Timmins News in Brief

Mr. H. Duff was a visitor to Cobalt friends last week.

The Timmins Hokey Club has selected Gold and Black as the Club's hokey colors.

As Pete O'Donnell would say, Comparisons are odoreless! But—coal is \$20.00 per ton at the Pas Manitoba, and cordwood sells there at \$8.00 per cord, with another dollar per cord to have it sawn into stove lengths.

No lover of music can afford to miss the visit to the Empire Theatre, Nov. 27th of the famous Canadian tenor, Paul Dufault, and the popular artists, Emil Taranto, violinist, and Alfred Carrier, pianist.

Alfred Carrier, recognized in all the metropolitan centres as a great artist, will be with Paul Dufault, the famous Canadian tenor, and Emil Taranto, the talented violinist, at the New Empire Theatre, Thursday evening, Nov. 27th. Seats now on sale at Meyer's Drug Store.

Mrs. Jas. L. Brown and family left last week to join Mr. Brown in Toronto, where the family will take up residence. Mr. Brown was formerly on the J. R. Gordon staff here, but is now with an abattoir company in Toronto.

Milk prices have advanced in Cobalt from 18 cents per quart to 20 cents per quart. Perhaps Cobalt housewives may feel like objecting to the raise, but in such a case the fact that for some time past milk has been selling at four quarts for one dollar in this little town of Timmins may give them pause. One milk dealer here has been selling six quarts for a dollar, but he is the exception that does not prove the rule.

Mr. and Mrs. Sol. Sky left South Porcupine last Wednesday to take up residence in Toronto. Mr. and Mrs. Sky have been very popular and esteemed residents of the Camp and will be sincerely missed here. Mr. Sky has been one of the prominent and successful pioneer merchants of the Camp, and has enjoyed the respect and patronage of wide circles in South Porcupine and the district generally. He is going into business in Toronto where he will conduct a manufacturing business specializing in ladies' wear.

Born—in Timmins, on Saturday, Nov. 15th 1919, to Mr. and Mrs. D. Ostrosser—a son.

Miss K. Powers recently went to Iroquois Falls to join the public school teaching staff there.

Mrs. H. F. Schroder came to the Camp on Saturday to join her husband here who is violinist at the New Empire Theatre.

The title of Rev. J. D. Park's address at the Presbyterian church on Sunday evening is announced as "Is Ignorance a Sin?"

Well there was this comfort anyway in the cold spell that struck the Porcupine last week, that is was four below zero in another mining camp (the Pas Manitoba), the week before.

The Fire Brigade had a run at 7:30 on Wednesday night to Mr. Frank Burke's house. A prompt response was made to the alarm call and the little blaze very promptly extinguished by the use of the chemical tanks. The fire was caused by a chimney blaze and was not a serious affair, practically no damage being done.

The Victory Loan concert planned first for Sunday evening, Nov. 9th, had to be postponed on account of the fact that the motion picture films and the gifted speaker from Toronto who was to address the audience in several different languages failed to appear in time for the event. It was hoped that perhaps the films and the speaker might be here for last Sunday, but the local Committee were again disappointed, and the event will be indefinitely postponed as the campaign is now very successfully concluded.

PRESBYTERIAN MISSION BAND ORGANIZED.

At the Presbyterian church last Friday the boys and girls of the Sunday School gathered to organize a Mission Band that will hold regular meetings every two weeks. There were about 30 present, and the following officers were appointed:—Leader, Mrs. J. D. Parks; President, Elda Sims; vice-president, Dorothy Harrington; secretary, Edna Duesharm; treasurer, Nellie Studor; organist, Ruby Hawley ushers (to be appointed monthly) Norma Warren and Raymond Raycroft.

Mr. and Mrs. Chas. E. Foster, of Schumacher, have returned home to the Camp after a visit to Peterborough. While in Peterborough Mrs. Foster underwent an operation that was very successful and so is now very much improved in health.

Thursday, Nov. 27th is to be a red letter day for music lovers in the district, thanks to the kind efforts of Rev. Father Theriault. On the 27th the renowned Canadian tenor, Paul Dufault, and the well-known Canadian artists, Emil Taranto, violinist, and Alfred Carrier, pianist, will give a concert at the New Empire Theatre. Tickets now on sale at Meyer's Drug Store.

NORTHERN GENEROSITY

Indications at Stocks' Jewelry Store show conclusively that the people of Northern Ontario are indeed good-hearted

After attending to the poor and unfortunate, there seems to be a stronger tendency than ever to make these stirring times as cheery as possible for the loved ones at home.

Stocks' store is fulfilling its mission by supplying many pretty things for Christmas buyers.
