by horses. Motor traffic certainly held the day. Of the 8,187 motor vehicles, only 52 were cars owned outside the Province, thus disproving the suggestion that Yankee motorists monopolize the highways of the south. Another interesting fact deduced was that traffic was heaviest between 11 and 12 a. m. and 4 and 5 p. m. on all three roads. Of the 8,187 motor vehicles, 15 per cent., or 542 were motor cycles.

### SUCCESSFUL MEETING IN INTERESTS OF MAC LANG

The Empire Theatre was crowded Monday night for the meeting in the interests of Mr. Mac Lang, the Liberal candidate. Dr. McInnis occupied the chair, and the speakers were Major Mac Lang, Mr. Milton Carr and Mr. A. G. Slaght. In a speech of over an hour the Liberal candidate presented his case. He said that when he volunteered for service overseas, Premier Hearst had commended him and promised that the riding would be specially looked after in his absence. If all possible had not been done for the riding in the past four years, Mr. Lang said, it was accordingly Premier Hearst's fault. He criticized the educational and road-making policies of the Government, saying that 40 per cent. of the settlers around Matheson five years ago had left owing to poor educational facilities for their children. He also dwelt at length upon the returned soldier question concerning especially the Dominion Government. Mr. Lang had high praise for the personal character of his two opponents, but he suggested that the Labor man might do harm by splitting the vote and he inferred that Mr. Potter had been made the candidate at Hon. Howard Ferguson's desire in a Convention largely composed of Government employees. Mr. Milton Carr delighted the audience with his humorous address, chiefly concerned with the High Cost of Living for which cost he seemed to blame the Attorney General of Ontario. Mr. A. G. Slaght in an able and eloquent address dwelt on the mining and liquor policies of the Ontario Government. He wanted a more aggressive mining policy, miners' licenses reduced from \$5 to \$1, and less red tape and cost in claim recording. He scored the Hearst Government on the liquor question, retailing an account of the recent investigation in which Inspector Geo. Morrison was concerned. Mr. Slaght also spoke on Kapuskasing. In closing the meeting Dr. McInnis made the first clear and frank statement yet heard on a political platform here in this election regarding the liquor question. "I believe in temperance," he said, "but not in prohibition that can't be carried out." Dr. McInnis also said that the Ontario Government had made many promises to this district, but had not carried them out. Selections by the Timmins Citizens' Band added much to the interest and pleasure of the evening.

Mr. and Mrs. J. E. Sullivan returned last week from their wedding tour in the East and have taken up residence in town. Their many friends here will extend sincere good wishes.

Mr. Fred Thompson, returning officer for the Riding of Cochrane, was taken ill here on Monday evening, but is now making satisfactory progress to recovery again.

All her many friends will regret to know of the illness of Mrs. J. K. Moore who has been under medical care for the past week or two. All will wish Mrs. Moore a speedy and complete return to health.

There is to be an auction sale of household furniture and effects at the residence of Mr. J. Leitch, 54 Balsam street, Timmins, last house north of Sixth Avenue, to-morrow (Thursday) Oct. 16th commencing at 2p. m. Mr. Leitch is leaving the Camp, and so is disposing of his household goods, practically all new and in good condition. Mr. H. W. Warren is the auctioneer.

### MR. JUSTICE KELLY DOES NOT WANT BOLSHEVIKS

Those who were in Timmins when Consotech, the Russian orator, performed here, will regret that it was not Mr. Justice Kelly, instead of Judge Rose, who presided at Consotech's trial at Haileybury at the High Court. Last week at the High Court at Haileybury, Mr. Justice Kelly had half a dozen applications before him from foreigners desiring naturalization, and he showed clearly that he wants none out reasonable and loyal men among the citizens of this country. He questioned the men desiring naturalization very closely as to their views, but all frankly denied any leanings towards Bolshevism. At another time during the sittings of the High Court, Mr. Justice Kelly took occasion to explain that Canada must show much more care and attention in regard to those who are admitted to citizenship. Mr. Justice Kelly said he thought it the duty of every citizen of this country to take an interest in the applications for naturalization and if any person thought he knew of any good reason for objecting to such being granted he should bring it to the attention of the court, where it would receive careful attention. The applications made last week for naturalization were from the following Timmins men giving their occupation as miners and stating they were married:—Victor Hultman, and Albert Anderson, formerly of Sweden; Demetro Metrochuk, formerly of Austria. Abraham Assad, Selumacher, formerly of Syria, merchant; Martin Andrechuk, formerly of Poland, now of Brethour Township, farmer, and Arthur Conklin, formerly of the U.S.A., prospector, now of Gillies Depot, were the other applicants. Their applications were all taken up for consideration.

### PROPOSES REFUND OF TAXES PAID BY SOLDIERS

Councillor Newton's Suggestion Referred to Solicitor. Other Council Business.

At the regular meeting of the Town Council this week Councillor Len Newton asked that the taxes of all returned soldiers paid this year should be returned to them as some small evidence of the appreciation felt for their services. The members of Council favored some procedure along this line, but referred the question to the Town Solicitor to see what can be legally done.

The salary of the engineer at the pump house was raised \$25.00 a month, all being agreed that the increase was merited and necessary.

A by-law to provide for the taking of a census of the town was passed. The census is to be made by the Hollinger, without expense to the town, to learn the population, housing accommodation, etc., with a view to having ample housing here for all.

Authority was given for the calling for tenders for the clearing and stumping of the new cemetery.

The purchase of a new snow plough was authorized.

The formal by-law regarding the issuing of debentures for \$40,000 under the Ontario Housing Act was passed and arrangements made for a temporary loan from the town to carry on the work on the six houses now under construction until the money should come through from the Ontario Housing Commission.

In reference to the extensions to the waterworks system, the Mayor said that effort was being centered on this work now and it was hoped that all promised would be made this year.

The Voters Lists just issued for The Pas, Manitoba, show that there are 1,006 tenants and property holders entitled to vote at municipal elections. The duplication in wards will still leave the total still over 2,000. There are approximately 530 resident voters, the balance of the 1,000 being non-resident.

FURNISHED ROOM TO RENT, in one of the new Hollinger houses; hot and cold water, etc. Apply 14 Balsam street, Timmins.—46p.

LOST—Gentleman's gold watch, Regina movement. Finder will be rewarded on returning to A. G. Luxton, Lowery's Store, Timmins. —46p.

STRAYED from Post Office, brown Pomeranian dog. Anyone detaining him after this notice will be prosecuted. —46 p.

LOST—A number of leaves from a loose-leaf note book. These sheets are of particular value, being notes regarding sewers and waterworks. Finder please return at once to Sutcliffe & Neelands, Theatre Block, Timmins. —46 p.

### IN MEMORIAM

In ever loving memory of my dear husband, George Muir Dewar, who died Oct. 13th 1918. —Wife and Children.

### PROCLAMATION

Half-Holiday, Thursday, October 16

In honor of the visit of His Royal Highness the Prince of Wales to Timmins, and to allow all an opportunity of seeing and greeting His Royal Highness on the occasion, I hereby proclaim Thursday, October 16th, a holiday in this municipality from one o'clock in the afternoon, and I call upon all citizens to duly observe this half-holiday.

J. A. McINNIS, M. D., Mayor of the Town of Timmins

### TOWNSHIP OF TISDALE.

#### NOTICE.

The Council of the above-named municipality invite tenders for the purchase of the frame building known as the Old Selumacher Fire Hall at Selumacher. Highest or any tender not necessarily accepted. Tenders must be filed with the undersigned not later than 12 o'clock noon on Friday, Oct. 24th 1919.

Dated at South Porcupine this 14th day of October, 1919.

FRANK C. EVANS, Clerk of the said Municipality—46
