A DOG-GONE QUEER PLACE FOR KEEPING BOOZE.
The Sudbury Star tells of the queer place used by John Bajeski as a storehouse for his booze supply. It occurred to John (with the accent on the eur) that a dog kennel would be all right for the purpose, with the dog left in the kennel. The booze was accordingly stored in a place fitted in the roof of the kennel. When a constable approached the kennel the dog naturally barked at the Bobbie, and when the cop spoke kindly to the eur the canine knew it was not "His Master's Voice" and tried to make a record at eating a man. The Police cannot lose, however, in a Nickel Town, and so the dog lost his bark also his canine life, and John Bajeski lost his booze, also \$300.00 in cash as a resulting police court fine under the O. T. A.

BASEBALL GAMES FOR THE COMING FEW-DAYS.
In the Porcupine Mines Baseball League series the following games are scheduled for the next week or two:—
July 11—Timmins at Dome.
July 14—Dome at McIntyre.
July 18—Timmins at Hollinger.

In the Porcupine Mines League the following is the standing of the teams to date:—
Timmins—played 2, won 1, lost 1.
Hollinger—played 2, (one by default of Dome) won 2, lost 0.
McIntyre—played 3, won 1, lost 2.
Porcupine-Dome—played 3, (one by default) won 1, lost 2 (one by default).

AND ONCE MORE, AGAIN, WHAT ABOUT TIMMINS?
According to the items in the newspapers down Cobalt way, Cobalt also is receiving captured German guns given out by the Government as war trophies. A week or two ago Cobalt was rather excited and ugly regarding the fact that Haileybury, the County Seat, was having two of the captured German guns while Cobalt had none at all. Appeal was made to Mr. Angus McDonald, M.P., in the matter and last week Cobalt learned that a gun or guns was or were or will be shipped for their delectation. Accordingly Cobalt is quite cheerful again, and is profuse in thanking Mr. Angus McDonald, M.P. Mr. Angus McDonald, M.P., however, should not forget that Timmins is very much on the map and that this town should have one or more of these captured German guns that are being given away. One in good working order would be preferable, as it could be usefully employed for baseball matches, etc. But Timmins at least should have some sort of a captured German gun as a war trophy, for the men of this town did their part all right to make possible such things as "war trophies" of this kind. Timmins is ganning for German guns again. Turn the guns this way. If Cobalt and Haileybury can have German guns as war trophies what about Timmins? In view of the part taken by Timmins in the war, a gun should have been sent here before this. No wonder the Premier has resigned.
