Timmins News in Brief

W. A. of St. Matthew's are holding a Silver Tea at the home of Mrs. E. J. Meyers, to-morrow (Thursday) afternoon from 3 to 5 o'clock.

Veterans should remember the meeting of the G. W. V. A. in their Club Rooms on the evening of February 5th.

McIntre vs. Hollinger is the game scheduled for Tuesday next, Feb. 3rd in the local league series of hockey games.

Mr. Verner, recently of the Hollinger Stores warehouse staff, left yesterday for Iroquois Falls where he has a position with the Abitibi Power & Paper Co.

Mrs. D. Laprairie is in Haileybury Hospital undergoing treatment and her many friends in the town and district will be pleased to know that she is making rapid and satisfactory progress to recovery.

A meeting in connection with the Anglican Forward Movement will be held in the basement of the church on Saturday evening, Jan. 31st at 7 o'clock. Mr. G. B. Nicholson, M. P., of Chapleau, will be present and will speak on the aims and objects of the movement.

A letter received last week from Mr. J. D. Maclean, who has been in the General Hospital, Toronto, for some months past under treatment, suggests that Jack expects to be back to the North Land in the course of a month or so. The doctors consider the treatment as successful and progress made as satisfactory. Jack says that the Toronto professional hockey players have been after him to sign up Pete Taylor for them.

The report of the Ontario Government Employment Bureaus for November, just issued, shows that the Timmins branch is one of the three leaders in securing places for all the applications made to the branch here. There were 291 applications here during the month and the whole 291 applicants were promptly placed. Oshawa and Kitchener were the only two other branches in the Province able to place all the applicants coming to them, and Oshawa had only 78 applicants in the month while Kitchener, with 123 applications, was much below the mark set by Timmins.

The Winnipeg-St. Paul Dog Race is not to be run this year. According by the Porcupine Dog Race and the Hudson Bay Dog Derby are the two big Canadian Team events for this year.

Friday evening of this week, Jan. 30th Golden Beaver Lodge A. F. & A. M. are giving an At Home for members of the Order only and their ladies. The event will be held in the Masonic Hall, commencing at 9 o'clock. Cards, dancing, refreshments.

The following appeared in The Toronto World's report of the "Boost-the-North-Land" Convention held at North Bay last week:—"The prospector's case was put by a French-Canadian, Mr. St. Paul, of Porcupine, a fluent user of English, who reminds you of the old Normans' boast that they were orators from the cradle."

There was a good attendance at the Euchre and Dance given in the Union Hall Monday evening by the Ladies' Auxiliary of the Porcupine Miners' Union. All present had a pleasant evening, the music, dancing, cards, refreshments, and social time, being of the usual enjoyable order for which events by the Ladies' Auxiliary are noted.

The G. W. V. A. have cancelled their regular dance on February 5th for the benefit of St. Matthew's Ladies' Guild. The Ladies' Guild are giving a Valentine Dance on Feb. 6th and the Veterans are dropping their regular event for the previous evening, so that the two dances may not conflict.

ANOTHER MOCCASIN DANCE THURSDAY NIGHT.

The popularity of the last Moccasin Dance has induced the Timmins Rink to announce another similar event for to-morrow (Thursday) evening. The second Moccasin Dance will no doubt be a greater success than even the first enjoyable event of this kind this year. Dancing will be from 9 to 12. There will be no skating that evening. Scotty Wilson's Orchestra will furnish the music. Many dancers think the Moccasin Dance is just about the ideal dancing idea, and these should make a particular note of the date—Thursday evening, January 29th Timmins Rink, dancing from 9 to 12.

The next session of the Division Court will be held in the Council Chamber, Timmins to-morrow (Thursday). All the Division Court sittings for this Court are now being held at Timmins. Previously Division Court here has latterly been held in the Miners' Union Hall, but hereafter the Court will be held in the Council Chambers, the change in the day of the week for holding the Police Court here making the Council Chambers free on Thursday for use.

WHERE DOES HE GO FROM HERE?

Can Douglas Fairbanks stay put? Sure—just like water stays on a duck's back! New York, then Mexico, then a European kingdom that's the way he hops around the little old map in his new picture, "One of the Blood." It's a travelogue a la Fairbanks—and some journey!

ONE OF THE BLOOD

A GOOD NIGHT'S WORK, WE'LL SAY!

How would you like to be roused out of a wild nightmare by a fire-alarm, rush to a blazing tenement building, save a family of youngsters, then help the police raid an underworld den and then go calmly back to bed to finish your beauty sleep? "The end of a perfect day" is what Doug Fairbanks calls it, in "One of the Blood," his newest film.
